Woman of Color, Daughter of Privilege Sep 12 2022 This fascinating story of Amanda America Dickson, born the privileged daughter of a white planter and an unconsenting slave in antebellum Georgia, shows how strong-willed individuals defied racial strictures for the sake of family. Kent Anderson Leslie uses the events of Dickson's life to explore the forces driving southern race and gender relations from the days of King Cotton through the Civil War, Reconstruction, and New South eras. Although legally a slave herself well into her adolescence, Dickson was much favored by her father and lived comfortably in his house, receiving a genteel upbringing and education. After her father died in 1885 Dickson inherited most of his half-million dollar estate, sparking off two years of legal battles with white relatives. When the Georgia Supreme Court upheld the will, Dickson became the largest landowner in Hancock County, Georgia, and the wealthiest black woman in the post-Civil War South. Kent Anderson Leslie's portrayal of Dickson is enhanced by a wealth of details about plantation life; the elaborate codes of behavior for men and women, blacks and whites in the South; and the equally complicated circumstances under which racial transgressions were sometimes ignored, tolerated, or even accepted.

The Captain's Daughter Dec 16 2022 From the acclaimed author of Vacationland comes an emotionally gripping novel about a woman who returns to her hometown in coastal Maine and finds herself pondering the age-old question of what could have been. • "Emotionally gripping.... Filled with humor, insight, summer cocktails, and gorgeous sunsets...An ideal summer read." —Redbook When Eliza Barnes was growing up in the lobstering village of Little Harbor, Maine, she could haul a trap and row a skiff with the best of them—but she'd always known she'd leave that life behind. Now she's settled in the high-society circle of an affluent Massachusetts town with her husband and two daughters. But when her father—a widowed lobsterman—injures himself in a boating accident, Eliza returns to her hometown to come to his aid. When she arrives in Maine, she discovers her father's situation is more dire than he let on. Her homecoming is further complicated by the reemergence of her first love—and the repercussions of their shared secret. Then Eliza meets Mary Brown, a seventeen-year-old local who is at a crossroad of her own, and Eliza can't help but wonder what her life would have been like if she'd stayed. By turns poignant, incisive, and laugh-out-loud funny, *The Captain's Daughter* is an unforgettable novel about the choices we make and the consequences we face in their wake.

The Blind Astronomer's Daughter Jul 23 2023 A transporting historical novel from the acclaimed author of Woodburner. In late-eighteenth-century Ireland, Caroline Ainsworth learns that her life is not what it seems when her father, Arthur, an astronomer gone blind from staring at the sun, throws himself from his rooftop observatory. His vain search for an unknown planet and jealousy over astronomer William Herschel's discovery of Uranus had driven him to madness. Grief-stricken, Caroline leaves Ireland for London. But her father has left behind a cryptic atlas that holds the secret

to finding a new world at the edge of the sky. As Caroline reluctantly resumes her father's work, she must confront her own longings, including her love for her father's former assistant, the tinkering blacksmith Finnegan O'Siodha. Then Ireland is swept into rebellion, and Catherine and Finnegan are plunged into its violence. A novel about the obsessions of the age--scientific inquiry, geographic discovery, political reformation, but above all, astronomy--*The Blind Astronomer's Daughter* encapsulates the quest for knowledge and for human connection. It is rich, far-reaching, and unforgettable.

The Slaughterman's Daughter Oct 02 2021 "If the Coen brothers ever ventured beyond the United States for their films, they would find ample material in this novel." --The New York Times Book Review "Occasionally a book comes along so fresh, strange, and original that it seems peerless, utterly unprecedented. This is one of those books." —Kirkus Reviews (starred review) **Winner of the 2021 Wingate Literary Prize** **Finalist for the 2021 National Jewish Book Awards, "Book Club Award"*** An irresistible, picaresque tale of two Jewish sisters in late-nineteenth-century Russia, *The Slaughterman's Daughter* is filled with "boundless imagination and a vibrant style" (David Grossman). With her reputation as a vilde chaya (wild animal), Fanny Keismann isn't like the other women in her shtetl in the Pale of Settlement—certainly not her obedient and anxiety-ridden sister, Mende, whose "philosopher" of a husband, Zvi-Meir, has run off to Minsk, abandoning her and their two children. As a young girl, Fanny felt an inexorable pull toward her father's profession of ritual slaughterer and, under his reluctant guidance, became a master with a knife. And though she long ago gave up that unsuitable profession—she's now the wife of a cheesemaker and a mother of five—Fanny still

keeps the knife tied to her right leg. Which might come in handy when, heedless of the dangers facing a Jewish woman traveling alone in czarist Russia, she sets off to track down Zvi-Meir and bring him home, with the help of the mute and mysterious ferryman Zizek Breshov, an ex-soldier with his own sensational past. Yaniv Iczkovits spins a family drama into a far-reaching comedy of errors that will pit the czar's army against the Russian secret police and threaten the very foundations of the Russian Empire. *The Slaughterman's Daughter* is a rollicking and unforgettable work of fiction. *Life of a Girl Cab Driver* Jun 21 2023 With a keen sense of fun and determination, Bennett educates young and old about the secret life of a taxi driver. With true tales of crime, adventure, and compassion, her autobiography is a literary masterpiece that crosses from crime-scene drama into a psychological study of the unknown hero.
