What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's

ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind? Do you want to build a budget that actually works for you? Are you ready to transform your relationship with money? In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that

glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've

come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in."

Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast This simple way to manage your household income and expenses includes a stylish cover, coin purse, places for your checkbook and check register, memo pad, debit card holders, and extra cash-management envelopes. Journal your way to contentment in just 90 days. #1 New York Times best-selling author Rachel Cruze guides you on a 90-day journey toward contentment--one where you actually love your life and not someone else's. Let's be honest: We've all compared ourselves to others. You scroll through social media and see someone's latest vacation and think, "Must be nice..." Just like that, you feel like your life isn't good enough. Rachel knows the

struggle is real because she's experienced the same thing. So, she created a 90-day journal to help you stop comparing your life to others and be happier than you've ever been. The Contentment Journal is divided into 30-day increments: The first 30 days focus on gratitude - where you'll recognize the blessings in your life. The next 30 days focus on humility - where you'll think of others more and of yourself a little less. The last 30 days focus on contentment - where you'll be happy for others and not want what they have. Study after study backs up that your relationships, health, decision-making skills, kindness, and even sleep can get better with gratitude. The Contentment Journal will help you grow and change in ways you can't yet imagine. Through personal stories and daily writing prompts, Rachel will guide you day by day, week by week to feeling more thankful. Motivational quotes and reflection pages will encourage you to keep going! If you give Rachel 5-10 minutes a day for 90 days, she'll help you adjust your whole outlook, so you avoid the comparisons and experience lasting contentment. "What's the best thing you can do with your money? How can your wealth make the biggest impact? In this eye-opening lesson, Dave Ramsey reveals the mystery of The Great Misunderstanding, the mistaken belief that the way to have more money is to hold on more tightly. You'll discover how to be a good manager of your money as you learn to hold your wealth with an open hand. This new perspective will revolutionize every area of your life, as you learn what it means to be a radical giver."--Container. "If Mr. and Mrs. Smith had kids and wrote a parenting book, this is what you'd get: a practical

guide for how to utilize key spy tactics to teach kids important life skills--from self-defense to effective communication to conflict resolution." --Working Mother Christina was a single, successful CIA analyst with a burgeoning career in espionage when she met fellow spy, Ryan, a hotshot field operative who turned her world upside down. They fell in love, married, and soon they were raising three children from his first marriage, and later, two more of their own. Christina knew right away that there was something special about the way Ryan was parenting his kids, although she had to admit their obsession with surviving end-of-world scenarios and their ability to do everything from archery to motorcycle riding initially gave her pause. More than that, Ryan's kids were much more security savvy than most adults she knew. She soon realized he was using his CIA training and field experience in his day-to-day child-rearing. And why shouldn't he? The CIA trains its employees to be equipped to deal with just about anything. Shouldn't parents strive to do the same for their kids? As Christina grew into her new role as a stepmom and later gave birth to their two children, she got on board with Ryan's unique parenting style--and even helped shape it using her own experiences at the CIA. Told through honest and relatable parenting anecdotes, Christina shares their distinctive approach to raising confident, security-conscious, resilient children, giving practical takeaways rooted in CIA tradecraft along the way. License to Parent aims to provide parents with the tools necessary to raise savvier, well-rounded kids who have the skills necessary to navigate through life. The #1 bestselling
