It's Not Love, It's Just Paris Patricia Engel, 2013-08-06 A spellbinding story of a young American abroad and a star crossed relationship This is a novel to get lost in The Miami Herald Lita del Cielo is the daughter of two Colombian immigrants who arrived in America with nothing and made a fortune with their Latin food empire Now Lita has been granted one year to pursue her studies in Paris before returning to work in the family business She moves into a crumbling Left Bank mansion known as The House of Stars where the spirited but bedridden Countess S raphine rents out rooms to young women visiting Paris to work to study and unofficially to find love Cautious and guarded Lita keeps a cool distance from the other girls who seem at once boldly adult and impulsively naive who both intimidate and fascinate her Then Lita meets Cato and the contours of her world shift Charming enigmatic and weak with illness Cato is the son of a notorious right wing politician As Cato and Lita retreat to their own world they soon find it difficult to keep the outside world from closing in on theirs Ultimately Lita must decide whether to stay in France with Cato or return home to fulfill her family's dreams for her future From the author of Vida a finalist for the PEN Hemingway Award It's Not Love It's Just Paris is a love story a portrait of a Paris caught between the old world and the new and an exploration of one woman's journey to lay claim to her own life Wise and accomplished Beautifully written The New York Times Book Review

Absurdistan Gary Shteyngart, 2007-04-03 Absurdistan is not just a hilarious novel but a record of a particular peak in the history of human folly No one is more capable of dealing with the transition from the hell of socialism to the hell of capitalism in Eastern Europe than Shteyngart the great great grandson of one Nikolai Gogol and the funniest foreigner alive Aleksandar Hemon From the critically acclaimed bestselling author of The Russian Debutante's Handbook comes the uproarious and poignant story of one very fat man and one very small country Meet Misha Vainberg aka Snack Daddy a 325 pound disaster of a human being son of the 1 238th richest man in Russia proud holder of a degree in multicultural studies from Accidental College USA don't even ask and patriot of no country save the great City of New York Poor Misha just wants to live in the South Bronx with his hot Latina girlfriend but after his gangster father murders an Oklahoma businessman in Russia all hopes of a U S visa are lost Salvation lies in the tiny oil rich nation of Absurdistan where a crooked consular officer will sell Misha a Belgian passport But after a civil war breaks out between two competing ethnic groups and a local warlord installs hapless Misha as minister of multicultural affairs our hero soon finds himself covered in oil fighting for his life falling in love and trying to figure out if a normal life is still possible in the twenty first century With the enormous success of The Russian Debutante's Handbook Gary Shteyngart established himself as a central figure in today's literary world one of the most talented and entertaining writers of his generation according to The New York Observer In Absurdistan he delivers an even funnier and wiser literary performance Misha Vainberg is a hero for the new century a glimmer of humanity in a world of dashed hopes
