**Neil Simon** Gary Konas,2020-11-25 First Published in 1997 The 16 essays and interviews in this volume explore the background and works of Neil Simon the most successful playwright in American history Several of the entries trace Simon s Jewish heritage and its influence on his plays Although Simon is best known as a writer of a remarkable series of hit Broadway comedies the contributors to this book have identified a number of serious recurring themes in his work suggesting that a reassessment of the playwright as a dramatist is appropriate Three interviews with Simon and his longtime producer yield valuable facts about the playwright that will along with the critical essays aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular
