Defending the Faith Henry Morris,1999-09 When Jude wrote his Epistle he implored believers in all ages to be diligent in their defense of the faith And the faith clearly was and is belief in Jesus Christ as Creator and Redeemer So just as Solomon assured us that there is nothing new under the sun we re not surprised that there are attacks on the gospel today Jude was just as familiar with these enemies of the gospel in his time Now author Henry Morris offers up a brand new look at these age old attacks on the faith tackling a breathtaking range of issues from science and the Bible to liberal criticisms of the Bible A powerful weapon in the battle for truth Defending the Faith doesn t shrink from the fight but rather speaks the truth in love

In Defense of the King James Bible Rick Streight,2011-02 Why are there so many translations of the Bible and what is the difference between them Does it make a difference which version you read Are they all the same In Defense of the King James Bible presents a clear scriptural argument for the unadulterated Word of God which is unique to the King James Version Bible To prove the originality and uniqueness of this particular translation of Scripture the author devotes a majority of the study to the comparison of verses from the King James Version Bible and other translations It is startling to discover the omission and perversions of Scripture that change the meaning of verses and sound doctrine Journey with the author as he examines the Bible and Spirit of Prophecy to gain a deeper understanding of God s Word and its importance in preparing us for Christ s Second Coming
