**Ready, Set, Grow!** Feb 02 2024 Ready, Set, Grow! Young girls before the onset of puberty have a curiosity about their soon-to-be changing bodies that needs addressing in a simpler way than for their older sisters. In Madaras's proven, trust-worthy, friendly voice and style, this entirely new book now brings them the same kind of thoughtful, down-to-earth information—but at a reading and comprehension level that's just right for them. Responding throughout to real-life questions and observations from younger girls, Madaras explores the changes that

are happening, or about to happen, to them, including: the development of breasts, body hair, and body fat; the changes in their reproductive organs, both inside and out; their first period and all the complex feelings surrounding it; the unwelcome appearance of acne and new body odors; and, perhaps most important, how to respect and celebrate their unique bodies, even when the outside world is not always so accepting. Lively cartoon drawings throughout make the book not only helpful, but fun to read, too.

**On Your Mark, Get Set, Grow! (Large Print 16pt)** Jul 27 2023 Madaras published Ready, Set, Grow; A 'What's Happening to My Body?' Book for Younger Girls in 2003 to widespread acclaim. Now, in her uniquely straightforward, warm, and funny style, Madaras introduces On Your Mark, Get Set, Grow!: A 'What's Happening to My Body?' Book for Younger Boys. Responding to real-life questions and concerns from young...

**Something Happened in Our Town** Oct 30 2023 A NEW YORK TIMES AND #1 INDIEBOUND BEST SELLER #6 on American Library Association's Office of Intellectual Freedom's Top 10 Most Challenged Books of 2020 A Little Free Library Action Book Club Selection National Parenting Product Award Winner (NAPPA) Something Happened in Our Town follows two families — one White, one Black — as they discuss a police shooting of a Black man in their community. The story aims to answer children's questions about such traumatic events, and to help children identify and counter racial injustice in their own lives. Includes an extensive Note to Parents and Caregivers with guidelines for discussing race and racism with children, child-friendly definitions, and sample dialogues.

*Go Teen Writers* May 01 2021 You have a story to tell, don't you? Or maybe you simply want to try your hand at fiction writing. Perhaps you've given it your best effort, but simply didn't have enough tools in your tool box to finish that first draft. Wherever you're at with this novel-writing thing, popular bloggers Stephanie Morrill, Jill Williamson, and Shannon Dittmore totally understand. They know it's hard to finish a first draft. To stay motivated until the end. To feel like a "real" writer. They know because they've been there too. In *Go Teen Writers: Write Your Novel*, you'll learn: There is no such thing as one right way to write a novel. How to take an idea and give it a beginning, middle, and end. What story structure means and how it strengthens a book. Different approaches to plotting a novel. How to develop characters worth reading about. Strategies for creating memorable storyworlds and settings. What theme is and how to use it to enrich your story. What to do when your first draft is finished. There's no doubt about it. Learning to write a novel from beginning to end is a challenge. But with this book as your guide, you'll see that when you're in possession of the right tools, you're capable of finishing what you start. You'll be empowered and encouraged-as if you had a writing coach (or three!) sitting alongside you.

**Making Ideas Happen: Overcoming the Obstacles Between Vision and Reality** Dec 08 2021 Thomas Edison famously said that genius is 1% inspiration and 99% perspiration. Every day, new solutions, revolutionary cures, and artistic breakthroughs are conceived and squandered by smart people. Along with the gift of creativity come the obstacles to making ideas happen: lack of organisation, lack of accountability and a lack of community support. Scott Belsky has interviewed hundreds of the most productive creative people and teams in the world, revealing a common trait: a carefully trained capacity for ideas execution. Implementing your ideas is a skill that can be taught, and Belsky distils the core principles in this book. While many of us obsess about discovering great new ideas, Belsky shows why it is better to develop the capacity to make ideas happen - using old-fashioned passion and perspiration. *Making Ideas Happen* reveals the practical yet

counterintuitive techniques of "serial creatives" - those few who make their visions a reality.

*My Feelings, My Self* Jun 25 2023 Updated and with a new title and cover, here's the "how it feels" book about body changes, families, and friends--for preteens, parents, and educators. "There's much vitally needed information here . . . strongest is the section on peer pressure" -- Kirkus. Previously titled Lynda Madaras' *Growing-Up Guide for Girls*. Illustrations.

**The Giving Tree** Aug 28 2023 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio*, the *Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

**Things that Didn't Happen** Oct 18 2022 An innovative exploration of fake news and alternative reality in late Stuart and early Hanoverian political and literary culture, from the Popish Plot and the South Sea Bubble to the Dunciad. James Francis Edward Stuart, the Prince of Wales

born in 1688, was not a commoner's child smuggled into the queen's birthing chamber in a warming pan, but many people said he was. In 1708, the same prince did not quite land in Scotland with a force of 5,000 men in order to claim the Scottish crown, but writers busied themselves with exploring what would have happened if he had succeeded. These fictions had as potent an effect on the political culture of late Stuart and early Hanoverian Britain as many events that really did happen. From the alleged "Popish Plot" of Titus Oates to the South Sea Bubble, John McTague draws on a rich variety of sources - popular, archival and literary - to investigate the propagandic and literary exploitation of three kinds of things that did not occur at this time: failures which inspired "what if" narratives, speculative futures which failed to come to pass and "pure" fictions created and disseminated for political gain. Finally, a ground-breaking reading of the various versions of Pope's *Dunciad* reveals a work that in its exploration of historic causation and agency and its repurposing of the material of contemporary political and literary culture deploys many of the strategies explored in earlier chapters to present Hanoverian reality as if it were counterhistory. JOHN MCTAGUE is Lecturer in English Literature at Bristol University.

**What's Happening to My Body? Book for Boys** Apr 04 2024 This classic puberty education book for boys is thoroughly updated and freshly redesigned. Includes practical advice on acne, voice changes, AIDS, and health issues.

*Intuitive Eating, 2nd Edition* Mar 23 2023 We've all been there—angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, *Intuitive Eating* focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: \*How to reject diet mentality forever \*How our three Eating Personalities define our eating difficulties \*How to feel your feelings without using food \*How to honor hunger and feel fullness

\*How to follow the ten principles of Intuitive Eating, step-by-step \*How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

*iGen* Aug 04 2021 As seen in *Time*, *USA TODAY*, *The Atlantic*, *The Wall Street Journal*, and on *CBS This Morning*, *BBC*, *PBS*, *CNN*, and *NPR*, *iGen* is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, *iGen* is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, *iGen* spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes *iGen* distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of *iGen* just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of *iGen* also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where *iGen* goes, so goes our nation—and the world.

**Our Band Could Be Your Life** Feb 07 2022 The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic

Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. *Our Band Could Be Your Life* is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

**The Testaments** Nov 06 2021 NEW YORK TIMES BESTSELLER • WINNER OF THE BOOKER PRIZE • A modern masterpiece that "reminds us of the power of truth in the face of evil" (People)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*. "Atwood's powers are on full display" (Los Angeles Times) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

***It's All Absolutely Fine*** Sep 16 2022 *It's All Absolutely Fine* is an honest and unapologetic account of day-to-day life as a groaning, crying, laughing sentient potato being for whom things are often absolutely not fine. Through simple, humorous drawings and a few short narratives, the

book encompasses everything from mood disorders, anxiety, and issues with body image through to existential conversations with dogs and some unusually articulate birds. Building on Rubyetc's huge online presence, *It's All Absolutely Fine* includes mostly new material, both written and illustrated, and is inspirational, empowering, and entertaining. Hope and tenacity abound in this book that is as heartening as it is hilarious.

\*Voted onto the 2018 GREAT GRAPHIC NOVELS FOR TEENS list by the American Library Association's YALSA (Young Adult Library Services Association)

**What's Happening To My Teen?** May 05 2024 What's happening to my teen? For many parents, a child's entering into the adolescent years is a time of change for a family. Interests shift, hormones kick in, appearance becomes more important, new friends enter into your teen's life, and social networking carries with it a whole new level of influence and exposure. Parents are sometimes confused about how to handle this change, and sadly, some teens get lost in the turbulent waters of adolescence as parents figure it all out. "i never thought this would happen to our family" Mark Gregston shares true stories of hope and encouragement for parents struggling through these adolescent years, and gives insight and wisdom found in the pursuit of understanding what is happening in today's teen culture. Mark has seen it all, and he's personally helped thousands of families navigate their teens' difficult years and reach the other side with relationships intact. With biblical wisdom, keen insight, and deep compassion, he reveals the incredible pressures today's teens face, the reason for inappropriate behavior, and the tools you need to help your son or daughter flourish again.

***This Isn't Happening*** Sep 28 2023 THE MAKING AND MEANING OF RADIOHEAD'S GROUNDBREAKING, CONTROVERSIAL, EPOCHDEFINING ALBUM, KID A. In 1999, as the end of an old century loomed, five musicians entered a recording studio in Paris without a deadline. Their band was widely recognized as the best and most forward-thinking in rock, a rarefied status granting them the time, money, and space to make a masterpiece. But Radiohead didn't want to make another rock record. Instead, they set out to create the future. For

more than a year, they battled writer's block, intra-band disagreements, and crippling self-doubt. In the end, however, they produced an album that was not only a complete departure from their prior guitar-based rock sound, it was the sound of a new era—and it embodied widespread changes catalyzed by emerging technologies just beginning to take hold of the culture. What they created was *Kid A*. Upon its release in 2000, Radiohead's fourth album divided critics. Some called it an instant classic; others, such as the UK music magazine *Melody Maker*, deemed it "tubby, ostentatious, self-congratulatory... whiny old rubbish." But two decades later, *Kid A* sounds like nothing less than an overture for the chaos and confusion of the twenty-first century. Acclaimed rock critic Steven Hyden digs deep into the songs, history, legacy, and mystique of *Kid A*, outlining the album's pervasive influence and impact on culture in time for its twentieth anniversary in 2020. Deploying a mix of criticism, journalism, and personal memoir, Hyden skillfully revisits this enigmatic, alluring LP and investigates the many ways in which *Kid A* shaped and foreshadowed our world.

*When Bad Things Happen to Privileged People* Jan 21 2023 A deep and thought-provoking examination of crisis politics and their implications for power and marginalization in the United States. From the climate crisis to the opioid crisis to the Coronavirus crisis, the language of crisis is everywhere around us and ubiquitous in contemporary American politics and policymaking. But for every problem that political actors describe as a crisis, there are myriad other equally serious ones that are not described in this way. Why has the term crisis been associated with some problems but not others? What has crisis come to mean, and what work does it do? In *When Bad Things Happen to Privileged People*, Dara Z. Strolovitch brings a critical eye to the taken-for-granted political vernacular of crisis. Using systematic analyses to trace the evolution of the use of the term crisis by both political elites and outsiders, Strolovitch unpacks the idea of "crisis" in contemporary politics and demonstrates that crisis is itself an operation of politics. She shows that racial justice activists innovated the language of crisis in an effort to transform racism from something understood as natural and intractable

and to cast it instead as a policy problem that could be remedied. Dominant political actors later seized on the language of crisis to compel the use of state power, but often in ways that compounded rather than alleviated inequality and injustice. In this eye-opening and important book, Strolovitch demonstrates that understanding crisis politics is key to understanding the politics of racial, gender, and class inequalities in the early twenty-first century.

**Nothing Much Happens** Mar 11 2022 Soothing stories to help you fall and stay asleep, based on the popular podcast *Busy minds need a place to rest*. Whether you find yourself struggling to sleep, awake in the middle of the night, or even just anxious as you move through the day, in *Nothing Much Happens*, Kathryn Nicolai offers a healthy way to ease the mind before bed: through the timeless appeal of classic bedtime stories. Already beloved by millions of podcast listeners, the stories in *Nothing Much Happens* explore and expose small sweet moments of joy and relaxation: Sneaking lilacs from an abandoned farm in the spring. Watching fireflies from the deck in the summer. Visiting the local cider mill in the autumn. Watching the tree lighting in the park with friends in the winter. You'll also find sixteen new stories never before featured on the podcast, along with whimsical illustrations, recipes, and meditations. Using her decades of experience as a meditation and yoga teacher, Kathryn Nicolai creates a world for you to slip into, one rich in sensory experience that quietly teaches mindfulness and self-compassion, soothes frayed nerves, and builds solid habits for nurturing sleep. A PENGUIN LIFE TITLE

**What's Happening to My Body? Book for Girls** Jun 06 2024 The "What's Happening to My Body?" Book for Girls Written by experienced educator and her daughter in a reassuring and down-to-earth style, The "What's Happening to My Body?" Book for Girls gives sensitive straight talk on: the body's changing size and shape; the growth spurt; breast development; the reproductive organs; the menstrual cycle; body hair; diet and exercise; romantic and sexual feelings; and puberty in the opposite sex. It also includes information on anorexia and bulimia, sexually transmitted diseases, AIDS, and birth control. Featuring detailed

illustrations and real-life stories throughout, plus an introduction for parents and a helpful resource section, this bestselling growing-up is an essential puberty education and health book for all girls ages 10 and up. *What Will Happen to My Special Needs Child when I Am Gone* Mar 30 2021 Ever wondered what will happen to your Special Needs Child when you are gone? Has the thought of your Child's future kept you awake at night? Have you been fraught with worry thinking about your Child's employment and medical evaluations after you have passed away? If you have said yes to any of the questions above then this book "What will happen to my Special Needs Child when I am gone?" is for you. This book was born when the Author Susan Jules couldn't find a single resource that had all the answers at one place regarding her Child's future after she is no longer around. It took her 12 long months of long nights, social juggling, research and meetings, emails with attorneys, counselors, therapists, tax professionals, Social workers, financial advisors, and planners to get this book to fruition. This book answers all the questions regarding the child's care, development assessment, funding, treatments, employment, governmental benefits, estate planning, Life Insurance, Letter of Intent, Last Will and Testament, and more in a clear and concise manner. Take a look at a few of the testimonials from parents who have read this book. Forget Special Needs, this is a book which every family with a child should have and follow the instructions laid out, so that our children's lives are enriched long after we are gone, because at the end that is what you intend to accomplish - Amanda T from Trenton, Ohio. There are few books explaining the Path forward for Special Needs after the death of their parents and/or guardians. This book fills a real gap - Kimberly A from Fall River, Massachusetts. This book is extremely useful for families with neurotypical children and in families where there is a mixture of special needs and neuro-typical children. It is invaluable and provides solace and information - Michelle W from Woonsocket, Rhode Island. A book sorely needed in these challenging times. In fact, I was reminded of life's frailties during Covid Pandemic and I am glad this book helped me put my fears at ease - Tomer C from LA, California. Here's exactly what you get in the book

"What will happen to my Special Needs Child when I am gone?" Information about Legalities surrounding the care for special needs children. Broaching the topic of mortality with your special needs child. Issues that arise after the death of a parent. How to draw up your last Will and testament. How to do your Estate planning. How to draft a Letter of intent/written care plan. How to open a Special needs trust. How to set up Life Insurance. How do you document emergency contacts, medical data/history, accounts, and passwords? What kind of Legal protection do you need to have in place? How to Review your child's guardianship? How do you secure continued growth and development of your child? And much more This information has been presented in Bite-Sized portions so that it is easy for you to take action and get all the tasks completed. And lastly, and most importantly what you will get is PEACE OF MIND that your Child's Future would be SECURE and that they will be taken care of, long after you are gone. And your child will continue enjoying the SAME lifestyle he or she is used to. About the Author Susan Jules is a single parent and a mother of a 16-year-old Special Needs Child. She is very passionate about Special Needs Education and is quite involved in the activities of her child's school. She lives with her son and her dog Ranger on a small far

**This Can't Be Happening at Macdonald Hall!** Apr 23 2023 In the #1 New York Times–bestselling author’s first book, the troublemaking team of Bruno and Boots wages war—and school will never be the same. The basis for the movie now streaming on TubiTV Bruno and Boots are always in trouble. So the Headmaster, aka “The Fish” decides it would be best to separate them. Bruno must now room with ghoulish Elmer Dimsdale, plus his plants, goldfish, and ants. And Boots is stuck with nerdy, preppy, paranoid George Wexford-Smyth III. Of course, this means war. Because Bruno and Boots are determined to get their old room back, no matter what it takes. Praise for the Bruno & Boots series “Korman has a unique talent for creating genuinely funny, roll-on-the-floor, laugh-out-loud books. All of his many books are bestsellers, a testament to his popularity with kids.” —Quill & Quire “A hilarious series.” —Booklist “Korman’s vibrant dialogue and breakneck action are

the highlights of this merry romp . . . Laughs are as plentiful as [Bruno and Boots's] misadventures." —Publishers Weekly

**The Happiness Hypothesis** Sep 04 2021 "The most brilliant and lucid analysis of virtue and well-being in the entire literature of positive psychology. For the reader who seeks to understand happiness, my advice is: Begin with Haidt." —Martin E.P. Seligman, University of Pennsylvania and author of *Authentic Happiness* *The Happiness Hypothesis* is a book about ten Great Ideas. Each chapter is an attempt to savor one idea that has been discovered by several of the world's civilizations—to question it in light of what we now know from scientific research, and to extract from it the lessons that still apply to our modern lives and illuminate the causes of human flourishing. Award-winning psychologist Jonathan Haidt shows how a deeper understanding of the world's philosophical wisdom and its enduring maxims—like "do unto others as you would have others do unto you," or "what doesn't kill you makes you stronger"—can enrich and transform our lives.

*The Room Where It Happened* Aug 16 2022 As President Trump's National Security Advisor, John Bolton spent many of 453 days in the room where it happened, and the facts speak for themselves. The result is a "scathing and revelatory" (The New Yorker) White House memoir that is the most comprehensive and substantial account of the Trump Administration, and one of the few to date by a top-level official. With almost daily access to the President, John Bolton has produced a precise rendering of his days in and around the Oval Office. What Bolton saw astonished him: a President for whom getting reelected was the only thing that mattered, even if it meant endangering or weakening the nation. "I am hard-pressed to identify any significant Trump decision during my tenure that wasn't driven by reelection calculations," he writes. In fact, he argues that the House committed impeachment malpractice by keeping its prosecution focused narrowly on Ukraine when Trump's Ukraine-like transgressions existed across the full range of his foreign policy—and Bolton documents exactly what those were, and attempts by him and others in the Administration to raise alarms about them. He shows a President addicted to chaos, who embraced our

enemies and spurned our friends, and was deeply suspicious of his own government. In Bolton's telling, all this helped put Trump on the bizarre road to impeachment. "The differences between this presidency and previous ones I had served were stunning," writes Bolton, who worked for Reagan, Bush 41, and Bush 43. He discovered a President who thought foreign policy is like closing a real estate deal—about personal relationships, made-for-TV showmanship, and advancing his own interests. As a result, the US lost an opportunity to confront its deepening threats, and in cases like China, Russia, Iran, and North Korea ended up in a more vulnerable place. Bolton's "first tell-all memoir by such a high-ranking official" (The New York Times) starts with his long march to the West Wing as Trump and others woo him for the National Security job. The minute he lands, he has to deal with Syria's chemical attack on the city of Douma, and the crises after that never stop. As he writes in the opening pages, "If you don't like turmoil, uncertainty, and risk—all the while being constantly overwhelmed with information, decisions to be made, and sheer amount of work—and enlivened by international and domestic personality and ego conflicts beyond description, try something else." The turmoil, conflicts, and egos are all there—from the upheaval in Venezuela, to the erratic and manipulative moves of North Korea's Kim Jong Un, to the showdowns at the G7 summits, the calculated warmongering by Iran, the crazy plan to bring the Taliban to Camp David, and the placating of an authoritarian China that ultimately exposed the world to its lethal lies. But this seasoned public servant also has a great eye for the Washington inside game, and his story is full of wit and wry humor about how he saw it played.

[What's Happening in the Mathematical Sciences](#) Nov 30 2023

Mathematicians like to point out that mathematics is universal. In spite of this, most people continue to view it as either mundane (balancing a checkbook) or mysterious (cryptography). This fifth volume of the *What's Happening* series contradicts that view by showing that mathematics is indeed found everywhere—in science, art, history, and our everyday lives. Here is some of what you'll find in this volume: Mathematics and Science Mathematical biology: Mathematics was key to cracking the genetic code.

Now, new mathematics is needed to understand the three-dimensional structure of the proteins produced from that code. Celestial mechanics and cosmology: New methods have revealed a multitude of solutions to the three-body problem. And other new work may answer one of cosmology's most fundamental questions: What is the size and shape of the universe? Mathematics and Everyday Life Traffic jams: New models are helping researchers understand where traffic jams come from—and maybe what to do about them! Small worlds: Researchers have found a short distance from theory to applications in the study of small world networks. Elegance in Mathematics Beyond Fermat's Last Theorem: Number theorists are reaching higher ground after Wiles' astounding 1994 proof: new developments in the elegant world of elliptic curves and modular functions. The Millennium Prize Problems: The Clay Mathematics Institute has offered a million dollars for solutions to seven important and difficult unsolved problems. These are just some of the topics of current interest that are covered in this latest volume of *What's Happening in the Mathematical Sciences*. The book has broad appeal for a wide spectrum of mathematicians and scientists, from high school students through advanced-level graduates and researchers.

*My Body, My Self for Girls* Mar 03 2024 What's happening to my body? Is this normal? This fact-filled journal and activity book makes it fun for girls to find answers to their many questions about the physical and emotional changes that accompany puberty. With quizzes, checklists, games, and illustrations throughout, *My Body, My Self for Girls* also includes journal pages and lots of personal stories addressing girls' concerns, experiences, and feelings during this new stage of their lives.

*The Luminaries* Jun 13 2022 The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk.

Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

**Norwegian Wood** Dec 20 2022 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

*Something Happened in Our Park* Apr 11 2022 This important follow-up to the bestselling, groundbreaking, and inspiring *Something Happened in Our Town*, is a much-needed story to help communities in the aftermath of gun violence. When Miles's cousin Keisha is injured in a shooting, he realizes people can work together to reduce the likelihood of violence in their community. With help from friends and family, Miles learns to use his imagination and creativity to help him cope with his fears. This book can help provide parents with helpful messages of reassurance and empowerment. Includes an extensive Note to Parents and Caregivers with guidelines for discussing community gun violence with children, and sample dialogues. **Something Happened to My Dad** Jan 01 2024 In this realistic and empowering tale, Carmen learns that through community and love, she can find strength in herself and maintain her connection with her Papi, who has been detained because of his immigration status. Also available in a Spanish edition, *Algo Le Pasó A Mi Papá: Una Historia Sobre Inmigración y la Separación Familiar* ISBN 9781433839504. Carmen loves doing magic with her Papi. He can make sarapes fly. He can make rabbits vanish! But one day, her Papi vanishes. She is sad and scared when she learns he has been detained because he is an undocumented immigrant from Mexico. At first, Carmen's family keeps Papi's detention a secret, fearing that they might be judged negatively. As Carmen's community becomes aware of their situation, they rally around her family with love. Carmen learns she can find strength in herself and maintain her connection with Papi, no matter what happens. The *Something Happened* books present and explain sensitive and important events happening in communities across the United States and around the world. Told in clear, compelling stories, the books come with the authority of psychological expertise from the American Psychological Association. They include *Something Happened in Our Town: A Child's Story of Racial Injustice*, which is a New York Times and #1 IndieBound bestseller, and one of ALA's most banned books; *Something Happened in Our Park: Standing Together After Gun Violence*, which was nominated for The Goddard Riverside CBC Youth Book Prize for Social Justice; and *Something Happened to My Dad: A Story About Immigration and Family Separation*.

*What's Happening to My Body? Book for Boys* Jul 07 2024 The "What's Happening to My Body?" Book for Boys Written by an experienced educator and her daughter in a reassuring and down-to-earth style, *The "What's Happening to My Body?" Book for Boys* gives sensitive straight talk on: the body's changing size and shape; diet and exercise; the growth spurt; the reproductive organs; body hair; voice changes; romantic and sexual feelings; and puberty in the opposite sex. It also

includes information on steroid abuse, acne treatment, sexually transmitted diseases, AIDS, and birth control. Featuring detailed illustrations and real-life stories throughout, plus an introduction for parents and a helpful resource section, this bestselling growing-up guide is an essential puberty education and health book for all boys ages 10 and up.

**The Dangerous Book for Boys** May 13 2022 The bestselling book for every boy from eight to eighty, covering essential boyhood skills such as building tree houses\*, learning how to fish, finding true north, and even answering the age old question of what the big deal with girls is. In this digital age there is still a place for knots, skimming stones and stories of incredible courage. This book recaptures Sunday afternoons, stimulates curiosity, and makes for great father-son activities. The brothers Conn and Hal have put together a wonderful collection of all things that make being young or young at heart fun—building go-carts and electromagnets, identifying insects and spiders, and flying the world's best paper airplanes. The completely revised American Edition includes: *The Greatest Paper Airplane in the World* *The Seven Wonders of the Ancient World* *The Five Knots Every Boy Should Know* *Stickball* *Slingshots* *Fossils* *Building a Treehouse\** *Making a Bow and Arrow* *Fishing* (revised with US Fish) *Timers and Tripwires* *Baseball's "Most Valuable Players"* *Famous Battles-Including Lexington and Concord, The Alamo, and Gettysburg* *Spies-Codes and Ciphers* *Making a Go-Cart* *Navajo Code Talkers' Dictionary* *Girls* *Cloud Formations* *The States of the U.S.* *Mountains of the U.S.* *Navigation* *The Declaration of Independence* *Skimming Stones* *Making a Periscope* *The Ten Commandments* *Common US Trees* *Timeline of American History* \* For more information on building treehouses, visit [www.treehouse-books.com](http://www.treehouse-books.com) and [www.stilesdesigns.com](http://www.stilesdesigns.com) or see "Treehouses You Can Actually Build" by David Stiles

*Influential Woman* Jul 03 2021 A powerful clarion call for women leaders to harness their faith to transform the world of business—and cultivate a more diverse, supportive system for all Women around the globe are being divinely called to change the world of business with a new kind of

leadership. It's time for us to wake up and prepare for the challenge. Why are we still seeing gender pay gaps and a lack of diversity in our workforces? We all know these systemic inequalities persist, so why haven't we fixed them yet? Dion Johnson has excelled in her field as a black woman in a white man's world; facially disfigured in a beauty-obsessed world; a devoted Christian in a secular world. She knows first-hand how unequal the system can be. In 2013, Dion, led by God, began challenging women leaders to respond to the call to show up, speak up and shake things the hell up in their industry. Since then, Dion has served passionately as a strategic ally supporting women to evolve, rise above leadership challenges, and be more influential in their role. In this book she offers a development framework for senior leaders who want to initiate hard change without sabotaging their health or self-esteem. Influential Woman has the power to spark a revolution in the way we lead and do business—to make the marketplace a force for love, justice and equality. We are influential women and now is our time to rise up and take action!

The Silent Patient Jan 09 2022 **\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the

opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

**Everything Happens for a Reason** Feb 19 2023 NEW YORK TIMES BESTSELLER • "A meditation on sense-making when there's no sense to be made, on letting go when we can't hold on, and on being unafraid even when we're terrified."—Lucy Kalanithi "Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi's *When Breath Becomes Air* and Atul Gawande's *Being Mortal*."—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty-five, everything in her life seems to point toward "blessing." She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with "a surge of determination." Even as this type of Christianity celebrates the American can-do spirit, it implies that if you "can't do" and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. *Everything Happens for a Reason* tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* "I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and

gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising

**How to Break Up with Your Phone** Oct 06 2021 Packed with tested strategies and practical tips, this book is the essential, life-changing guide for everyone who owns a smartphone. Is your phone the first thing you reach for in the morning and the last thing you touch before bed? Do you frequently pick it up “just to check,” only to look up forty-five minutes later wondering where the time has gone? Do you say you want to spend less time on your phone—but have no idea how to do so without giving it up completely? If so, this book is your solution. Award-winning journalist Catherine Price presents a practical, hands-on plan to break up—and then make up—with your phone. The goal? A long-term relationship that actually feels good. You’ll discover how phones and apps are designed to be addictive, and learn how the time we spend on them damages our abilities to focus, think deeply, and form new memories. You’ll then make customized changes to your settings, apps, environment, and mindset that will ultimately enable you to take back control of your life.

*Sometimes I Lie* Nov 18 2022 My name is Amber Reynolds. There are three things you should know about me: 1. I’m in a coma. 2. My husband doesn’t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can’t move. She can’t speak. She can’t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn’t remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

*Change* Jul 15 2022 How to create the change you want to see in the world using the paradigm-busting ideas in this "utterly fascinating" (Adam Grant) big-idea book. Most of what we know about how ideas spread comes from bestselling authors who give us a compelling picture

of a world, in which "influencers" are king, "sticky" ideas "go viral," and good behavior is "nudged" forward. The problem is that the world they describe is a world where information spreads, but beliefs and behaviors stay the same. When it comes to lasting change in what we think or the way we live, the dynamics are different: beliefs and behaviors are not transmitted from person to person in the simple way that a virus is. The real story of social change is more complex. When we are exposed to a new idea, our social networks guide our responses in striking and surprising ways. Drawing on deep-yet-accessible research and fascinating examples from the spread of coronavirus to the success of the Black Lives Matter movement, the failure of Google+, and the rise of political polarization, *Change* presents groundbreaking and paradigm-shifting new science for understanding what drives change, and how we can change the world around us.

*Severance* May 25 2023 Maybe it’s the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma’s offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring."  
—Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*." --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR \* The New Yorker ("Books We Loved") \* Elle \* Marie Claire \* Amazon Editors \* The Paris Review (Staff Favorites) \* Refinery29 \* Bustle \* BuzzFeed \* BookPage \* Bookish \* Mental Floss \* Chicago Review of Books \* HuffPost \* Electric Literature \* A.V. Club \* Jezebel \* Vulture \* Literary Hub \* Flavorwire Winner of the NYPL Young Lions Fiction Award \* Winner of the Kirkus Prize for Fiction \* Winner of the VCU Cabell First Novelist Award \* Finalist for the PEN/Hemingway Award for Debut Novel \* A New York Times Notable Book of 2018 \* An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she’s had her fill of uncertainty. She’s content just to carry on: She goes to work, troubleshoots the teen-targeted *Gemstone Bible*, watches movies in a

Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

**When Bad Things Happen to Good People** Jun 01 2021 Offers an inspirational and compassionate approach to understanding the problems of life, and argues that we should continue to believe in God's fairness.

**Ready, Set, Grow!** Feb 27 2021 Ready, Set, Grow! In her uniquely warm and funny style, Lynda wrote this entirely new book especially for younger girls to give them what they need to know to celebrate and accept the new and exciting changes that are happening to their bodies during puberty. Illustrated with delightful drawings, Ready, Set, Grow! is the sixth book in the popular Madaras "What's Happening to My Body?" series of growing-up books for girls and boys. Praised by parents, teachers, nurses, doctors, and especially kids, the bestselling "What's Happening to My Body?" books for older girls and boys are on the "Best Books for Young Adults" list from the American Library Association, and have been translated into 12 languages. Over 2,000,000 copies of the "What's Happening to My Body?" series are in print.
