Up the chimney roared the fire, and brightened the room with its broad blaze. The faces of the father and mother had a sober gladness; the children laughed; the eldest daughter was the image of Happiness at seventeen; and the aged grandmother who sat knitting in the warmest place, was the image of Happiness grown old. was an American novelist, a dark romantic, and short story writer. Set in seventeenth-century Massachusetts, Hawthorne's *The Scarlet Letter* was originally subtitled "a romance," though its themes include the limits of law, the power of religion, and the nature of sin. The red letter "A" on her dress marks young mother Hester Prynne among her Puritan neighbors, who demand to know who fathered her child. Rumors swirl, but she is shunned and shamed. Hester keeps her secret for years, until a guilt-ridden confession reveals the truth, with unexpected consequences. *The Scarlet Letter* by American author Nathaniel Hawthorne was published in 1850. This work of historical fiction is considered to be a masterpiece of American literature and a classic moral study. Set in 17th-century Puritan Massachusetts Bay Colony from 1642 to 1649, the novel tells the story of Hester Prynne, who conceives a daughter through an affair and refuses to reveal her lover's

identity. Hester believes herself to be a widow, but her husband, Roger Chillingworth, returns to New England very much alive and conceals his identity. He finds his wife forced to wear the scarlet letter A on her dress as punishment for her sin and her secrecy. Chillingworth becomes obsessed with finding the identity of his wife's former lover. Hester struggles to create a new life of repentance and dignity. When it's revealed that her lover is a saintly young minister, Dimmesdale, who is the leader of those exhorting her to name the child's father, he is tormented until stricken by guilt, becomes ill and publicly confesses his adultery before dying in Hester's arms. Hester herself is revealed to be a self-reliant heroine who is never truly repentant for committing adultery with the minister and feels that their act was consecrated by their deep love for each other. She begins a new life with her daughter in Europe and years later upon her return to New England, she continues to wear the scarlet

letter. After her death she is buried next to Dimmesdale and on their joint tombstone is a description of the scarlet A. The Scarlet Letter, published in 1850, is an American novel written by Nathaniel Hawthorne and is generally considered to be his magnum opus. Set in 17th-century Puritan Boston, it tells the story of Hester Prynne, who gives birth after committing adultery, refuses to

name the father, and struggles to create a new life of repentance and dignity. Throughout the novel, Hawthorne explores questions of grace, legalism, sin and guilt. It is 1642 in the Puritan town of Boston. Hester Prynne has been found guilty of adultery and has born an illegitimate child. In lieu of being put to death, she is condemned to wear the scarlet letter A on her dress as a reminder of her shameful act. Hester's husband had been lost at sea years earlier and was presumed dead, but now reappears in time to witness Hester's humiliation on the town scaffold. Upon discovering her deed, the vengeful husband becomes obsessed with finding the identity of the man who dishonored his wife. To do so he assumes a false name, pretends to be a physician and forces Hester keep his new identity secret. Meanwhile Hester's lover, the beloved Reverend Dimmesdale, publicly pressures her to name the child's father, while secretly

praying that she will not. Hester defiantly protects his identity and reputation, even while faced with losing her daughter, Pearl. Hailed by Henry James as, "the finest piece of imaginative writing yet put forth in the country," Hawthorne's *The Scarlet Letter* is a masterful portrayal of humanity's continuing struggle with sin, guilt and pride. In seventeenth-century Boston, Hester Prynne shoulders the scorn of her fellow Puritan townsfolk for bearing a child out of wedlock, and for her refusal to name the father of her daughter Pearl, Hester is made to wear a scarlet 'A' stitched conspicuously upon her dress. A gripping tale of secret sin and ruthless revenge. knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, *The Color of Water* is an eloquent exploration of what family really means.
