Life Stories Pro From The New Yorker David Remnick

Life Stories David Remnick, 2007-12-18 One of art's purest challenges is to translate a human being into words. The New Yorker has met this challenge more successfully and more originally than any other modern American journal. It has indelibly shaped the genre known as the Profile. Starting with light fantastic evocations of glamorous and idiosyncratic figures of the twenties and thirties such as Henry Luce and Isadora Duncan and continuing to the present with complex pictures of such contemporaries as Mikhail Baryshnikov and Richard Pryor, this collection of New Yorker Profiles presents readers with a portrait gallery of some of the most prominent figures of the twentieth century. These Profiles are literary journalistic investigations into character and accomplishment, motive and madness, beauty and ugliness, and are unrivalled in their range, their variety of style, and their embrace of humanity. Including these twenty-eight profiles: Mr. Hunter's Grave by Joseph Mitchell, Secrets of the Magus by Mark Singer, Isadora by Janet Flanner, The Soloist by Joan Acocella, Time Fortune Life Luce by Walcott Gibbs, Nobody Better Than Nobody by Ian Frazier, The Mountains of Pi by Richard Preston, Covering the Cops by Calvin Trillin, Travels in Georgia by John McPhee, The Man Who Walks on Air by Calvin Tomkins, A House on Gramercy Park by Geoffrey Hellman, How Do You Like It Now, Gentlemen by Lillian Ross, The Education of a Prince by Alva Johnston, White Like Me by Henry Louis Gates Jr., Wunderkind by A.J. Liebling, Fifteen Years of The Salto Mortale by Kenneth Tynan, The Duke in His Domain by Truman Capote, A Pryor Love by Hilton Als, Gone for Good by Roger Angell, Lady with a Pencil by Nancy Franklin, Dealing with Roseanne by John Lahr, The Coolhunt by Malcolm Gladwell, Man Goes to See a Doctor by Adam Gopnik, Show Dog by Susan Orlean, Forty-One False Starts by Janet Malcolm, The Redemption by Nicholas Lemann, Gore Without a Script by Nicholas Lemann, Delta Nights by Bill Buford.

Politics Hendrik Hertzberg, 2005-06-28 Cause for jubilation! One of America's wisest and most necessary voices has distilled what he knows about politics, broadly speaking, into one magnificent volume. Here at last are Henrik Hertzberg's most significant, hilarious, and devastating dispatches from the American scene he has chronicled for four decades with an uncanny blend of moral seriousness, high spirits, and perfect rhetorical pitch. *Politics* is at once the story of American life from LBJ to GWB and a testament to the power of the written word in the right hands. In those hands, politics encompasses everyone from Jerry Garcia to Rush Limbaugh, every place from New Hampshire to Nicaragua, and everything from Playboy vs. Penthouse to Bush vs. Gore. Hendrik Hertzberg breaks down American politics into its component parts: campaigns, debates, rhetoric, the media wars, cultural, countercultural, and real high crimes and misdemeanors, the right and more. Each section begins with a new piece of writing framing the subject at hand and contains the choicest, most illuminating pieces from his body of work. *Politics* is a tour of the defining moments of American life from the mid-60s till the mid-00s, a ride through recent American history with one of the most insightful and engaging guides imaginable: a writer who consistently makes us see more clearly and feel more deeply. *Politics* is invaluable.

Language They Understand Nathan Thrall, 2017-05-16 In a myth busting analysis of the world's most intractable conflict a star of Middle East reporting argues that only one weapon has yielded progress confrontation Scattered over the territory between the Jordan River and the Mediterranean Sea lie the remnants of failed peace proposals international summits secret negotiations UN resolutions and state building efforts The conventional story is that these well meaning attempts at peacemaking were repeatedly thwarted by the use of violence Through a rich interweaving of reportage historical narrative and forceful analysis Nathan Thrall presents a startling counter history He shows that Israelis and Palestinians have persistently been marching toward partition but not through the high politics of diplomacy or the incremental building of a Palestinian state In fact negotiation collaboration and state building the prescription of successive American administrations have paradoxically entrenched the conflict in multiple ways They have created the illusion that a solution is at hand lessened Israel's incentives to end its control over the West Bank and Gaza and undermined Palestinian unity Ultimately it is those who have embraced confrontation through boycotts lawsuits resolutions imposed by outside powers protests civil disobedience and even violence who have brought about the most significant change Published as Israel's occupation of East Jerusalem the West Bank and Gaza reaches its fiftieth year which is also the centenary of the Balfour Declaration that first promised a Jewish national home in Palestine *The Only Language They Understand* advances a bold thesis that shatters ingrained positions of both left and right and provides a new and eye opening understanding of this most vexed of lands

The Age of Movies: Selected Writings of Pauline Kael Pauline Kael,2011-10-27 A master film critic is at her witty exhilarating and opinionated best in this career spanning collection featuring pieces on Bonnie and Clyde The Godfather and other modern movie classics Film criticism is exciting just because there is no formula to apply Pauline Kael once observed just because you must use everything you are and everything you know Between 1968 and 1991 as regular film reviewer for The New Yorker Kael used those formidable tools to shape the tastes of a generation She had a gift for capturing with force and fluency the essence of an actor s gesture or the full implication of a cinematic image Kael called movies the most total and encompassing art form we have and her reviews became a platform for considering both film and the worlds it engages crafting in the process a prose style of extraordinary wit precision and improvisatory grace Her ability to evoke the essence of a great artist an Orson Welles or a Robert Altman or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self deceptions of a corrupt movie industry Here are her appraisals of era defining films such as Breathless Bonnie and Clyde The Leopard The Godfather Last Tango in Paris Nashville along with many others some awaiting rediscovery all providing the occasion for masterpieces of observation and insight alive on every page

A Pitcher's Story Roger Angell,2008-12-14 Baseball s best writer offers an extraordinarily candid and thorough exploration of the inner craft of pitching from one of the game s best David Cone There is no big league pitcher who is more respected for his skill than David Cone In his stellar career Cone has won multiple championships and countless professional accolades Along the way the perennial all star has had to adjust to five different ballclubs recover from a career threatening arm aneurysm cope with the lofty expectations that are standard

for the games highest paid players and overcome a humbling three month eight game losing streak in the summer of 2000 Cone granted exclusive and unlimited access to baseballs most respected writer Roger Angell of the New Yorker The result is just what baseball fans everywhere would expect from Angell an extraordinary inside account of a superstar [The Crisis of Zionism](#) Peter Beinart,2012 A dramatic shift is taking place in Israel and America In Israel the deepening occupation of the West Bank is putting Israeli democracy at risk In the United States the refusal of major Jewish organisations to defend democracy in the Jewish state is alienating many young liberal Jews from Zionism itself In the next generation the liberal Zionist dream the dream of a state that safeguards the Jewish people and cherishes democratic ideals may die In [The Crisis of Zionism](#) Peter Beinart lays out in chilling detail the looming danger to Israeli democracy and the American Jewish establishment s refusal to confront it And he offers a fascinating groundbreaking portrait of the two leaders at the centre of the crisis Barack Obama America s first Jewish president a man steeped in the liberalism he learned from his many Jewish friends and mentors in Chicago and Benjamin Netanyahu the Israeli prime minister who considers liberalism the Jewish people s special curse These two men embody fundamentally different visions not just of American and Israeli national interests but of the mission of the Jewish people itself Beinart concludes with provocative proposals for how the relationship between American Jews and Israel must change and with an eloquent and moving appeal for American Jews to defend the dream of a democratic Jewish state before it is too late [The Israel Lobby and U.S. Foreign Policy](#) John J. Mearsheimer,Stephen M. Walt,2007-09-04 Originally published in 2007 [The Israel Lobby and U S Foreign Policy](#) by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard s John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America s posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America s national interest nor Israel s long term interest The lobby s influence also affects America s relationship with important allies and increases dangers that all states face from global jihadist terror The publication of [The Israel Lobby and U S Foreign Policy](#) led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy
