Henry's Sisters Cathy Lamb

Henry's Sisters Cathy Lamb, 2009-07-28 An emergency homecoming forces three sisters to deal with issues they'd rather ignore in this touching novel by the author of *All About Evie*. Ever since the Bommarito sisters were little girls their mother River has written them a letter on pink paper when she has something especially important to impart. This time the message is urgent: River requires open heart surgery and Isabelle and her sisters are needed at home to run the family bakery and care for their brother and ailing grandmother. Isabelle has worked hard to leave Trillium River, Oregon behind as she travels the globe taking award-winning photographs. Still she and her sisters Cecilia, an outspoken kindergarten teacher, and Janie, a bestselling author, share a deep loving bond. And all of them adore their brother Henry, whose disabilities haven't stopped him from helping at the bakery and bringing good cheer to everyone in town. But going home again forces open the secrets and hurts the Bommaritos would rather keep tightly closed: Isabelle's fleeting relationships, Janie's obsessive compulsive disorder, and Cecilia's plans to get even with her cheating ex-husband. Now working together, Isabelle and her sisters begin to find answers to questions they never knew existed, unexpected ways to salve their childhood wounds, and the courage to grasp surprising new chances at happiness. As irresistible as one of the Bommaritos' giant cupcakes, *Henry's Sisters* is a novel about family and forgiveness, mothers and daughters, and gaining the wisdom to look ahead while still holding onto everything that matters most. This finely pitched family melodrama is balanced with enough gallows humor and idiosyncratic characters to make it positively irresistible. Publishers Weekly

The Language of Sisters Cathy Lamb, 2016-08-30 A family of Russian refugees juggles their haunting past with their challenging present in this novel by the author of *My Very Best Friend*. Sometimes Toni Kozlovsky and her sisters know what each other is thinking just when they need it most. Since Toni, Valerie, and Ellie were little girls growing up in Communist Russia, their parents have insisted it's simply further proof that the Kozlovskys are special and different. Now a reporter, Toni lives on a yellow tugboat on Oregon's Willamette River. As far as her parents are concerned, the pain of their old life and their dangerous escape should remain buried in the Moscow they left behind, as should the mysterious past of their adopted brother Dmitry. But lately Toni's talent for putting on a smile isn't enough to keep memories at bay. Valerie, a prosecuting attorney, wages constant war against the wrongs she could do nothing about as a child. Youngest sister Ellie is engaged to marry an Italian, breaking her mother's heart in the process. Toni fears she's about to lose her home while the hard-edged DEA agent down the dock keeps trying to break through her reserve. Meanwhile, beneath the culture clashes and endearing quirks within her huge, noisy, loving family are deeper secrets that Toni has sworn to keep, even from the one person she longs to help most. Lamb draws readers into the embrace of Toni's eccentric and loud extended family, who inject regular bouts of humor into the story while their love for one another is palpable. The joy of this intricate story is following these characters and their warm and compelling development. Library Journal

Remember Most Cathy Lamb, 2014-08-26 After her husband's betrayal an artist tries to reinvent herself in small town Oregon in this novel by the author of *If You Could See What I See* Grenadine Scotch Wild has only vague memories of the parents she last saw when she was six years old But she's never forgotten their final panicked words to her urging Grenadine to run The mystery of their disappearance is just one more frayed strand in a life that has lately begun to unravel completely One year into her rocky marriage to Covey a well known investor he's arrested for fraud and embezzlement And Grenadine now a successful collage artist and painter is facing jail time despite her innocence With Covey refusing to exonerate her unless she comes back to him Grenadine once again takes the advice given to her so long ago she runs Hiding out in a mountain town in central Oregon until the trial she finds work as a bartender and as assistant to a furniture maker who is busy rebuilding his own life But even far from everything she knew Grenadine is granted a rare chance as potentially liberating as it is terrifying to face down her past her fears and live a life as beautiful and colorful as one of her paintings
