Pitch Dark Renata Adler, 2025-06-05 Imaginative intelligent and original Elizabeth Hardwick A bright kaleidoscope of a book Anne Tyler Two things hold Pitch Dark together and give it speed and magic The first is Miss Adler's gift for language and observation and the second is her willingness to write candidly even rawly about emotions New York Times It's perfect and prescient a tremendously influential book Chris Kraus Slate What's new What else What next What's happened here Pitch Dark is a book about love Kate Ennis is poised at a critical moment in an affair with a married man The complications and contradictions pursue her from a house in rural Connecticut to a brownstone apartment in New York City to a small island off the coast of Washington to a pitch black night in backcountry Ireland Composed in the style of Renata Adler's celebrated novel Speedboat and displaying her keen journalist's eye and mastery of language both simple and sublime Pitch Dark is a bold and astonishing work of art With an introduction by Muriel Spark A W N Essential [Pitch Dark](#) Renata Adler, 2013-03-19 A strange thrilling novel about desperate love paranoia and heartbreak by one of America's most singular writers What's new What else What next What's happened here Pitch Dark is a book about love Kate Ennis is poised at a critical moment in an affair with a married man The complications and contradictions pursue her from a house in rural Connecticut to a brownstone apartment in New York City to a small island off the coast of Washington to a pitch black night in backcountry Ireland Composed in the style of Renata Adler's celebrated novel Speedboat and displaying her keen journalist's eye and mastery of language both simple and sublime Pitch Dark is a bold and astonishing work of art

[Speedboat](#) Renata Adler, 2013-03-19 Winner of the Hemingway Foundation PEN Award this is one of the defining books of the 1970s an experimental novel about a young journalist trying to navigate life in America When Speedboat burst on the scene in the late 70s it was like nothing readers had encountered before It seemed to disregard the rules of the novel but it wore its unconventionality with ease Reading it was a pleasure of a new unexpected kind Above all there was its voice ambivalent curious wry the voice of Jen Fain a journalist negotiating the fraught landscape of contemporary urban America Party guests taxi drivers brownstone dwellers professors journalists presidents and debutantes fill these dispatches from the world as Jen finds it A touchstone over the years for writers as different as David Foster Wallace and Elizabeth Hardwick

Speedboat returns to enthrall a new generation of readers *After the Tall Timber* Renata Adler, 2015-04-07 What is really going on here For decades Renata Adler has been asking and answering this question with unmatched urgency In her essays and long form journalism she has captured the cultural zeitgeist distrusted the accepted wisdom and written stories that would otherwise go untold As a staff writer at The New Yorker from 1963 to 2001 Adler reported on civil rights from Selma Alabama on the war in Biafra the Six Day War and the Vietnam War on the Nixon impeachment inquiry and Congress on cultural life in Cuba She has also written about cultural matters in the United States films as chief film critic for The New York Times books politics television and pop music Like many journalists she has put herself in harm s way in order to give us the news not the news we have become accustomed to celebrity journalism conventional wisdom received ideas but the actual story an account unfettered by ideology or consensus She has been unafraid to speak up when too many other writers have joined the pack In this sense Adler is one of the few independent journalists writing in America today This collection of Adler s nonfiction draws on *Toward a Radical Middle* a selection of her earliest New Yorker pieces *A Year in the Dark* her film reviews and *Canaries in the Mineshaft* a selection of essays on politics and media and also includes uncollected work from the past two decades The more recent pieces are concerned with in her words misrepresentation coercion and abuse of public process and to a degree the journalist s role in it With a brilliant literary and legal mind Adler parses power by analyzing language the language of courts of journalists of political figures of the man on the street In doing so she unravels the tangled narratives that pass for the resolution of scandal and finds the threads that others miss the ones that explain what really is going on here from the Watergate scandal to the preposterous Kenneth Starr report submitted to the House during the Clinton impeachment inquiry to the plagiarism and fabrication scandal of the former New York Times reporter Jayson Blair And she writes extensively about the Supreme Court and the power of its rulings including its fateful decision in *Bush v Gore*

[Sleepless Nights](#) Elizabeth Hardwick, 2011-07-13 In *Sleepless Nights* a woman looks back on her life the parade of people the shifting background of place and assembles a scrapbook of memories reflections portraits letters wishes and dreams An inspired fusion of fact and invention this beautifully realized hard bitten lyrical book is not only Elizabeth Hardwick s finest fiction but one of the outstanding contributions to American literature of the last fifty years

Gone Renata Adler, 2011-09-10 From a legendary journalist and star writer at The New Yorker one of the most revered institutions in publishing an insider s look at the magazine s tumultuous yet glorious years under the direction of the enigmatic William Shawn Renata Adler went to work at The New Yorker in 1963 and immediately became part of the circle close to editor William Shawn a man so mysterious that no two biographies of him seem to be about the same person Now Adler herself an unrivaled literary force offers her brilliant take on the man and the myth that is The New Yorker disputing recent memoirs by Lillian Ross and Ved Mehta along the way With her lucid prose meticulous eye for detail and genuine love of The New Yorker Adler re creates thirty years in its history and depicts Shawn as a man of robust common sense amazing industry and

editorial genius who nurtured innumerable major talents and egos to produce a magazine that was and remains unique Her ensemble cast all involved in legendary friendships feuds and love affairs includes Edmund Wilson S N Behrman Brendan Gill Calvin Trillin Dwight MacDonal Donald Barthelme Hannah Arendt Pauline Kael S I Newhouse Robert Gottlieb Tina Brown and practically everyone of note in and around The New Yorker Above and beyond the fascinating literary anecdotes however Adler s is a striking narrative that follows the weakening of Shawn s hold over the magazine he loved his reluctant attempts to find a successor and the coup by which he was ultimately overthrown It is a wonderful piece of reporting full of real life drama of Shakespearean dimensions which Shawn himself surely would have loved **Canaries in the Mineshaft** Renata Adler,2001-08-25 From the civil war in Biafra to the Kent State shootings to Watergate to Monica Lewinsky one of the most brilliant polemicists writing today examines the increasing interpenetration of politics and media and what it means for the future of democracy in America Irreparable Harm Renata Adler,2004 What really happened in the 2000 presidential election and can it happen again It was the most tumultuous and uncertain transition of power in the history of the United States and yet to most Americans what really happened in the 2000 presidential election remains unclear something went wrong in Florida but the Supreme Court cleared it up and then er everyone was happy right But who actually won the Florida vote recount What exactly did the Supreme Court decide Was there truly no dissent What role did the mass media play In Irreparable Harm Renata Adler the long time star of The New Yorker magazine who is also an attorney and a life long Republican takes a blistering look at the Bush v Gore Supreme Court decision and uncovers numerous problems including instances where the judges mis cited their own previous decisions or reversed them Irreparable Harm is one of three hard hitting books published by Melville House The Road to Illegitimacy Irreparable Harm and The Big Chill that take a close look at the 2000 election based on three pieces of investigative journalism originally filed at the time by three of the country s top journalists These three insightful books are riveting history But more importantly they may help troubled Americans with one of the most pressing questions we face Can it happen again Self-Portrait in the Dark Colette Bryce,2010-11-23 The dark attunes our eyes to detail the light can sometimes conceal similarly Colette Bryce s new poems are slant tellings that reveal strange and true reflections Using a wide range of imaginative strategies Bryce examines the ways in which time is held space enclosed and a life framed and given meaning a face in a broken mirror a spider trapped under a glass or a stolen kiss in a car wash Bryce s two previous prize winning collections were widely admired for their marvellously seductive music and their speed of thought Self Portrait in the Dark widens and deepens the poet s scope and is her most emotionally compelling collection to date Praise for The Full Indian Rope Trick Bryce s poems sensitive as the needle that registers some distant earth tremor are delicately poised Bryce s vision is questing disquieting dark as she seeks out the truths of life and love that transform the human heart This is a confident complex subversive collection that shows us the magic by which one becomes a mature poet The Times Wittgenstein's Mistress David Markson,1989 Wittgenstein s Mistress is a novel unlike anything

David Markson or anyone else has ever written before It is the story of a woman who is convinced and astonishingly will ultimately convince the reader as well that she is the only person left on earth **The Accidental Life** Terry McDonell, 2017-07-11 An Amazon Best Book of 2016 A celebration of the writing and editing life as well as a look behind the scenes at some of the most influential magazines in America and the writers who made them what they are You might not know Terry McDonell but you certainly know his work Among the magazines he has top edited Outside Rolling Stone Esquire and Sports Illustrated In this revealing memoir McDonell talks about what really happens when editors and writers work with deadlines ticking or drinks on the bar His stories about the people and personalities he s known are both heartbreaking and bitingly funny playing acid golf with Hunter S Thompson practicing brinksmanship with David Carr and Steve Jobs working the European fashion scene with Liz Tilberis pitching TV pilots with Richard Price Here too is an expert s practical advice on how to recruit and keep high profile talent what makes a compelling lede how to grow online traffic that translates into dollars and how in whatever format on whatever platform a good editor really works and what it takes to write well Taking us from the raucous days of New Journalism to today s digital landscape McDonell argues that the need for clear storytelling from trustworthy news sources has never been stronger Says Jeffrey Eugenides Every time I run into Terry I think how great it would be to have dinner with him Hear about the writers he s known and edited over the years what the magazine business was like back then how it s changed and where it s going inside info about Edward Abbey Jim Harrison Annie Proulx old New York and the Swimsuit issue That dinner is this book **Democracy** Joan Didion, 1995-04-25 From the bestselling award winning author of The Year of Magical Thinking and Let Me Tell You What I Mean a gorgeously written bitterly funny look at the relationship between politics and personal life Moving deftly between romance farce and tragedy from 1970s America to Vietnam to Jakarta Democracy is a tour de force from a writer who can dissect an entire society with a single phrase Inez Victor knows that the major casualty of the political life is memory But the people around Inez have made careers out of losing track Her senator husband wants to forget the failure of his last bid for the presidency Her husband s handler would like the press to forget that Inez s father is a murderer And in 1975 America is doing its best to lose track of its one time client the lethally hemorrhaging republic of South Vietnam As conceived by Joan Didion these personages and events constitute the terminal fallout of democracy a fallout that also includes fact finding junkets senatorial groupies the international arms market and the Orwellian newspeak of the political class Toward a Radical Middle Renata Adler, 1970

When the Lights Go Down Pauline Kael, 1980 A number of the movies she reviews have gay characters and quite a number of the actors Rock Hudson Sir John Gielgud are gay P Thorslev **Cruddy** Lynda Barry, 2001-02-21 On a September night in 1971 a few days after getting busted for dropping two of the 127 hits of acid found in a friend s shoe a sixteen year old who is grounded for a year curls up in the corner of her ratty bedroom picks up a pen and begins to write Once upon a cruddy time on a cruddy street on the side of a cruddy hill in the cruddiest part of a crudded out town in a cruddy state

country world solar system universe The cruddy girl named Roberta was writing the cruddy book of her cruddy life and the name of the book was called Cruddy Now the truth can finally be revealed about the mysterious day long ago when the authorities found a child calmly walking in the boiling desert covered with blood She could not give the authorities any information about why she was the only survivor and everyone else was lying around in hacked up pieces Roberta Rohbeson 1971 Her overblown drug induced teenage rant against a world bounded by the cruddy top bedroom of a cruddy rental house on a very cruddy mud road behind cruddy Black Cat Lumber soon becomes a detailed account of another story It is a story about which Roberta has kept silent for five years until under the influence of a pale hippie called the Turtle and a drug called Creeper her tale giddily unspools Roberta Rohbeson 1967 The world of Roberta age eleven is terrifyingly unbounded a one way cross country road trip fueled by revenge and by greed a violent hallucinatory sometimes funny more often horrific year of killings betrayals arson and a sinister set of butcher knives each with its own name Welcome to Cruddy Lynda Barry s masterful tale of the two intertwined narratives set five years an eternity apart which form the backbone of Roberta s life Cruddy is a wild ride indeed a fairy tale cum low budget horror movie populated by a cast of characters that will remain vivid in the reader s mind long after the final page Roberta s father a dangerous alcoholic and out of work meat cutter in search of his swindled inheritance the frightening owners of the Knocking Hammer Bar and sometime slaughterhouse and two charming but quite mad escapees from the Barbara V Herrmann Home for Adolescent Rest Written with a teenager s eye for freakish detail and a nervous ability to make the most horrible scenes seem hilarious Roberta s two stories part Easy Rider and part bipolar Wizard of Oz painfully but inevitably converge in a surprising denouement in a nightmarish Dreamland in the Nevada desert By turns terrifying darkly funny and resonant with humanity propelled by all the narrative power of a superior thriller and burnished by the author s pitch perfect ear for dialogue Cruddy is a stunning achievement In The End, It Was All About Love Musa Okwonga,2021-03-03 The narrator arrives in Berlin a place famed for its hedonism to find peace and maybe love only to discover that the problems which have long haunted him have arrived there too and are more present than ever As he approaches his fortieth birthday nearing the age where his father was killed in a brutal revolution he drifts through this endlessly addictive and sometimes mystical city through its slow days and bottomless nights wondering whether he will ever escape the damage left by his father s death With the world as a whole more uncertain as both the far right and global temperatures rise at frightening speed he finds himself fighting a fierce inner battle against his turbulent past for a future free of his fear of failure of persecution and of intimacy In The End It Was All About Love is a journey of loss and self acceptance that takes its nameless narrator all the way through bustling Berlin to his roots a quiet village on the Uganda Sudan border It is a bracingly honest story of love sexuality and spirituality of racism dating and alienation of fleeing the greatest possible pain and of the hopeful road home **Vertigo** Joanna Walsh,2015-10-01 With wry humor and profound sensitivity Walsh takes what is mundane and transforms it into something otherworldly with sentences that can make your

heart stop A feat of language Kirkus Reviews starred review Joanna Walsh s haunting and unforgettable stories enact a literal vertigo the feeling that if I fall I will fall not toward the earth but into space by probing the spaces between things Waiting for news in a children s hospital pondering her husband s multiple online flirtations or observing the tourists and locals at a third world archeological site her narrator approaches the suppressed state of panic coursing beneath things that are normally tamed by our blunted perceptions of ordinary life Vertigo is an original and breathtaking book Chris Kraus

Eve's Hollywood Eve Babitz,2015-10-06 A legendary love letter to Los Angeles by the city s most charming daughter complete with portraits of rock stars at Chateau Marmont surfers in Santa Monica prostitutes on sunset and Eve s own beloved cat Rosie Journalist party girl bookworm artist muse by the time she d hit thirty Eve Babitz had played all of these roles Immortalized as the nude beauty facing down Duchamp and as one of Ed Ruscha s Five 1965 Girlfriends Babitz s first book showed her to be a razor sharp writer with tales of her own Eve s Hollywood is an album of vivid snapshots of Southern California s haute bohemians of outrageously beautiful high school ingenues and enviably tattooed Chicanas of rock stars sleeping it off at the Chateau Marmont And though Babitz s prose might appear careening she s in control as she takes us on a ride through an LA of perpetual delight from a joint serving the perfect taquito to the corner of La Brea and Sunset where we make eye contact with a roller skating hooker to the Watts Towers This daughter of the wasteland is here to show us that her city is no wasteland at all but a glowing landscape of swaying fruit trees and blooming bougainvillea buffeted by earthquakes and the Santa Ana winds and every bit as seductive as she is

Topics of Conversation Miranda Popkey,2020-02-27 If you re a fan of Sally Rooney s work then you can t go wrong by picking up a copy of Topics Of Conversation She s a fresh voice and one that it s certainly worth listening to Vogue Miranda Popkey s debut explores the paradox of longing to assert control and longing to lose it She depicts what it feels like to exist actually live at that intersection which can so often bring about paralysis New Yorker What is the shape of a life Is it the things that happen to us Or is it the stories we tell about the things that happen to us From the coast of the Adriatic to the salt spray of Santa Barbara the narrator of Topics of Conversation maps out her life through two decades of bad relationships motherhood crisis and consolation The novel unfurls through a series of conversations in private with friends late at night at parties with acquaintances with strangers in hotel rooms in moments of revelation shame cynicism envy and intimacy Sizzling with enigmatic desire Miranda Popkey s debut novel is a seductive exploration of life as a woman in the modern world of the stories we tell ourselves and of the things we reveal only to strangers
