A Wing and a Prayer Jul 04
2023 “A compelling account of the air war against Germany” written by the navigator portrayed by Anthony Boyle in Apple TV’s *Masters of the Air* (Publishers Weekly). They began operations out of England in the spring of ’43. They flew their Flying Fortresses almost daily against strategic targets in Europe in the name of freedom. Their astonishing courage and appalling losses earned them the name that resounds in the annals of aerial warfare and made the “Bloody Hundredth” a legend. Harry H. Crosby—depicted in the miniseries *Masters of the Air* developed by Tom Hanks and

Steven Spielberg—arrived with the very first crews, and left with the very last. After dealing with his fear and gaining in skill and confidence, he was promoted to Group Navigator, surviving hairbreadth escapes and eluding death while leading thirty-seven missions, some of them involving two thousand aircraft. Now, in a breathtaking and often humorous account, he takes us into the hearts and minds of these intrepid airmen to experience both the triumph and the white-knuckle terror of the war in the skies. “Affecting . . . A vivid account . . . Uncommonly thoughtful recollections that address the moral ambiguities of a great

cause without in any way denigrating the selfless valor or camaraderie that helped ennoble it.” —Kirkus Reviews “Re-creates for us the sense of how it was when European skies were filled with noise and danger, when the fate of millions hung in the balance. An evocative and excellent memoir.” —Library Journal “The acrid stench of fear and cordite, the coal burning stoves, the heroics, the losses . . . This has to be the best memoir I have read, bar none.” —George Hicks, director of the Airmen Memorial Museum **Teach Me** May 14 2024 **Teach Me** invites readers inside an experience that fascinates everyone—an affair between a

teacher and student—and gives an up-close-and-personal answer to the question: How does this happen? The hardcover edition of *Teach Me* was a Booksense Fall 2006 Kid's Pick, a TeenReads.com Best Book of 2005, and a selection for the 2006 NYPL Books for the Teen Age.

[Skunk and Badger](#) Sep 25 2022

The first title in a warm and witty illustrated chapter-book series from Newbery Honor-winner Amy Timberlake and superstar illustrator Jon Klassen, about a pair of unlikely animal friends Analytical and set in his ways, Badger is taken aback when jolly, easygoing Skunk rings the doorbell to announce he's

Badger's new roommate. (Badger may have been ignoring his landlord Aunt Lula's letters . . .) But as Badger begrudgingly opens up his home—and heart—to Skunk and his unconventional ways, the two characters become irrevocably changed by each other, establishing an odd-couple friendship that is timeless and real. Set in a brownstone in a town that evokes a slightly-more-urban Hundred Acre Wood, the story is part *Wind in the Willows*, part *Wallace and Gromit*. Filled with a delightful population of chickens, sheep, stoats, hedgehogs, voles and philosophical musings, it establishes the perfect scenario

for illustrations by Caldecott Medal-winner (*This Is Not My Hat*) and Honor illustrator (*Extra Yarn*, *Sam and Dave Dig a Hole*) Jon Klassen.

Foundational Falsehoods of Creationism Jan 30 2023

Religious fundamentalists and biblical literalists present any number of arguments that attempt to disprove evolution. Those with a sympathetic ear often fail to critically examine these creationist claims, leading to an ill-informed public and, perhaps more troubling, ill-advised public policy. As Aron Ra makes clear, however, every single argument deployed by creationists in their attacks on evolution is founded on

fundamental scientific, religious, and historical falsehoods—all of them. Among their most popular claims is that evolution is a religion, that there are no transitional species, that there are no beneficial mutations, and that supposedly sacred scripture is the infallible word of God. Yet, as the evidence and data plainly show, each of these claims is demonstrably and unequivocally false. There is simply no truth to creationism whatsoever, and the entire enterprise rests on a foundation of falsehoods. This book explains and exposes the worst of these lies, and should be read by all who honestly care about following the

evidence no matter where it might lead in pursuit of the truth.

The New Abject Feb 04 2021
SOMETHING HAS FALLEN AWAY. We have lost a part of ourselves, our history, what we once were. That something, when we encounter it again, look it straight in the eyes, disgusts us, makes us retch. This is the horror of the abject. Following the success of Comma's award-winning New Uncanny anthology, *The New Abject* invites leading authors to respond to two parallel theories of the abject - Julia Kristeva's theory of the psychoanalytic, intimate abject, and Georges Bataille's societal equivalent - with visceral

stories of modern unease. As we become ever-more isolated by social media bubbles, or the demands for social distancing, our moral gag-reflex is increasingly sensitised, and our ability to tolerate difference, or 'the other', atrophies. Like all good horror writing, these stories remind us that exposure to what unsettles us, even in small doses, is always better than pretending it doesn't exist. After all, we can never be wholly free of that which belongs to us.

Positive Discipline Oct 07 2023
THE KEY TO DISCIPLINE IS NOT PUNISHMENT, BUT MUTUAL RESPECT All parents try to do their best--but the best of intentions don't always

produce the best results. Dr. Jane Nelsen, an experienced psychologist, educator, and mother, believes that children misbehave when they feel thwarted in their need to belong and in their need for love and attention. An authoritative approach, using phrases like " Because I said so!" , will only lead to rebellious behavior. Instead, parents need basic principles that bring them and their children closer. They need Positive Discipline. Dr. Nelsen explains that parents who use kindness and firmness to teach life skills will encourage self-respect, self-discipline, cooperation, good behavior, and problem-solving skills in

their children. In Positive Discipline, revised and updated for the '90s, she shows all of us, parents and teachers alike, exactly how her practical program works--answering, step-by-step, such important questions as: *What works better than punishment to teach children positive, good behavior? *What mistakes do most parents make " in the name of love" ? *How can parents turn their mistakes into assets? *How can praise be dangerous? *What are the dangers of trying to be " Super Mom" ? *How can teachers avoid discipline problems in the classroom? " It is positive! It works! It saves your sanity! And it is easy to share with

others." --Julie Pope, Parent Sacramento, CA " As a parent and psychotherapist, I have found enormous value and practical wisdom in Positive Discipline. It conveys a win/win atmosphere for parents and children. The techniques are so easy to learn and fun to use...Anyone following these concepts will see almost instant results and big smiles on the faces of their children." -- Katherine Dusay, Psychotherapist San Francisco, CA **Nelson's Cross-Reference Guide to the Bible** Jan 18 2022 Discover how words, phrases, and concepts in one passage of the Bible are reflected and reinforced in the

whole of Scripture. Nelson's Cross-Reference Guide is organized in biblical sequence, making it easy for you to study a particular passage deeper than ever before. You'll find multiple cross-references to related passages in the Old and New Testaments. Gain a richer understanding of God's Word by studying a theme through the whole counsel of Scripture. Building on the Bible Study classic, *The Treasury of Scripture Knowledge* (with its well-known introduction by R.A. Torrey), and his own expansive *The New Treasury of Scripture Knowledge*, Jerome Smith has fashioned a user-friendly tool in a much improved, altogether new

format to make personal Bible study and Bible lesson preparation easier than ever before. Thanks to Smith's diligent work over many years, this volume contains a more complete collection of cross-references than any Bible reference ever published. *A Dance of Cloaks* Jul 24 2022 "Thren Felhorn is the greatest assassin of his time. All the thieves' guilds of the city are under his unflinching control. If he has his way, death will soon spill out from the shadows and into the streets. Aaron is Thren's son, trained to be heir to his father's criminal empire. He's cold, ruthless--everything an assassin should be. But when Aaron risks his life to

protect a priest's daughter from his own guild, he glimpses a world beyond piston, daggers, and the iron rule of his father"--Page 4 of cover. [Deathbird Stories](#) Nov 08 2023 Masterpieces of myth and terror about modern gods from technology to drugs to materialism—"fantasy at its most bizarre and unsettling” (The New York Times). As Earth approaches Armageddon, a man embarks on a quest to confront God in the Hugo Award-winning novelette, “The Deathbird.” In New York City, a brutal act of violence summons a malevolent spirit and a growing congregation of desensitized worshippers in “The Whimper of Whipped

Dogs,” an Edgar Award winner influenced by the real-life murder of Queens resident Kitty Genovese in 1964. In “Paingod,” the deity tasked with inflicting pain and suffering on every living being in the universe questions the purpose of its cruel existence. *Deathbird Stories* collects these and sixteen more provocative tales exploring the futility of faith in a faithless world. A legendary author of speculative fiction whose best-known works include *A Boy and His Dog* and *I Have No Mouth, and I Must Scream*—and whose major awards and nominations number in the dozens, Harlan Ellison strips away convention and hypocrisy and lays bare the

human condition in modern society as ancient gods fade and new deities rise to appease the masses—gods of technology, drugs, gambling, materialism—that are as insubstantial as the beliefs of those who venerate them. In addition to his Nebula, Hugo, World Fantasy, Bram Stoker, Edgar, and other awards, Ellison was called “one of the great living American short story writers” by the *Washington Post*—and this collection makes it clear why he has earned such an extraordinary assortment of accolades. Stories include: “Introduction: Oblations at Alien Altars” “The Whimper of Whipped Dogs” “Along the

Scenic Route” “On the Downhill Side” “O Ye of Little Faith” “Neon” “Basilisk” “Pretty Maggie Moneyeyes” “Corpse” “Shattered Like a Glass Goblin” “Delusion for a Dragon Slayer” “The Face of Helene Bournouw” “Bleeding Stones” “At the Mouse Circus” “The Place with No Name” “Paingod” “Ernest and the Machine God” “Rock God” “Adrift Just Off the Islets of Langerhans: Latitude 38° 54' N, Longitude 77° 00' 13" W” “The Deathbird”

Throat Apr 13 2024 Seventeen-year-old Emma, having always felt cursed by her epilepsy, comes to realize that it is this

very condition that saves her when she is mysteriously attacked and left with all the powers but none of the limitations of a vampire.

This Thing Called Life Feb 28 2023 A warm and surprisingly real-life biography, featuring never-before-seen photos, of one of rock's greatest talents: Prince. Neal Karlen was the only journalist Prince granted in-depth press interviews to for over a dozen years, from before Purple Rain to when the artist changed his name to an unpronounceable glyph. Karlen interviewed Prince for three Rolling Stone cover stories, wrote "3 Chains o' Gold," Prince's "rock video opera," as well as the star's

last testament, which may be buried with Prince's will underneath Prince's vast and private compound, Paisley Park. According to Prince's former fiancée Susannah Melvoin, Karlen was "the only reporter who made Prince sound like what he really sounded like." Karlen quit writing about Prince a quarter-century before the mega-star died, but he never quit Prince, and the two remained friends for the last thirty-one years of the superstar's life. Well before they met as writer and subject, Prince and Karlen knew each other as two of the gang of kids who biked around Minneapolis's mostly-segregated Northside. (They

played basketball at the Dairy Queen next door to Karlen's grandparents, two blocks from the budding musician.) He asserts that Prince can't be understood without first understanding '70s Minneapolis, and that even Prince's best friends knew only 15 percent of him: that was all he was willing and able to give, no matter how much he cared for them. Going back to Prince Rogers Nelson's roots, especially his contradictory, often tortured, and sometimes violent relationship with his father, *This Thing Called Life* profoundly changes what we know about Prince, and explains him as no biography has: a superstar who calls in

the middle of the night to talk, who loved *The Wire* and could quote from every episode of *The Office*, who frequented libraries and jammed spontaneously for local crowds (and fed everyone pancakes afterward), who was lonely but craved being alone. Readers will drive around Minneapolis with Prince in a convertible, talk about movies and music and life, and watch as he tries not to curse, instead dishing a healthy dose of “mamma jmmas.”

Throat Aug 25 2022 Seventeen-year-old Emma, having always felt cursed by her epilepsy, comes to realize that it is this very condition that saves her when she is mysteriously

attacked and left with all the powers but none of the limitations of a vampire.

My Body Mar 20 2022
INSTANT NEW YORK TIMES
BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, *The New York Times Book Review*
A deeply honest investigation of what it means to be a woman

and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism,

sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence. **The Hot Kid** Nov 27 2022 The undisputed master of the crime novel strikes again with this powerfully entertaining story,

set in 1920s Oklahoma, that introduces one of the toughest lawmen ever to come out of the west. . . . Carlos Webster was 15 the day he witnessed his first murder—but it wouldn't be his last. It was also his first introduction to the notorious gunman, Emmet Long. By the time Carlos is 20, he's being sworn in as a deputy United States marshal and now goes by the name Carl. As for Emmet, he's robbing banks with his new partner, the no-good son of an oil millionaire. Carl Webster and Emmet Long may be on opposite sides of the law but their long-time game of cat and mouse will turn them both into two of the most famous names in crime and

punishment.

An Evolutionary Theory of Economic Change Jun 03 2023 This book contains the most sustained and serious attack on mainstream, neoclassical economics in more than forty years. Nelson and Winter focus their critique on the basic question of how firms and industries change overtime. They marshal significant objections to the fundamental neoclassical assumptions of profit maximization and market equilibrium, which they find ineffective in the analysis of technological innovation and the dynamics of competition among firms. To replace these assumptions, they borrow from

biology the concept of natural selection to construct a precise and detailed evolutionary theory of business behavior. They grant that firms are motivated by profit and engage in search for ways of improving profits, but they do not consider them to be profit maximizing. Likewise, they emphasize the tendency for the more profitable firms to drive the less profitable ones out of business, but they do not focus their analysis on hypothetical states of industry equilibrium. The results of their new paradigm and analytical framework are impressive. Not only have they been able to develop more coherent and powerful models of competitive

firm dynamics under conditions of growth and technological change, but their approach is compatible with findings in psychology and other social sciences. Finally, their work has important implications for welfare economics and for government policy toward industry.

Project 17 Jan 10 2024 High atop Hathorne Hill, near Boston, sits Danvers State Hospital. Built in 1878 and closed in 1992, this abandoned mental institution is rumored to be the birthplace of the lobotomy. Locals have long believed the place to be haunted. They tell stories about the unmarked graves in the back, of the cold spots felt

throughout the underground tunnels, and of the treasures found inside: patients' personal items like journals, hair combs, and bars of soap, or even their old medical records, left behind by the state for trespassers to view. On the eve of the hospital's demolition, six teens break in to spend the night and film a movie about their adventures. For Derik, it's an opportunity to win a filmmaking contest and save himself from a future of flipping burgers at his parents' diner. For the others, it's a chance to be on TV, or a night with no parents. But what starts as a playful dare quickly escalates into a frenzy of nightmarish action. Behind the

crumbling walls, down every dark passageway, and in each deserted room, they will unravel the mysteries of those who once lived there and the spirits who still might.

The Annual Statistical Report of Receipts and Expenditures Made in Connection with Elections for the U.S. Senate in 1972

May 10 2021

The Lovely Bones Oct 27 2022 Susie Salmon is just like any other young American girl. She wants to be beautiful, adores her charm bracelet and has a crush on a boy from school. There's one big difference though - Susie is dead. Add: Now she can only observe while her family

manage their grief in their different ways. Susie is desperate to help them and there might be a way of reaching them... Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery has adapted it for this unforgettable play about life after loss.

Days of Little Texas Sep 06 2023 Young Ronald Earl King, who has been a charismatic evangelist for years, becomes engaged in an epic battle between good and evil on the grounds of an old plantation, with confusing help from the ghost of a girl he could not

heal.

Calling My Name Feb 11 2024
"Calling My Name is a

treasure."—Nic Stone, New York Times–bestselling author of *Dear Martin* *Calling My Name* is a striking, luminous, and literary exploration of family, spirituality, and self—ideal for readers of Jacqueline Woodson, Jandy Nelson, Naomi Shihab Nye, and Sandra Cisneros. This unforgettable novel tells a universal coming-of-age story about Taja Brown, a young African American girl growing up in Houston, Texas, and deftly and beautifully explores the universal struggles of growing up, battling family expectations, discovering a sense of self, and finding a unique voice and purpose. Told in fifty-three short, episodic,

moving, and iridescent chapters, *Calling My Name* follows Taja on her journey from middle school to high school. Literary and noteworthy, this is a beauty of a novel that captures the multifaceted struggle of finding where you belong and why you matter.

The Total Money Makeover: Classic Edition Dec 09 2023 Do you want to build a budget that actually works for you? Are you ready to transform your relationship with money? This New York Times bestseller has already helped millions of people just like you learn how to develop everyday money-saving habits with the help of America's favorite personal

finance expert, Dave Ramsey. By now, you've already heard all of the nutty get-rich-quick schemes and the fiscal diet fads that leave you with a lot of quirky ideas but not a penny in your pocket. If you're tired of the lies and sick of the false promises, Dave is here to provide practical, long-term help. The Total Money Makeover is the simplest, most straightforward game plan for completely changing your finances. And, best of all, these principles are based on results, not pie-in-the-sky fantasies. This is the financial reset you've been looking for. The Total Money Makeover: Classic Edition will give you the tools and the encouragement you

need to: Design a sure-fire plan for paying off all debt--from your cars to your home and everything in between using the debt snowball method Break bad habits and make lasting changes when it comes to your relationship with money Recognize the 10 most dangerous money myths Secure a healthy nest egg for emergencies and set yourself up for retirement Become financially healthy for life Live like no one else, so later you can LIVE (and GIVE) like no one else! This edition of The Total Money Makeover includes new, expanded "Dave Rants" that tackle marriage conflict, college debt, and so much more. The Total Money

Makeover: Classic Edition also includes brand new back-of-the-book resources to help you make The Total Money Makeover your new reality. [U. S. Army Register](#) Sep 13 2021

Breathe My Name Aug 05 2023
I need to see you. Please come right away. We have to finish. Frances Robinson is in high school now. She lives a quiet, suburban life, far from her horrifying past. When she was a child, her birthmother smothered her three sisters. Through pure luck, Frances survived. Now her mother has just been released from prison . . . and she wants to see Frances. A new boy at school called Nix charms Frances.

Together, Nix and Frances embark on a clandestine journey to visit Frances' mother: to confront the monster in its lair. This trip will help Frances at last find peace—or die trying. But no matter what, Frances will discover just what it means to finish.

Here Lies Daniel Tate May 02 2023 A young runaway is welcomed into the arms of an affluent family after he takes on the identity of the family's missing son Daniel, only to slowly realize that the family knows more about Daniel's disappearance than they're letting on.

Fundamentals of Biostatistics Nov 15 2021

Bernard Rosner's **FUNDAMENTALS OF BIOSTATISTICS** is a practical introduction to the methods, techniques, and computation of statistics with human subjects. It prepares students for their future courses and careers by introducing the statistical methods most often used in medical literature. Rosner minimizes the amount of mathematical formulation (algebra-based) while still giving complete explanations of all the important concepts. As in previous editions, a major strength of this book is that every new concept is developed systematically through completely worked out examples from current medical

research problems. Most methods are illustrated with specific instructions as to implementation using software either from SAS, Stata, R, Excel or Minitab. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The London Gazette Jun 22 2022

Breathe My Name Jun 15 2024 Frances can forgive. She can even forget. But she can never escape her past. . . . In this compelling psychological thriller from the acclaimed author of Teach Me, Frances

Robinson has the perfect life: loving adoptive parents, a great best friend, and a cute new boyfriend. But Frances has a secret. Once upon a time she wasn't Frances Robinson. She was Shine, and she lived with her three sisters and her birth mother, Afton Jelks, far out in the country. But the loneliness overtook Afton's fragile mind, and one day she smothered her daughters, one after another. Only Frances escaped. Now Afton is out of prison. And she wants to finish what she started. . . .

Days of Little Texas Mar 12 2024 A ghostly love story from the author of *Teach Me*. Welcome, all ye faithful—and otherwise—to a ghost story, a

romance, and a reckoning unlike anything you've read before. Acclaimed YA author R. A. Nelson delivers a tantalizing tale set in the environs of the evangelical revival circuit and centered around Ronald Earl, who at ten became the electrifying "boy wonder" preacher known as Little Texas. Now sixteen, though the faithful still come and roar with praise and devotion, Ronald Earl is beginning to have doubts that he is worthy of and can continue his calling. Doubts that only intensify when his faith and life are tested by a mysterious girl who he was supposed to have healed, but who is now showing up at the fringe of every stop on the

circuit. Is she merely devoted, or is she haunting him? Fascinating and original, this is an unusual story whose reverberation will be deeply felt and which will inspire lively book discussion.

U.S. Army Register Apr 20 2022

His Favorites Dec 29 2022 A "tense, taut, and thrilling" (Marie Claire) novel about a teenage girl, a predatory teacher, and a school's complicity from the highly acclaimed, bestselling National Book Award finalist and author of *A Short History of Women*—"riveting, terrifying, exactly the book for our times" (Ann Patchett). They were on a lark, three teenaged girls

speeding across the greens at night on a “borrowed” golf cart, drunk. The cart crashes and one of the girls lands violently in the rough, killed instantly. The driver, Jo, flees the hometown that has turned against her and enrolls at a prestigious boarding school. Her past weighs on her. She is responsible for the death of her best friend. She has tipped her parents’ rocky marriage into demise. She is ready to begin again, far away from the accident. “Devastatingly relevant” (Vogue) and “fueled by gorgeous writing” (NPR), His Favorites reveals the interior life of a young woman determined to navigate the treachery in a new world. Told

from her perspective many years later, the story coolly describes a series of shattering events and a school that failed to protect her. “Before things turn treacherous, there’s a moment when predation can feel dangerously like kindness...Walbert understands this...His Favorites begs to be read” (Time).

Nelson Jun 10 2021
'Fascinating . . . Shot through with fresh insights . . . No previous biography has attempted anything so comprehensive.'
Observer Nelson is a thrilling new appraisal of Horatio Nelson, the greatest practitioner of naval command the world has ever seen. It

explores the professional, personal, intellectual and practical origins of one man's genius, to understand how the greatest warrior that Britain has ever produced transformed the art of conflict, and enabled his country to survive the challenge of total war and international isolation. In Nelson, Andrew Lambert - described by David Cannadine as 'the outstanding British naval historian of his generation' - is able to offer new insights into the individual quality which led Byron rightly to celebrate Nelson's genius as 'Britannia's God of War'. He demonstrates how Admiral Nelson elevated the business of naval warfare to the level of

the sublime. Nelson's unique gift was to take that which other commanders found complex, and reduce it to simplicity. Where his predecessors and opponents saw a particular battle as an end in itself, Nelson was always a step ahead - even in the midst of terrifying, close-quarters action, with officers and men struck down all around him. 'Excellent . . . Worthy of the stirring events [it celebrates].' Independent
