RIGHT HANDERS GOLF MANUAL The Right Handers Golf Manual is intended to provide players at all levels step-by-step instructions on how to play golf and is designed to help you develop your skills and ability. It is presented in manual format so that it can be used not only as an instruction manual but also as a reference book. Golfers at all levels can benefit from the detailed instructions found in each manual chapter. Included is information on how to prepare to play the game, the fundamentals of grip, stance, and golf swing dynamics. There are chapters covering how to use the driver and fairway woods, the long irons, the mid irons and

the short irons. There is instruction on the short game, bunker play, putting, playing from different lies, pre-shot routines and how to practice properly so that you get maximum benefit from the time you spend on your practice sessions. There are over 90 illustrations in the manual. Each of the illustrations includes step by - step instructions on how to successfully execute the golf shots you will encounter in everyday play. The Right Handers Manual has something for every golfer. It will provide you with the tools needed to improve your game, lower your score, and improve your disposition on the golf course. You will come away from your golf games with a smile on your face. Golf is a game in which even the experienced player can reap the benefits from expert instruction. Covering every possible aspect of developing a repeatable, effective golf swing, this book works systematically through every type of shot -- from tee shots, iron play, pitching and chipping to coping with bunkers and putting. Each section includes a test to establish your level of ability and provides a series of progressive exercises designed to develop your technique. A section on the top 10 most common faults that can creep into your game shows you how to fix them quickly and efficiently. Playing the Game: Beyond striking the ball, The Complete Golf Manual also shows you routines to help you think more decisively on the course and deal with high-pressure situations. An invaluable reference

section advises you on buying equipment, guides you through all-important golf etiquette, clearly explains golf's most important rules, and defines all the key terms used by golfers. A self-improvement guide to better golf, offering a fast track to a lower handicap for all -- from the novice to the experienced club golfer.
