International Financial Management Jeff Madura, Ariful Hoque, Chandrasekhar Krishnamurti, 2018-01-01 Equip your students for success in international finance with the unrivalled depth of theory and practical applications presented in Madura Hoque and Krishnamurti's **INTERNATIONAL FINANCIAL MANAGEMENT Asia Pacific 1st edition**. This APAC edition builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights your students need to prosper in today's global business environment. With the original US edition being well known for its inviting reader-friendly style and clear explanations, this APAC 1st edition introduces international finance with a focus on the important role of modern multinational corporations in global commerce within a strong APAC context. Using a strong corporate perspective, it discusses a wide range of managerial topics and emphasises the most recent changes in the international environment. Relevant examples, instructive diagrams, self-tests, and other learning features provide hands-on experience to help your students develop the skills they need to effectively manage in contemporary practice.

Business Analysis and Valuation Sue Joy Wright, Michael Bradbury, Philip Lee, Krishna G. Palepu, Paul M. Healy, 2014 **Business Analysis and Valuation** has been developed specifically for students undertaking accounting Valuation subjects. With a significant number of case studies exploring various issues in this field, including a running chapter example, it offers a practical and in-depth approach. This second edition of the Palepu text has been revitalised with all new Australian content in parts 1-3, making this edition predominantly local while still retaining a selection of the much admired and rigorous Harvard case studies in part 4. Retaining the same author team, this new edition presents the field of valuation accounting in the Australian context in a clear, logical, and thorough manner.
