a romantic comedy where opposites attract with irresistible chemistry relatable characters laughter feel good vibes banter and plenty of tequila Sierra Following my father s passing I assumed control of the family legacy At twenty eight I was appointed CEO of Adams Advertising and Design a powerhouse in the global market My work and company were my life I lived and breathed it daily to keep it successful because I had nothing else When my seven year relationship abruptly ended with a voicemail from my boyfriend telling me he was never coming back from the trip he was on it shattered me in ways I never imagined I shut myself off emotionally vowing to engage with men strictly on my terms no strings attached no complications and certainly no heartache But life took an unexpected turn when Cameron Cole entered my world after I hired him to renovate my Hollywood Hills home His looks rugged charm and genuine demeanor ignited an undeniable chemistry between us Despite our differences with only our shared birthday in common he embraced simplicity while I reveled in luxury and designer labels Yet the more time we spent together the walls I had built around my heart began to crumble in the face of an undeniable connection leaving me scared and confused Cameron Sierra Adams left me utterly speechless from the moment our eyes met She enchanted me in ways I had never experienced before turning my simple life upside down Coming from a small town in North Carolina I knew I was out of her league but that didn t deter me from pursuing her While she immersed herself in the world of work designer labels and tequila I led a quiet and uncomplicated life as a remodeler Despite our differences we entered into a friends with benefits arrangement as Sierra adamantly refused anything more Yet as time passed my feelings for her deepened and I fell in love I was determined to show Sierra that life was more than work and material possessions Though the journey wouldn t be easy I would do whatever it took to win her heart and prove that I was worthy of being hers 18 [Then You Happened](#) Sandi Lynn,2014-09-19 When Sierra s father died he left her in charge of the family business At the age of twenty eight Sierra Adams became CEO of Adams Advertising Design one of the top ten advertising agencies in the world Her work was her life She lived and breathed it every day leaving little time for play Having once been in a relationship that completely destroyed her Sierra vowed to use men for one thing only SEX No strings no problems and most importantly no heartache Cameron Cole is an ordinary guy that makes a living as a carpenter He s a simple man who s happy with life the way it is He does a job he loves has a great group of friends and a close knit family When Sierra hires Cameron to remodel her Hollywood Hills home their happy little worlds are turned upside down She likes the rich things in life and he likes the simple things While there s no denying the strong attraction between them they form a hilarious friendship where sex is the only thing Sierra wants Cameron can t help but want more and makes it his mission to bring Sierra into his simple world and show her that there s more to life than just all work and money Take Cameron and Sierra s journey in this romantic comedy as they discover that when life hands you lemons you have no choice but to break out the tequila [The Interview](#) Sandi Lynn,2018-07-05 Anti relationship Check Dysfunctional family Check Moved three thousand miles away from my dysfunctional family Check Dream job Check My name is Laurel Holloway and I m twenty

seven years old I moved to Seattle four years ago to pursue my dream job as a journalist for the Seattle Times and to get as far away from my dysfunctional family as possible One of my assignments was to interview and write an article on two well known hot and sexy bachelors who were self made millionaires under the age of thirty five Women wanted to know why they were still single Millionaire bachelor number one lived in Los Angeles and millionaire bachelor number two lived in New York Both men were damaged and very private and refused to be interviewed so I had to use my creative ways to change their minds I was getting those interviews one way or another Little did I know when I embarked on this adventure that these men would have a huge impact on my life and one of them would change my world forever *The Upside Of Love (Love Series, Book 2)* Sandi Lynn,2015-11-04 Luke Matthews and Lily Gilmore are back in the final book of the Love Series The Upside of Love Lily My life felt perfect alongside Luke with our love my booming photography business and the promise of happily ever after However it all unraveled when Luke discovered a forgotten secret from my past shattering him me and the foundation of our relationship Once again my world came crashing down Despite Luke s attempts to mend things I found forgiving myself for the past impossible How could he ever find it in his heart to forgive me Luke Life was a dream I had a woman I loved more than anything and my bar was thriving beyond my wildest expectations The revelation of something from Lily s past left me in shock leading to words I never should have said and a sudden departure from her life After some soul searching I realized my mistake and solemnly vowed to win her back The challenge was Lily holding onto a misconception that wasn t true making the fight to bring her back into my life grueling They say love has two sides the downside and the upside Lily was my upside and I was determined to overcome any obstacle to reclaim the love that rightfully belonged to me
