General Chemistry Fourth Edition

General Chemistry Donald Allan McQuarrie, Peter A. Rock, Ethan B. Gallogly, 2011 Atoms First seems to be the flavor of the year in chemistry textbooks but many of them seem to be little more than rearrangement of the chapters It takes a master like McQuarrie to go back to the drawing board and create a logical development from smallest to largest that makes sense to students Hal Harris University of Missouri St Louis McQuarrie s book is extremely well written the order of topics is logical and it does a great job with both introductory material and more advanced concepts Students of all skill levels will be able to learn from this book Mark Kearley Florida State University This new fourth edition of General Chemistry takes an atoms first approach from beginning to end In the tradition of McQuarrie s many previous works it promises to be another ground breaking text This superb new book combines the clear writing and wonderful problems that have made McQuarrie famous among chemistry professors and students worldwide Presented in an elegant design with all new illustrations it is available in a soft cover edition to offer professors a fresh choice at an outstanding value Student supplements include an online series of descriptive chemistry Interchapters a Student Solutions Manual and an optional state of the art Online Homework program For adopting professors an Instructor s Manual and a CD of the art are also available

General Chemistry Donald A. McQuarrie, Peter A. Rock, Ethan B. Gallogly, Carole H. McQuarrie, 2010-08-15 This Fourth Edition of McQuarrie s classic text offers a thorough revision and a quantum leap forward from the previous edition Taking an atoms first approach it promises to be another ground breaking text in the tradition of McQuarrie s many previous works This outstanding new text available in a soft cover edition offers professors a fresh choice and outstanding value
