I'm really enjoying this program and so is my son. I used to teach in the public schools, and I wish I had had this years ago. -Julie, Homeschool Mom, California I just showed my friends how to diagram, and they were very competitive. They never knew grammar could be this much fun. - Katie, Student If you're struggling with grammar, struggle no more. Elizabeth makes it visual. - Marianna, Teacher I want to tell you how much I'm enjoying your Get Smart Program. I'm so grateful to you for finding a way for me to learn this again. I'm a freelance copy editor and writer, and I have relied too much on my gut (and style guides, of course) without being able to cite grammar rules. Now that'll change. Thank you. - Jill, Editor & Writer, Wisconsin My freshman English class is working through the weekly Get Smart program, and it's going really well. Thanks so much! Your program is wonderful. - Daidri, Teacher I purchased your Get Smart program, and we are very happy with it! Part of the reason I bought it is because I like your personality. I hated grammar as a kid, and I wish I'd had a teacher like you! I am hoping my kids will have a better experience than I, and with your program, I am confident they will. - Valerie, Homeschool Mom Your materials are a lifesaver and a confidence-booster! - Lori A lesson-by-lesson answer key for all chapters of the text Our Mother Tongue.
