Controversially Yours An Autobiography Shoaib Akhtar

Controversially Yours Anshu Dogra, 2011-09-16 A tell all book on and by Pakistan cricket's fastest and most controversial bowler. One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever clocking in at 112 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all: the best matches, the most exciting tournaments, the highs and lows of personal achievement and failure. *Controversially Yours* is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and of course the institutions that control the sport including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart. **Game Changer** Shahid Afridi, Wajahat S. Khan, 2019-04-30 *Playing It My Way* Sachin Tendulkar, 2016-01-12 I don't think anyone apart from Don Bradman is in the same class as Sachin Tendulkar. Shane Warne: This is cricket icon Sachin Tendulkar's life story in his own words, his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, *A Billion Dreams*, in which he stars. The greatest run scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award, India's highest civilian honour, on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long, Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations, never has a cricketer performed at such a high level for so long and with such style, scoring more runs and making more centuries than any other player in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other. *Free Hit* Suprita Das, 2018-12-10 The 2017 ICC Women's Cricket World Cup saw the Indian team make it to the finals and, although it lost the game, the tournament marked an unprecedented high for viewership for women's cricket in India. The ensuing euphoria that followed, including the announcement of two film deals with the team's leading stars, ensured that the only direction where

Indian women's cricket could go from there was up Free Hit is the untold story of how women's cricket in India got here and casts light on the gender based pay gaps sponsorship challenges and the sheer indifference of cricketing officials it faced along the way Focusing on Mithali Raj the world's greatest female batsman and Jhulan Goswami the leading wicket taker in women's cricket author Suprita Das takes us into the lives of the spirited bunch of women who across the years just like their male counterparts also brought home laurels that are worth celebrating

A Century Is Not Enough Sourav Ganguly, 2018-02-24 A sporting classic and a manual for living Sourav Ganguly life has been full of highs and lows Arguably India greatest cricket captain he gave confidence to the team reenergized them and took India for the first time to spectacular overseas victories But Ganguly story also came with great challenges from his early days where he had to wait four long years before being included in the team to the ugly battle with the Australian coach Greg Chappell He fought his way out of every corner and climbed back up from every defeat becoming India ultimate comeback king What does it take to perform when the pressure is skyhigh How do you fight back and win How do you make a name for yourself when you are young and have started the journey which is closest to your heart As Sourav takes you through his life he looks at how to overcome challenges and come out a winner Time and time again

Imran Khan Christopher Sandford, 2009 The definitive biography of Imran Khan the former Pakistan cricket captain and all rounder the Oxbridge graduate and vociferous campaigner the devout Muslim whose kaleidoscopic social life flooded the gossip columns the man who raised 60 million for cancer research and who is now one of the most important political figures in Pakistan

The Battle for Pakistan Shuja Nawaz, 2020-04-10 The Battle for Pakistan showcases a marriage of convenience between unequal partners The relationship between Pakistan and the United States since the early 1950s has been nothing less than a whiplash inducing rollercoaster ride Today surrounded by hostile neighbors with Afghanistan increasingly under Indian influence Pakistan does not wish to break ties with the United States Nor does it want to become a vassal of China and get caught in the vice of a US China rivalry or in the Arab Iran conflict Internally massive economic and demographic challenges as well as the existential threat of armed militancy pose huge obstacles to Pakistan's development and growth Could its short run political miscalculations in the Obama years prove too costly Can the erratic Trump administration help salvage this relationship Based on detailed interviews with key US and South Asian leaders access to secret documents and operations and the author's personal relationships and deep knowledge of the region this book untangles the complex web of the US Pakistani relationship and identifies a clear path forward showing how the United States can build better partnerships in troubled corners of the world

Stargazing Ravi Shastri, 2021-08-25 From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach Ravi Shastri has an incomparable perspective when it comes to the game of cricket In Stargazing The Players in My Life the legendary all rounder looks back at the extraordinary talent he has encountered over the years Who is the former Indian captain who didn't do full justice to his talent Or that bruising bowler who went on to become a best

Everyone knows the story or thinks they do The leg spinner who rewrote the record books One of Wisden's five cricketers of the twentieth century A sporting idol across the globe A magnet for the tabloids But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface The real story has remained untold In No Spin Shane sets the record straight From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne From the legendary Gattling ball to his history making 700th Test wicket From the controversy surrounding the diuretic pill in South Africa to his high profile relationship with Hollywood star Elizabeth Hurley Nothing is off limits and Shane tackles it all with his trademark directness and humour These days an incisive charismatic TV commentator and analyst the Sultan of Spin also lets us in on the mysterious art of leg spin bowling revealing the secrets of some of his deadliest deliveries As Shane says Few batsmen if any truly know what I do A sporting great a celebrity a family man and a self confessed regular Aussie bloke from the suburbs in No Spin Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever Wasim and Waqar John Crace,1992 Tracing the careers of the Pakistani fast bowlers Wasim and Waqar this book looks at their rise to prominence and their effect on the national team They both discuss fame playing for Pakistan and in county matches and the stress and injuries which arise from playing non stop cricket **The Frontier Gandhi** Imtiaz Ahmad Sahibzada,2021-09-13

Affectionately known as Bacha Khan or Badshah Khan amongst his people Khan Abdul Ghaffar's life was dedicated to the social reform of the Pukhtuns who traditionally adhere to a strict code of life called Pukhtunwali which is governed by rather rigid tribal norms Bacha Khan is an acknowledged leader in the hearts of the Pukhtuns across the world due to his life long struggle to modernize Pukhtun society and his teachings of non violence adopted by his Khudai Khidmatgar Servants of God party during the struggle for independence against the British He stands tall in the pantheon of leaders of the movement for independence A close associate of Mahatma Gandhi his success in mobilizing the Pukhtuns of the North West Frontier Province and the Tribal Areas through a non violent struggle had significant bearing on this movement in which the Khudai Khidmatgar allied with the Indian National Congress The Pushto edition of Bacha Khan's autobiography was first published in 1983 in Afghanistan when he was 93 years old Nearly four decades later the book has been translated and published for the first time in English This translation was painstakingly done by Sahibzada at the request of Shandana Humayun Khan to whom he has dedicated the book Shandana's maternal great grandfather was Qazi Ataullah a close lieutenant of Bacha Khan's and a key figure in the Khudai Khidmatgar movement Before the translation process started Sahibzada and Shandana

visited several members of Bacha Khan's family including his grandsons Nasir Ali Khan Asfandayar Wali Khan and Saleem Jan. The translator shared a close friendship with Bacha Khan's son Abdul Ghani Khan, the greatest Pukhtun poet of the century. The book is a result of the participation of several members of his family and those who have spent their lives studying Bacha Khan's philosophy. For the first time, Bacha Khan's thoughts on Pukhtun society, his vision for a more equitable world, achieved along the lines of non-violence, have been researched, translated, and made available for the world in his own words.

Moth Smoke Mohsin Hamid, 2000. The Year Is 1998. The Summer Of Pakistan's Nuclear Tests And Darashikoh Shezad Has Just Managed To Lose His Job In Lahore As The Economy Crumbles Around Him. His Electricity Is Cut Off And The Jet Set Parties Behind High Walls Daru Takes The Bright Steps Of Falling For His Best Friend's Wife And Giving Heroin A Try. This Is The Story Of His Decline.

[The Race of My Life](#) Milkha Singh, Sonia Sanwalka, 2013. Autobiography of an Indian athlete.

The Reluctant Fundamentalist Mohsin Hamid, 2009-06-05. From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a cafe table in Lahore, a bearded Pakistani man converses with a suspicious and possibly armed American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. Changez is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the valuation of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world.

Excuse me, sir, but may I be of assistance? Ah, I see. I have alarmed you. Do not be frightened by my beard. I am a lover of America. I noticed that you were looking for something more than looking. In fact, you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge from *The Reluctant Fundamentalist*.
