***The Language of Literature and its Meaning* Aug 04 2021** There is a marked awareness about the language of literature and its meaning both in Indian and Western aesthetic thinking. The aestheticians of both schools hold that the language of literature embodies a significant aspect of human experience, and represents a creative pattern of verbal structure to impart meaning effectively. Modern Western aesthetic thinking, which includes theories like formalism, new criticism, stylistics, structuralism, post-structuralism, deconstruction, discourse analysis, semiotics and dialogic criticism, in one way or another emphasizes the study of the language of literature in order to understand its meaning. Similarly, there is a distinct focus on the language of literature and its meaning in Indian literary theories which include the theory of rasa (aesthetic experience), alaṃkāra (the poetic figure), rīti (diction), dhvani (suggestion), vakrokti (oblique expression) and aucitya

**(propriety). This book explores how the language of literature and its meaning have been dealt with in both Indian and Western aesthetic thinking. In doing so, the study concentrates on Kuntaka's theory of vakrokti and Ānandavardhana's theory of dhvani in Indian aesthetic thinking and Russian formalism and deconstruction in Western thinking. The book categorically focuses on the intersection between the theory of vakrokti and Russian formalism and the meeting-point between the theory of dhvani and deconstruction.**

**Peculiar Language Aug 16 2022 First published in 1988, this classic text is established as one of the most important discussions of the language of literature. Re-issued as a result of recent critical interest, this edition includes a new preface by the author.**

**Literature in Language Education May 05 2024 A state of the art critical review of research into literature in language education, of interest to teachers of English and modern foreign languages. Includes prompts and principles for those who wish to improve their own practice or to engage in projects or research in this area.**

**The Language of Literature Sep 28 2023 Essential study guides for the future linguist. The**

**Language of Literature is a general introduction to the methods and principles behind stylistics. It is suitable for advanced level students and beyond. Written with input from the Cambridge English Corpus, it provides students with an introduction to stylistics with texts from different genres. It takes the approach that the best way to study literary texts is to focus closely on language. Using short activities to help explain analysis methods, this book guides students through major modern issues and concepts. It summarises key concerns and findings, while providing inspiration for language investigations and non-examined assessments (NEAs) with research suggestions.**

***Language, Truth, and Literature* Nov 30 2023**  
**Richard Gaskin offers an original defence of literary humanism, according to which works of imaginative literature have an objective meaning which is fixed at the time of production and not subject to individual readers' responses. He shows that the appreciation of literature is a cognitive activity fully on a par with scientific investigation.**

**Using Literature to Teach English as a Second Language Sep 04 2021** Innovation has replaced stereotypical and old methods as an attempt to

**make English language teaching and learning appealing, effective, and simple. However, teaching a second language through literature may be a paramount tool to consolidate not only students' lexical and grammatical competences, but also for the development of their cultural awareness and broadening of their knowledge through interaction and collaboration that foster collective learning. Despite past difficulties, literature's position in relation to language teaching can be revindicated and revalued. Using Literature to Teach English as a Second Language is an essential research publication that exposes the current state of this methodological approach and observes its reverberations, usefulness, strengths, and weaknesses when used in a classroom where English is taught as a second language. In this way, this book will provide updated tools to explore teaching and learning through the most creative and enriching manifestations of one language - literature. Featuring a range of topics such as diversity, language learning, and plurilingualism, this book is ideal for academicians, curriculum designers, administrators, education professionals, researchers, and students.**

**Language in Modern Literature Feb 27 2021**  
***Literature about Language* Mar 03 2024** In **Literature About Language Valerie Shepherd** brings together linguistic theory and literary criticism and examines languages as a theme in a range of literary texts. By looking at the work of writers such as Swift, Joyce and Sontag she discusses the power of story-telling and metaphor to shape our thinking and examines the communicative capacities of non-standard English and the strengths of women's writing in a male language world. By turning to the work of writers such as Hardy, Cummings, Lodge and Gordimer, however, she also demonstrates the ways in which language can be constrained by its users and by social and cultural pressures. Written specifically for a student audience, **Language About Literature** presumes no prior knowledge of linguistic theory and each chapter concludes with a set of practical exercises. An invaluable text for A-level and undergraduate students of language, literature and communication studies.

**Aunt Phillis's Cabin; Or, Southern Life As It Is**  
**Jun 06 2024** This book is a plantation fiction novel. It was a strong commercial success and bestseller. Based on her growing up in

**Warrenton, Virginia, of an elite planter family, Eastman portrays plantation owners and slaves as mutually respectful, kind, and happy beings.**

**Language in Literature Jan 21 2023 Over a period of over forty years, Geoffrey Leech has made notable contributions to the field of literary stylistics, using the interplay between linguistic form and literary function as a key to the 'mystery' of how a text comes to be invested with artistic potential. In this book, seven earlier papers and articles, read previously only by a restricted audience, have been brought together with four new chapters, the whole volume showing a continuity of approach across a period when all too often literary and linguistic studies have appeared to drift further apart. Leech sets the concept of 'foregrounding' (also known as defamiliarization) at the heart of the interplay between form and interpretation. Through practical and insightful examination of how poems, plays and prose works produce special meaning, he counteracts the 'flight from the text' that has characterized thinking about language and literature in the last thirty years, when the response of the reader, rather than the characteristics and meaning potential of the text itself, have been given undue prominence. The**

**book provides an enlightening analysis of well-known (as well as less well-known) texts of great writers of the past, including Keats, Shelley, Samuel Johnson, Shaw, Dylan Thomas, and Virginia Woolf.**

***The Language of Early English Literature* Jul 27 2023** How did the English language change from the Old to the Early Modern period? What effect do linguistic and stylistic choices have on a text? Why is it important to consider linguistic features together in a work? The grammar and vocabulary of the English language changed dramatically between the Old and Early Modern periods. These changes in language usage are explored in *The Language of Early English Literature* by examining the effect of authors' linguistic choices on the descriptions of characters, events, and situations. Written with today's undergraduate student in mind, this textbook is a highly rewarding guide to the rich history of the English language and literature. ***The Language of Early English Literature:*** - Provides detailed explanations of linguistic features, such as word formation, phrase structure, syntax, and semantics - Analyses a wide range of texts from Old English, Middle English and Early Modern English, and

**establishes comparisons with works written in other languages - Includes an invaluable glossary and an extensive bibliography**

**Literature, Language, and the Classroom Nov 06 2021 This book is a Festschrift dedicated to Promodini Varma, a meticulous scholar, teacher, and administrator of extraordinary rigour, grit, and perception. It presents reflections on researching and teaching English literatures and languages in India. It concerns itself broadly with literary modernism and English language teaching and classroom pedagogy, some of the core concerns of the literary fraternity today. The volume examines how the literary and cultural manifestations of modernity have pervasively informed not just much of our disciplinary framework but many of the key issues—decolonisation, globalisation, development—our society grapples with. With essays on William Butler Yeats, Arthur Conan Doyle, E.M. Forster, D.H. Lawrence, and Rudyard Kipling, the volume presents fresh insights on familiar canonical ground. It discusses ELT and classroom pedagogy and provides grounded appraisals of teaching and translating for multilingual classroom audiences given the demands of employability and the hierarchical**

**dynamics of educational institutions. An interview on feminist pedagogy and theatre and an essay on urban nostalgia and redevelopment act as pertinent outliers, reflecting the ongoing transition to more multi-sited and interdisciplinary research and praxis. An engaging read on some of the most pressing concerns in the field, this book will be of great interest to scholars and researchers of literature and literary criticism, English language studies, and education.**

***The Gray Book* Feb 07 2022**

**Literature, Language, and Politics Jan 01 2024**  
**Literature, Language, and Politics brings together papers drawn from and inspired by the controversial, landmark symposium on “Politics and the Discipline” held at the 1987 Modern Language Association meeting in San Francisco. During the 1980s, debates raged both within and outside academe over curriculum, with conservatives arguing for a return to an educational philosophy based on the “classics” of Western civilization and a multi-cultural coalition of liberals, leftists, and feminists seeking to preserve the diversity of educational experience fought for since the 1960s. Engaging this crucial debate, the contributors to**

**Literature, Language, and Politics argue that the conservative educational agenda imperils not only scholarship and academic freedom but the very social well-being of the nation. They call for firm resistance to any attempts to make education conform to the social agenda of one race, one gender, one language, or one ideology; for a continuation of attempts to broaden the curriculum until it reflects the experience of women and men of all classes and all cultures. Includes essays by Henry Louis Gates, Jr., Gerald Graff, Annette Kolodny, Paul Lauter, Ellen Messer-Davidow, Catharine R. Stimpson, and Ana Celia Zentella.**

**Language As Symbolic Action Jun 25 2023 From the Preface: The title for this collection was the title of a course in literary criticism that I gave for many years at Bennington College. And much of the material presented here was used in that course. The title should serve well to convey the gist of these various pieces. For all of them are explicitly concerned with the attempt to define and track down the implications of the term "symbolic action," and to show how the marvels of literature and language look when considered from that point of view.**

**Literature and Language Learning in the EFL**

**Classroom Oct 30 2023** This book examines how literary texts can be incorporated into teaching practices in an EFL classroom. It takes a multi-faceted approach to how English language teaching and learning can best be developed through presentation and exploration of literary texts.

**Language, Literature and Critical Practice Dec 20 2022** Using a wide-ranging variety of texts the author reviews and evaluates a broad range of approaches to textual commentary, introducing the reader to the fundamental distinction between 'actual' and 'virtual' worlds in critical practice.

**Language and Literature Feb 19 2023**

**Literature, Spoken Language and Speaking Skills in Second Language Learning Nov 18 2022** Explores how literature is used as a model of spoken language and to develop speaking skills in second language learning.

**Teaching Language and Literature in Elementary Classrooms Dec 08 2021** The goal of this book -- a theoretically based, well-organized, useful guide for teaching -- is to help the beginning teacher create a classroom environment that integrates literacy development with learning in all areas of the curriculum. The

major components of an integrated language program are identified, and the skills teachers need to implement this kind of program in their own classrooms are described. Designed to be kept and used as a resource in the classroom, this text provides fundamental information about language arts teaching. A constructivist orientation, an emphasis on teachers as reflective decision makers, and vivid portrayals of the classroom as a community of learners and inquirers are woven throughout the book. Key features include: \* a wealth of models, suggestions, and step-by-step guidelines for introducing integrated teaching and learning practices into elementary classrooms at the kindergarten, primary, and intermediate levels; \* a focus on relevant research in language arts and professional teacher development; \* true-to-life classroom narratives that model instructional strategies and demonstrate interactions between real teachers and students; and \* an innovative chapter format that makes the text accessible as a resource for student, beginning, and experienced teachers.

Mastering the Language of Literature Oct 18  
2022 Mastering the Language of Literature  
provides students of English Literature with a

**clear guide to the linguistic analysis of literary texts. Drawing on modern linguistics and traditional approaches, it shows how the study of language provides valuable tools for literary criticism. Important linguistic concepts are explained, and there are sections on Phonology, Lexis and Syntax, supported by examples from a wide range of texts. The book complements and extends the traditional close reading approach of Practical Criticism, and introduces students to an exciting and fast-growing area of advanced literary studies.**

**The Language of Literature May 13 2022 The Language Literature provides a framework for analysing language. It explores how writers use literary language to create literary texts, and helps students use language successfully in their own writing. Key features:; Covers key skills and topics, in.**

**Language and Literature (general) Apr 04 2024**

***What is Literary Language?* Aug 28 2023**

**Studies in English Language and Literature Apr 23 2023 This collection of twenty-nine papers is in honour of E. G. Stanley, Rawlinson and Bosworth Emeritus Professor of Anglo-Saxon at the University of Oxford and Emeritus Fellow of Pembroke College, Oxford. Written by scholars**

he has supervised, examined or otherwise served as mentor for within the last twenty years, the contributors illustrate the advantages of following John Donne's axiom to 'doubt wisely'. Professor Stanley's own published work has shown the utility of wise scepticism as a critical stance; these papers presented to him apply similar approaches to a wide variety of texts, most of them in the field of Old or Middle English literature. The primary focus of the collection is on the close reading of words in their immediate context, which commonly entails a reconsideration of accepted assumptions. Consequently, new links are created here among the disciplines in medieval studies, based on various combinations of these scholarly applications. Contributors provide new analyses of such difficult but rewarding fields as Old English metre and syntax, Beowulf, the origins and development of standard English, the definitions of Old English words and their connotations, the styles and themes of Old English poems, Middle English poetry and prose, the post-medieval reception of medieval works and the styles, themes and sources of Old English poetry and prose. M.J. Toswell is Associate Professor of English at the University of Western

**Ontario.E.M. Tyler is Lecturer in the Department of English and Related Literature at the Centre for Medieval Studies, University of York.**

**Language, Discourse and Literature Oct 06 2021**

**This collection shows students of English and applied linguistics ways in which language and literary study can be integrated. By drawing on a wide range of texts by mainly British and**

**American writers, from a variety of different periods, the contributors show how discourse stylistics can provide models for the systematic description of, for example, dialogue in fiction; language of drama and balladic poetry; speech presentation; the interactive properties of metre; the communicative context of author/reader.**

**Among the texts examined are novels, poetry and drama by major twentieth-century writers such as Joyce, Auden, Pinter and Hopkins, as well as examples from Shakespeare, Donne and Milton.**

**Each chapter has a wide range of exercises for practical analysis, an extensive glossary and a comprehensive bibliography with suggestions for further reading. The book will be particularly useful to undergraduate students of English and applied linguistics and advanced students of modern languages or English as a foreign language.**

**Teaching Language and Literature On and Off-Canon Jun 13 2022** Language and literature teaching are a keystone in the age of STEM, especially when dealing with minority communities. Practical methodologies for language learning are essential for bridging the cultural gap. **Teaching Language and Literature On and Off-Canon** is a critical research publication that provides a multidisciplinary, multimodal, and heterogenous perspectives on the applications of language learning and teaching practices for commonly studied languages, such as Spanish, English, and French, and less-studied languages, such as Latin, Gaelic, and ancient Semitic languages. Highlighting topics such as language acquisition, artistic literature, and minority languages, this book is essential for language teachers, linguists, academicians, curriculum designers, policymakers, administrators, researchers, and students.

***The Languages of World Literature* Jul 03 2021**  
**English in Speech and Writing Mar 30 2021** In this activity-based text, Rebecca Hughes invites the reader to examine the differences between spoken and written English. Instead of presenting a bewildering array of 'facts' about

**variety in English, she encourages the reader to actively investigate the differences between these two modes of communication by comparing actual speech patterns with literary ones. This indispensable guide to the basic methods of analysis provides both an overview of the relationship between speech and writing and an introduction to a central theoretical issue in language studies. By the end of the book, readers will have had the opportunity to consider material from an extensive selection of spoken and written varieties - including boxing commentaries, detective novels and film scripts - while being encouraged to formulate their own opinions with regard to lexis and structure. In addition, the tasks that have been incorporated into the end of every chapter provide suggestions for further self-study and follow-up work.**

***The Taming of the Text* Jul 15 2022 The contributors of this text, first published in 1988, provide a dynamic view of the social functioning of texts, taking account of linguistic, literary and cultural elements. They bring together innovative perspectives on literary analysis and theory, on pragmatics and discourse analysis, as well as on text linguistics and reception theory. Various text types are examined, and the editor introduces**

**each chapter in order to draw them all together to make a fascinating and cohesive whole.**

**Language Through Literature Mar 11 2022**

**Language Through Literature provides a definitive introduction to the English language through the medium of English literature.**

**Through the use of illustrations from poetry, prose and drama, this book offers a lively guide to important concepts and techniques in English language study. Among the many topics covered in the book are the form and meaning of words, the structure of narrative discourses and the organization of dialogue and conversation. Each chapter explores a specific aspect of the modern English language using a combination of exposition and practical activities. Each chapter also provides points for further discussion and includes project work for use individually, or as part of a group. Readers will find the author's selection and presentation of topics helpful, as Paul Simpson progressively widens the scope of topics from single words to the structure of whole conversations. Language Through Literature is designed for the non-specialist who is new to the study of the English language and will be particularly relevant to anyone interested in the in the relationship between the English**

language and English literature.

***Advanced Language & Literature* May 01 2021**

***Understanding Culture through Language and Literature* Apr 11 2022** Within its wide boundaries, culture creates written and visual reflection areas for itself. As the reflection area expands through time, space and nature, it becomes richer, and, in doing so, it needs to be appreciated. The cultural reflection of historical accumulation leaves us in front of an immense mirror. In general terms, this book presents the reader with the intertwined relationships

**between culture and literature, culture and language, and culture and history or art history. More specifically, it investigates the joy of a birth, a funeral ritual, the merriness of a melody, and the taste of a meal as they are reflected within the texts that Asia has accumulated throughout its history. Its central concern is the investigation of issues related to culture and how it is reflected in literature, language, or history in a particular place.**

**Literature in the Language Classroom Feb 02 2024 A variety of imaginative techniques for integrating literature work with language learning.**

**Literature and Language Teaching May 25 2023 Literature and Language Teaching is for teachers and trainers who want to incorporate literature into the language classroom. It is suitable for teacher trainers, teacher development groups or teachers working on their own. This book contains tasks and activities which encourage reflection on some of the issues and debates involved in using literature in the language classroom and explore different approaches to using literature with teenage and adult learners at all levels. It suggests criteria for selecting and evaluating materials for classroom use and**

**identifies some of the distinctive features of novels, short stories, poems and plays so that these can be successfully exploited in the classroom. A wide range of practical ideas and activities for developing materials is provided. Tasks also encourage the observation and assessment of lessons using literacy texts, and draw on English language material by a variety of authors from all over the world.**

***Language in Literature* Jul 07 2024 Essays discuss realism, futurism, Dada, the grammar of poetry, Baudelaire, Shakespeare, Yeats, Turgenev, Pasternak, Blake, and semiotic theory.**

**The Language of Literature Jun 01 2021**  
***Language and Literature in a Glocal World* Sep 16 2022 This collection of critical essays investigates the intersections of the global and local in literature and language. Exploring the connections that exist between global forms of knowledge and their local, regional applications, this volume explores multiple ways in which literature is influenced, and in turn, influences, movements and events across the world and how these are articulated in various genres of world literature, including the resultant challenges to translation. This book also explores the way in which languages, especially English, transform**

**and continue to be reinvented in its use across the world. Using perspectives from sociolinguistics, discourse analysis and semiotics, this volume focuses on diasporic literature, travel literature, and literature in translation from different parts of the world to study the ways in which languages change and grow as they are sought to be 'owned' by the communities which use them in different contexts. Emphasizing on interdisciplinary studies and methodologies, this collection centralizes both research that theorizes the links between the local and the global and that which shows, through practical evidence, how the local and global interact in new and challenging ways.**

**New Approaches to Literature for Language Learning Jan 09 2022 This book unpacks recent changes in the landscape of literature and language teaching, and aims to find new explanations for the altered relationships between readers and writers, the democratisation of authorship, and the emergence of new ways of using language. By examining topics as various as literature and technology, multimodality, and new Englishes, the authors take a fresh look at the use of literature as a tool in the teaching of English to second-language speakers. More than**

**simply a way of teaching aesthetic and ethical values and rhetorical skills, they argue that literature can also be used to help students to critically evaluate assumptions about society, culture and power which underpin the production and reception of texts. The book relates theories of language acquisition and literary criticism to examples of literary texts from a wide range of global literature in English, and discusses new ways of engaging with it, such as transmedia story telling, book blogs and slam poetry. It will be of interest to language teachers and teacher trainers, and to students and scholars of applied linguistics, TESOL, and digital literacies.**

**Language, Literature and the Learner Mar 23 2023 Language, Literature and the Learner is an edited volume evolving from three international seminars devoted to the teaching of literature in a second or foreign language. The seminars explicitly addressed the interface between language and literature teaching to investigate the ways in which literature can be used as a resource for language growth at secondary, intermediate and upper-intermediate level. This book presents the reader with a practical classroom-based guide to how the teaching of language and literature, until recently seen as**

**two distinct subjects within the English curriculum, can be used as mutually supportive resources within the classroom. Through essays and case studies it reports on the most recent developments in classroom practice and methodology and suggests ways in which the curriculum could be reshaped to take advantage of this integrated approach. The text will be essential reading for students undertaking PGCE, TESOL/MA, UCLES, CTEFLA, RSA and Teachers' Diploma courses worldwide. Students of applied linguistics, those on stylistics courses and undergraduates studying English language will welcome it as accessible supplementary reading.**

**[offsite.creighton.edu](http://offsite.creighton.edu)**
