An award-winning  
writer and  
playwright hits the  
open road for a  
searing novel-in-  
letters about a  
street kid on a  
highstakes trek  
across America. For  
a runaway boy who  
goes by the name  
"Punkzilla," kicking  
a meth habit and a  
life of petty crime in  
Portland, Oregon, is  
a prelude to a  
mission:  
reconnecting with  
his older brother, a  
gay man dying of  
cancer in Memphis.  
Against a backdrop  
of seedy motels,  
dicey bus stations,  
and hitched rides,  
the desperate  
fourteen-year-old  
meets a colorful,

sometimes  
dangerous cast of  
characters. And in  
letters to his  
sibling, he catalogs  
them all -- from an  
abusive stranger  
and a ghostly girl to  
a kind transsexual  
and an old woman  
with an oozing eye.  
The language is raw  
and revealing,  
crackling with  
visceral details and  
dark humor, yet  
with each interstate  
exit Punkzilla's  
journey grows more  
urgent: will he  
make it to  
Tennessee in time?  
This daring novel  
offers a narrative  
worthy of Kerouac  
and a keen insight  
into the power of  
chance encounters.  
As the witch-pyres  
of the Spanish  
Inquisition blanket  
Renaissance  
Europe in a moral  
haze, a young

African slave finds  
herself the  
unwilling  
apprentice of an  
ancient  
necromancer.  
Unfortunately,  
quitting his  
company proves  
even more  
hazardous than  
remaining his pupil  
when she is  
afflicted with a  
terrible curse. Yet  
salvation may lie in  
a mysterious tome  
her tutor has  
hidden somewhere  
on the war-torn  
continent. She sets  
out on a seemingly  
impossible journey  
to find the book,  
never suspecting  
her fate is tied to  
three strangers: the  
artist Niklaus  
Manuel Deutsch,  
the alchemist Dr.  
Paracelsus, and a  
gun-slinging Dutch  
mercenary. As  
Manuel paints her

macabre story on canvas, plank, and church wall, the young apprentice becomes increasingly aware that death might be the least of her concerns. Rachel went to bed curled up in her grammy's quilt, worrying about her Geometry test and next week's ballet lesson...and woke up in a ditch, bloodied, bruised, and missing a year of her life. She doesn't recognize the person she's become: She's popular. She wears nothing but black. And she can fight. She's not the only girl to go missing in the last year, but she is the only one to come back. She desperately wants to unravel what happened to her, to

try and recover the rest of the Lost Girls. But the more she discovers, the more her memories return. And the thrill of what she remembers—of what she can't resist—might still get her killed. Now in its eighth edition, Guinness World Records Gamer's Edition is the ultimate guide to videogames. With all-new design and photography, the fresh-looking 2015 edition is packed full of news and views about the most up-to-date achievements and developments in gaming. It offers the most dazzling images from this year's top titles, along with fascinating facts, figures and features on the games and

characters you love - from Minecraft to the world-beating Grand Theft Auto V, from thrilling new games to all-time classics. The latest edition includes gameplay tips and hints, interviews and features exploring gaming from different perspectives, and quotes from leading figures in the industry. Find out about the biggest-selling games, the highest scores, and the world's most amazing gamers. Read about the latest hardware developments in the battle of the eight-generation consoles, and explore the most exciting news stories across all the major gaming genres. Alternately heartbreaking and

starkly humorous, this teenager's brutal story of escape and desire for redemption is masterfully told by award-winning writer and film director Adam Rapp. I'm what they call a Gray Grouper. The Red Groupers are the junkies and the Blue Groupers are the suicide kids. Steve Nugent is in a facility called Burnstone Grove. It's a place for kids who are addicts, like Shannon Lynch, who can stick \$1.87 in change up his nose, or for kids who have tried to commit suicide, like Silent Starla, whom Steve is getting a crush on. But Steve doesn't really fit in either group. He used to go to a

gifted school. So why is he being held at Burnstone Grove? Keeping a journal, in which he recalls his confused and violent past, Steve is left to figure out who he is by examining who he was. Sovjetregisseur en filmtheoreticus Sergei M. Eisenstein werkte in 1946 en 1947 een jaar voor zijn dood aan een algemene geschiedenis van de cinema. De manier waarop hij de geschiedschrijving van de cinema benadert, is tegelijk fascinerend in haar ambitie en uiterst modern in haar methode. Eisenstein presenteert hier een virtuele wereldkaart van alle aan de

bioscoop gerelateerde media, en ontwikkelt op hetzelfde moment een methode voor het schrijven van een geschiedenis die net als de cinema is gebaseerd op montage. De teksten van Eisenstein worden begeleid door een reeks kritische essays, geschreven door enkele van 's werelds meest gekwalificeerde Eisensteinkenners. In this original Outlander novella, Diana Gabaldon reveals what really happened to Roger MacKenzie Wakefield's parents. Orphaned during World War II, Roger believed that his mother died during the London Blitz, and that his father, an

RAF pilot, was killed in combat. But in *An Echo in the Bone*, Roger discovers that this may not be the whole story. Now, in "A Leaf on the Wind of All Hallows," readers learn the truth. Praise for Diana Gabaldon's *Outlander* series "All you've come to expect from Gabaldon . . . adventure, history, romance, fantasy."—The Arizona Republic, on *An Echo in the Bone* "A grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across ten generations."—CN N, on *The Fiery Cross* "Escapist historical fiction at

its best."—San Antonio Express-News, on *Drums of Autumn* "A feast for ravenous readers of eighteenth-century Scottish history, heroism and romance."—Kirkus Reviews, on *Outlander* The indomitable Annie Szabo has lost too many friends and loved ones, so the death of Margo Spanger hits hard. Margo, Annie's neighbor, was a cultural icon with money and fame. Maybe too much. She used one of her projects, a New Age circus, to fund a women's shelter. When Margo's partner, Lili, goes missing the day of Margo's death, the circus and shelter fall into disarray. It turns Annie's world upside down, too.

Her daughter is a resident of the women's shelter and could become the next victim. More trouble: Annie's mother-in-law, the Gypsy fortune-teller Madame Mina, plants her trailer in Annie's yard with a vengeance, right next to Annie's pet giraffes. Aided by an ex-cop and Mina's plant medicine, Annie uncovers Margo's past. She'd rattled the power elite, a trapeze flier, one jealous lover, a captain of industry, a long-lost son, and an ice-blond philanthropist. As Annie delves into their surprisingly tangled lives, one thing becomes clear--the killer is a master of disguises, and time is running

out. However, when Annie and Madame Mina stop arguing long enough to put their heads together, the truth can't hide.

Meredith Blevins, author of the acclaimed novel *The Hummingbird Wizard*, continues the tale of the juicy Szabo family women. They learn that, under or outside the big top, anything and everything may be an illusion.

Engaging and exotic, sexy and fun, *The Vanished Priestess* is an unforgettable mystery featuring a heroine who must walk a treacherous tightrope to save a new lover, her home, and her life. Unlucky thieves invade a house where *Home Alone*

seems like a playground romp. An antique bookseller and a mob enforcer join forces to retrieve the *Atlas of Hell*. Postapocalyptic survivors cannot decide which is worse: demon women haunting the skies or maddened extremists patrolling the earth. In this chilling twenty-first-century companion to the cult classic *Darkness: Two Decades of Modern Horror*, Ellen Datlow again proves herself the most masterful editor of the genre. She has mined the breadth and depth of ten years of terror, collecting superlative works of established masters and scene-

stealing newcomers alike. Over 1000 entries to poems, novels, short stories, and plays. Emphasis on English-language literature, as well as that from France, Germany, Russia, Italy, and Spain. Citations arranged under chronological headings. Entry gives bibliographical information, topical words, and summary. References also listed under 39 topical words. H. P. Lovecraft (1890 - 1937) was the most important American horror fiction writer of the first half of the 20th century whose fiction, especially about the Cthulhu Mythos universe, spanned both time and

space. He never achieved financial success; however, he did become good friends with several big writers, notably Robert Bloch (Psycho) and Robert E. Howard of Conan fame. The "Cthulhu Mythos" grew out of the Lovecraft Circle, a writing group where everyone shared in Lovecraft's Mythos stories. The most famous of these were "The Call of Cthulhu" and "At the Mountains of Madness". Many novels and stories have come from his Mythos tales, one of the most famous being The Necronomicon, written by the "Mad Arab" Abdul Alhazred, which first appeared in Lovecraft's story

"The Hound". Lovecraft's health and financial situation began to fail seriously in the mid-1930s. He died in 1937 of cancer of the intestine, never knowing what a giant of the horror genre he was to become. When British business wunderkind Grant Berringer, owner and CEO of Berringer Racing Stables, presents Nicolette Devereaux with a job promotion that includes marriage, she's both appalled and intrigued. Through runic inscriptions and behind the veil of myth, Jesch discovers the true story of viking women. This collection of original essays explores the

historical and cultural diversity of the experience of gender reversal over an exceptional geographical and chronological range. Topics covered include anthropology, history, literature. Gender reversal is a perennial theme in the cultures of both East and West. It emerges in classical Chinese theatre, in the ceremony consecrating the Japanese emperor, and in Hindu mythology; in the ancient Greek rites of Dionysos, in medieval Christian thought and in the culture of the American Indians. The original essays in Gender Reversals and Gender Cultures explore the

historical and cultural diversity of the experience of gender reversal over an exceptional geographical and chronological range. The contributors bring a unique mixture of perspectives to bear on the subject, with backgrounds in anthropology, history, literature, political science, comparative religion and women's studies. They reveal the complex relation of gender reversal to taboo, and show how differing attitudes reveal much about particular cultures. This book covers all Australian science fiction and fantasy authors, books and stories, as well as important magazines, sub-

genres and works published electronically. A frothy, funny page-turner! When Belinda Hennessey moves to Atlanta after a humiliating personal setback, she's eager to start over: new surroundings, new job, new friends. To help adjust to the big city traffic, she joins a carpool with three other women in her office, who give her a crash course on maneuvering the maze of roads named "Peachtree" and tips on navigating office politics, which includes tiptoeing around their tyrannical boss. Belinda tries desperately to fit in, and even manages to meet a couple of eligible men. Yet

fate keeps conspiring against her. Her relationships become more problematic, and when bizarre accidents begin to occur, she starts to think she might be cursed. But when Belinda learns the woman she replaced in the carpool died under mysterious circumstances, she begins to think she's being targeted—and not for Employee of the Year. "Stephanie Bond is in her usual rare form, and that form is utterly delightful. KILL THE COMPETITION is an excellent, fast-paced, sexy story. —AOL Romance Fiction Forum "With a fast pace that moves the

story along and smart snappy dialog between the characters, Ms Bond has penned another fascinating read that will leave her readers wanting more from this talented and imaginative author.” —A Romance Review

“Whatever book you want, you will probably find it in **KILL THE COMPETITION**. Laughter, suspense, passion, and female bonding all combine in this realistically complex and sometimes whacky book. Ms. Bond has created magic, and she pulls more than one rabbit out of the hat to surprise her readers.” —Academic Planet

Starred review!

“DO read this novel.” —Publishers

Weekly Want to kill a few hours with a fun book? Read **KILL THE COMPETITION!** What is it like to be a giant? Meet Corinthia Bledsoe, a seven-foot tall high-school junior who can predict the future. Over seven feet tall and with a newfound ability to sense future events, Corinthia Bledsoe is far more than just another Midwestern high-school junior; she’s a force of nature. When she predicts with terrifying accuracy the outcome of a tornado that will hit her high school, leaving a cow standing midcourt in the Lugo Memorial field house, Corinthia finds herself at the epicenter of

another kind of storm entirely. And as things get stranger and stranger — both in her small town and her own home — lives start to intersect in ways even Corinthia can’t foresee. Brief history of Hereford cattle: v. 1, p. 359-375. An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is

now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but

resonates with the intelligence and emotional depth of the best of literature. There are many ways to be a heroine. Princess and swordswoman, lawyer and motorcyclist, scholar and barbarian: there are many ways to be a heroine. In this anthology, seventeen authors find new ways to pair one weapon-wielding woman and one whose strengths lie in softer skills. "Which is more powerful, the warrior or the gentlewoman?" these stories ask. And the answer is inevitably, "Both, working together!" Herein, you'll find duels and smugglers, dance battles and danger

noodles, and even a new Swordspoint story! From big names and bold new voices, these stories are fun, clever, and always positive about the power of love. Ellen Kushner \* Aliette de Bodard \* Yoon Ha Lee \* Neon Yang \* Jennifer Mace \* Django Wexler \* Freya Marske \* Claire Bartlett \* K.A. Doore \* Alison Tam \* Ann LeBlanc \* Cara Patterson \* Chris Wolfgang \* Elaine McLonyn \* Elizabeth Davis \* S.K. Terentiev \* Kaitlyn Zivanovich Fifteen chapters of science, history, and social studies material presented in a combination of core knowledge and facts. Ella Kate Ewing was born in 1872. She started out small, but she

just kept on growing. Soon she was too tall for her desk at school, too tall for her bed at home, too tall to fit anywhere. Ella Kate was a real-life giant, but she refused to hide herself away. Instead, she used her unusual height to achieve her equally large dreams. The masterful Klise sisters deliver a touching and inspiring true story about a strong-minded girl who finally embraced her differences. It's the perfect book for every child who has ever felt like an outsider. Larry "Giveadamn" Brown is thrust into the high stakes world of his deceased uncle's Harlem dope and numbers

empire.
