A Confederate General From Big Sur Richard Brautigan

A Confederate General from Big Sur, Dreaming of Babylon, and The Hawkline Monster Richard Brautigan, 2014-04-22 This cult classic from the author of Trout Fishing in America reads like a spaghetti Western crossed with Frankenstein viewed through an opium haze The Sunday Times The celebrated poet novelist and guru of the 1960s San Francisco literary scene Richard Brautigan brings his highly original Gonzo style to this surreal parody Western The time is 1902 the setting eastern Oregon In the ice caves underneath Professor Hawkline s house a deadly monster lurks It s already turned the professor into an elephant foot umbrella stand and now his two beautiful daughters have hired a pair of gunslingers to put a stop to the mayhem But Hawkline Manor is full of curiosities and secrets like the professor s underground laboratory where his work on The Chemicals remains unfinished And as the gunslingers pursue their peculiar quarry they encounter monstrous mischief amorous advances and evil that is all too human Bursting with colour humour and imagery Brautigan s virtuoso prose is rooted in his rural past The Guardian

A Confederate General from Big Sur Richard Brautigan, 1979 *Hawkline Monster* Richard Brautigan, 2009-07 A Gothic Western An imaginative novel about a mansion a monster and a magic child

Dreaming of Babylon Richard Brautigan, 2017-08-03 When you hire C Card you have scraped the bottom of the private eye barrel And when Card is hired to steal a body from the morgue he needs to stop dreaming find bullets for his gun and get there before someone else does Not since Trout Fishing in America has Brautigan so successfully combined his wild sense of humour with his famous poetic imagination In this parody of the hard boiled crime novel the adventures of seedy not too bright C Card are a delight to both the mind and the heart

Jubilee Hitchhiker William Hjortsberg, 2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius

You Can't Catch Death Ianthe Brautigan, 2001-07-10 In all of the obituaries and writing about Richard Brautigan that appeared

after his suicide none revealed to Ianthe Brautigan the father she knew Through it took all of her courage she delved into her memories good and bad to retrieve him and began to write You Can t Catch Death is a frank courageous heartbreaking reflection on both a remarkable man and the child he left behind Trout Fishing in America Richard Brautigan,2010-01-19 A book that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America an instant cult classic Financial Times Richard Brautigan was a literary idol of the 1960s and 70s who came of age during the heyday of Haight Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere Called the last of the Beats his early books became required reading for the hip generation and on its publication Trout Fishing in America became an international bestseller An indescribable romp the novel is best summed up in one word mayonnaise This new edition features an introduction by poet Billy Collins who first encountered Brautigan s work as a student in California From the introduction Trout Fishing in America is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England in 1824 where it is autopsied Trout Fishing in America is also a slogan that sixth graders enjoy writing on the backs of first graders In one notable exhibition of the title s variability Trout Fishing in America turns into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend Through such ironic play Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places **Rommel Drives on Deep Into Egypt** Richard Brautigan,1970-06 **So the Wind Won't Blow It All Away** Richard Brautigan,2011-12-01 In a small Pacific Northwest town we meet a young man who has shot dead his best friend with a gun The novel deals with the repercussions of this tragedy the anguish regret despair and bittersweet romance Typical of Brautigan s singular style So the Wind Won t Blow It All Away is a beautifully written brooding novel Its autobiographical prose is a fitting epitaph to this complex contradictory and often misunderstood writer **Sombrero Fallout** Richard Brautigan,2012-08-02 A heartbroken American writer starts a story about an ice cold sombrero that falls inexplicably from the sky and lands in the centre of a small Southwest town Devastated by the departure of his gorgeous Japanese girlfriend he cannot concentrate on his writing and in frustration he throws away his beginning But as the man searches through his apartment for strands of his lost love s hair the discarded story in the wastepaper basket through some kind of elaborate origami carries on without him Arguments over the sombrero begin one thing leads to another and before long all hell breaks loose in the normally sleep town Brautigan s fertile imagination twists and pulls at the ensuing chaos to come up with a tender moving surreal and incredibly funny tale that is told by a writer at the very peak of his creative powers **An Unfortunate Woman** Richard Brautigan,2001-07-10 Assumes the form of a traveler s journal chronicling the protagonist s journey and his oblique ruminations on the suicide of one woman and the death from cancer of another close friend Jacket **Willard and His Bowling Trophies** Richard Brautigan,1975 **June 30th, June 30th**

Richard Brautigan,1978 The Abortion Richard Brautigan,1973 *Revenge of the Lawn* Richard Brautigan,2014 *Revenge of the Lawn* is Richard Brautigan in miniature and contains no fewer than 62 ultra short stories set mainly in Tacoma Washington where the author grew up and in the flower powered San Francisco of the late fifties and early sixties In their compacted form which ranges from the murderously short *The Scarlatti Tilt* to one page wonders like the sexually poignant poetry of *An Unlimited Supply of 35 Millimetre Film* Brautigan s stories take us into a world where his fleeting glimpses of everyday strangeness leave stories and characters resonating in our heads long after they re gone *The Pill Versus the Springhill Mine Disaster* Richard Brautigan,1970 **In Watermelon Sugar** Richard Brautigan,1977 **The Soft Exile** Eric Kiefer,2023-04-24 An idealistic young American joins the Peace Corps after an aborted suicide attempt He spends two years as a volunteer in the fabled lands of the Mongolian desert steppe searching for redemption and an alternative to modern American life The Edna Webster Collection of Undiscovered Writings Richard Brautigan,1999 Published 15 years after his suicide this all new youthful work by Brautigan was written a decade before he found sudden fame with *Trout Fishing in America* **Naked Prey** John Sandford,2004-05-04 The 1 New York Times bestselling Lucas Davenport novel from John Sandford Two people are found hanging naked from a tree in the woods of northern Minnesota What makes the situation particularly sensitive is the bodies are of a black man and a white woman Lynching is the word everyone s trying not to say but as Lucas Davenport begins to discover the murders are not at all what they appear to be And there is worse to come much much worse All but impossible to put down The Washington Post Fast paced and full of surprises this may be Sandford s best novel yet Library Journal
