Afraid of All the Things Aug 16 2022 What does the gospel say about your fears? What does it say about the irrational ones, like sinkholes in the Target parking lot? How does it speak to the rational ones, like pet scan predictions? And does the gospel have a word for the fears you feel you'll have for life, like the possibility of losing the one you love most? Growing up in the green room of SNL, being born to a fire-eater and adopted by a SWAT cop, having internal organs explode, and adopting a deaf girl from China, Scarlet Hiltibidal has been given some strange life experiences—and lived in fear through most of them. But life changed for Scarlet when she learned to hold the gospel up to her fears. She realized that though she can't fix herself or protect herself, Jesus walked into this broken, sad, scary place to rescue, love, and cast out her—and your—fear. Here, through storytelling and artwork, twelve compelling women of the Bible invite readers to step further into the sacred circle of God's people, deepening their faith and joy in all of creation. That circle offers more than peace. It offers health, healing, and the knowledge that other women have also trod broken and jagged paths in their search for wholeness. By taking this step, the reader will discover that challenges experienced by biblical women are not so different from her own, including infertility, warfare, hunger, old age, grief and sexual conflict.

The Scarlet Sisters Jun 06 2024 A fresh look at the life and times of Victoria Woodhull and Tennie Claflin, two sisters whose radical views on sex, love, politics, and business threatened the white male power structure of the nineteenth century and shocked the world. Here award-winning author Myra MacPherson deconstructs and lays bare the manners and mores of Victorian America, remarkably illuminating the struggle for equality that women are still fighting today. Victoria Woodhull and Tennessee "Tennie" Claflin-the most fascinating and scandalous sisters in American history-were unequaled for their vastly avant-garde crusade for women's fiscal, political, and sexual independence. They escaped a tawdry childhood to become rich and famous, achieving a stunning list of firsts. In 1870 they became the first women to open a brokerage firm, not to be repeated for nearly a century. Amid high gossip that he was Tennie's lover, the richest man in America, fabled tycoon Cornelius Vanderbilt, bankrolled the sisters. As beautiful as they were audacious, the sisters drew a crowd of more than two thousand Wall Street bankers on opening day. A half century before women could vote, Victoria used her Wall Street fame to become the first woman to run for president, choosing former slave Frederick Douglass as her running mate. She was also the first woman to address a United States congressional committee. Tennie ran for Congress and shocked the world by becoming the honorary colonel of a black regiment. They were the first female publishers of a radical weekly, and the first to print Karl Marx's Communist Manifesto in America. As free lovers they railed against Victorian hypocrisy and exposed the alleged adultery of Henry Ward Beecher, the most famous preacher in America, igniting the "Trial of the Century" that rivaled the Civil War for media coverage. Eventually banished from the women's movement while imprisoned for allegedly sending "obscenity" through the mail, the sisters sashayed to London and married two of the richest men in England, dining with royalty while pushing for women's rights well into the twentieth century. Vividly telling their story, Myra MacPherson brings these inspiring and outrageous sisters brilliantly to life.

The Scarlet Letter May 25 2023 *The Scarlet Letter* by Nathaniel Hawthorne is a real classic. You should grab it and read it to experience it yourself. Here's a simple plot to *The Scarlet Letter*: In Puritan Boston, Massachusetts, a crowd gathers to witness the punishment of Hester Prynne, a young woman who has given birth to a baby of unknown parentage. She is required to wear a scarlet "A" on her dress when she is in front of the townspeople to shame her. The letter "A" stands for adulteress, although this is never said explicitly in the novel. Her sentence required her to stand on the scaffold for three hours, exposed to public humiliation, and to wear the scarlet "A" for the rest of her life. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses. As Hester looks out over the crowd, she notices a small, misshapen man and recognizes him as her long-lost husband, who has been presumed lost at sea. When the husband sees Hester's shame, he asks a man in the crowd about her and is told the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name, Roger Chillingworth, to aid him in his plan. The Reverend John Wilson and the minister of Hester's church, Arthur Dimmesdale, question the woman, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. He and Hester have an open conversation regarding their marriage and the fact that they were both in the wrong. Her lover, however, is another matter and he demands to know who it is; Hester refuses to divulge such information. He accepts this, stating that he will find out anyway, and forces her to hide that he is her husband. If she ever reveals him, he warns her, he will destroy the child's father. Hester agrees to Chillingworth's terms although she suspects she will regret it. Following her release from prison, Hester settles in a cottage at the edge of town and earns a meager living with her needlework, which is of extraordinary quality. She lives a quiet, somber life with her daughter, Pearl, and performs acts of charity for the poor. She is troubled by her daughter's unusual fascination with Hester's scarlet "A". The shunning of Hester also extends to Pearl, who has no playmates or friends except her mother. As she grows older, Pearl becomes capricious and unruly. Her conduct starts rumors, and, not surprisingly, the church members suggest Pearl be taken away from

Hester. Hester, hearing rumors that she may lose Pearl, goes to speak to Governor Bellingham. With him are ministers Wilson and Dimmesdale. Hester appeals to Dimmesdale in desperation, and the minister persuades the governor to let Pearl remain in Hester's care. Because Dimmesdale's health has begun to fail, the townspeople are happy to have Chillingworth, a newly arrived physician, take up lodgings with their beloved minister. Being in such close contact with Dimmesdale, Chillingworth begins to suspect that the minister's illness is the result of some unconfessed guilt. He applies psychological pressure to the minister because he suspects Dimmesdale is Pearl's father. One evening, pulling the sleeping Dimmesdale's vestment aside, Chillingworth sees a symbol that represents his shame on the minister's pale chest. Tormented by his guilty conscience, Dimmesdale goes to the square where Hester was punished years earlier. Climbing the scaffold, he admits his guilt but cannot find the courage to do so publicly.... The Scarlet Letter Oct 18 2022 The Scarlet Letter by Nathaniel Hawthorne is a real classic. You should grab it and read it to experience it yourself. Here's a simple plot to The Scarlet Letter: In Puritan Boston, Massachusetts, a crowd gathers to witness the punishment of Hester Prynne, a young woman who has given birth to a baby of unknown parentage. She is required to wear a scarlet "A" on her dress when she is in

front of the townspeople to shame her. The letter "A" stands for adulteress, although this is never said explicitly in the novel. Her sentence required her to stand on the scaffold for three hours, exposed to public humiliation, and to wear the scarlet "A" for the rest of her life. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses. As Hester looks out over the crowd, she notices a small, misshapen man and recognizes him as her long-lost husband, who has been presumed lost at sea. When the husband sees Hester's shame, he asks a man in the crowd about her and is told the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name, Roger Chillingworth, to aid him in his plan. The Reverend John Wilson and the minister of Hester's church, Arthur Dimmesdale, question the woman, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. He and Hester have an open conversation regarding their marriage and the fact that they were both in the wrong. Her lover, however, is another matter and he demands to know who it is; Hester refuses to divulge such information. He accepts this, stating that he will find out anyway, and forces her to hide that he is her husband. If she ever reveals him, he warns her, he will destroy the child's father. Hester agrees to Chillingworth's terms although she suspects she will regret it. Following her release from prison, Hester settles in a cottage at the edge of town and earns a meager living with her needlework, which is of extraordinary quality. She lives a quiet, somber life with her daughter, Pearl, and performs acts of charity for the poor. She is troubled by her daughter's unusual fascination with Hester's scarlet "A". The shunning of Hester also extends to Pearl, who has no playmates or friends except her mother. As she grows older, Pearl becomes capricious and unruly. Her conduct starts rumors, and, not surprisingly, the church members suggest Pearl be taken away from Hester. Hester, hearing rumors that she may lose Pearl, goes to speak to Governor Bellingham. With him are ministers Wilson and Dimmesdale. Hester appeals to Dimmesdale in desperation, and the minister persuades the governor to let Pearl remain in Hester's care. Because Dimmesdale's health has begun to fail, the townspeople are happy to have Chillingworth, a newly arrived physician, take up lodgings with their beloved minister. Being in such close contact with Dimmesdale, Chillingworth begins to suspect that the minister's illness is the result of some unconfessed guilt. He applies psychological pressure to the minister because he suspects Dimmesdale is Pearl's father. One evening, pulling the sleeping Dimmesdale's vestment aside, Chillingworth sees a symbol that represents his shame on the minister's pale chest. Tormented by his guilty conscience, Dimmesdale goes to the square where Hester was punished years earlier. Climbing the scaffold, he admits his guilt but cannot find the courage to do so publicly.... .. The Scarlet Letter by Nathaniel Hawthorne

The Scarlet Letter Aug 04 2021 Hailed by Henry James as "the finest piece of imaginative writing yet put forth in the country," Nathaniel Hawthorne's *The Scarlet Letter* reaches to our nation's historical and moral roots for the material of great tragedy. Set in an early New England colony, the novel shows the terrible impact a single, passionate act has on the lives of three members of the community: the defiant Hester Prynne; the fiery, tortured Reverend Dimmesdale; and the obsessed, vengeful Chillingworth. With *The Scarlet Letter*, Hawthorne became the first American novelist to forge from our Puritan heritage a universal classic, a masterful exploration of humanity's unending struggle with sin, guilt and pride.

Scarlet A Sep 16 2022 Winner of the NCTE George Orwell Award for Distinguished Contribution to Honesty and Clarity in Public Language Although *Roe v. Wade* identified abortion as a constitutional right in 1973, it still bears stigma--a proverbial scarlet A. Millions of Americans

have participated in or benefited from an abortion, but few want to reveal that they have done so. Approximately one in five pregnancies in the US ends in abortion. Why is something so common, which has been legal so long, still a source of shame and secrecy? Why is it so regularly debated by politicians, and so seldom divulged from friend to friend? This book explores the personal stigma that prevents many from sharing their abortion experiences with friends and family in private conversation, and the structural stigma that keeps it that way. In public discussion, both proponents and opponents of abortion's legality tend to focus on extraordinary cases. This tendency keeps the national debate polarized and contentious, and keeps our focus on the cases that occur the least. Professor Katie Watson focuses instead on the cases that happen the most, which she calls "ordinary abortion." *Scarlet A* gives the reflective reader a more accurate impression of what the majority of American abortion practice really looks like. It explains how our silence around private experience has distorted public opinion, and how including both ordinary abortion and abortion ethics could make our public exchanges more fruitful. In *Scarlet A*, Watson wisely and respectfully navigates one of the most divisive topics in contemporary life. This book explains the law of abortion, challenges the toxic politics that make it a public football and private secret, offers tools for more productive private exchanges, and leads the way to a more robust public discussion of abortion ethics. *Scarlet A* combines storytelling and statistics to bring the story of ordinary abortion out of the shadows, painting a rich, rarely seen picture of how patients and doctors currently think and act, and ultimately inviting readers to tell their own stories and draw their own conclusions. The paperback edition includes a new preface by the author addressing new cultural developments in abortion discourse and new legal threats to reproductive rights, and updated statistics throughout.
