The Roaring Lambs Sreedhar Bevara, 2021-03-15 How many were killed in the attack today asked Fursa the senior sheep He was surveying the bloodstained East African grassland where the lions had gone on a rampage now scattered with the shattered bones of his friends and families Despair hung thick in the air Welcome to the jungle Here the survival of the fittest is the ultimate truth The weaker animal gets eaten in what is considered a natural food chain But some have been tampering with the organic arrangement for selfish gains and resorting to mass murder In the Mau Forest in East Africa the mighty lion king Kaizaar's autocratic ways are wreaking havoc on his subjects Known to be the longest serving ruler of the pride he is ministered by the shrewd Shaka the former leader of the lambs who betrayed his flock for the stronger lions With their defences exposed the lambs are backed into a corner How do the lambs stop the carnage and find refuge Will they be able to reverse the fate of their species and restore the Law of the Jungle Can a bunch of fearful lambs learn to roar What emerges is an illuminating leadership fable The politics of the jungle and the strategies that aid survival are lessons of lasting value that will not only inspire but also help find the leader within you

Revolution in the Church Russell Burrill, 1993 As Adventism burns with intense heat in the third world author Russell Burrill writes in the first chapter of this book it barely flames in its homelands Hiring pastors to do the work of the ministry while the laity pay attend and observe is not God s plan for the Adventist church What the author proposes here is indeed revolutionary nothing less than a radical change in how we Adventists do church He contends that both pastors and laity have strayed far from their biblically assigned roles Regardless of how things may have been done in the church for decades now ministry soul winning evangelistic ministry is not the primary task of Adventist pastors As the author clearly establishes from the Bible the chief job description of pastors is to train lay men and women for ministry Likewise the laity must cease delegating away its

evangelistic privileges and responsibilities to a paid priesthood and rediscover the power of the priesthood of all believers For those comfortable with the status of quo of laity as spectators and pastors as the performers of ministry this book may be less than fully welcomed But for those eagerly awaiting the second pentecost the ideas proposed here if implemented will prove to be the spark that ignites it Foreword About the Author Acknowledgments 1 Igniting the Fire 2 Calling All Laity 3 Who Are the Laity 4 The Biblical Role of the Pastor 5 Who Needs Spiritual Gifts 6 How to Discover Your Spiritual Gifts 7 Keeping Your Spiritual Gifts Alive 8 Time for a New Beginning 9 How to Place Members Into Ministry 10 Training for Ministry 11 Getting Started
