*The Illuminated Chronicle Feb 06 2022 The Illuminated Chronicle was composed in 1358 in the international artistic style at the royal court of Louis I of Hungary. Its text, presented here in a new edition and translation, is the most complete record of Hungary's medieval historical tradition, going back to the eleventh century and including the mythical past of its people. The pictures in this manuscript—formerly known as the Vienna Chronicle—are not merely occasional illustrations added to some exemplars, but text and image are closely connected and mutually related to each other, to qualify it as a proper “illuminated chronicle”. The artistic value of the miniatures is quite high, and the characters are drawn with detail and with a knowledge of anatomy. Forty-two of the miniatures are included in the present volume. A full color facsimile will be accessible online. The 147 pictures are an invaluable source of information on late medieval cultural history, costume, and court life. In a historiographical context, The Illuminated Chronicle is an attempt at the popularization of the national history and a systematic appeal to circles beyond the old*

monastic-clerical audience. *The Illuminated Chronicle (Chronica de gestis Hungarorum e codice picto saec. xiv.)* is the ninth volume in the *Central European Medieval Texts, a Latin–English bilingual series*.

*Lasseter's Cave* Jul 26 2023 It's hot, remote, desolate and dangerous - and about as deep into the infamous Australian outback as anyone would dare to venture. An eminent neurosurgeon and his family, on the holiday of a lifetime, are shot dead, their shattered bodies left to the ravages of the desert sun and carrion-eating wildlife. Detective Inspector Russell Foley and his best friend, Detective Sergeant Sam Rose, are sent into the heart of the legendary Harold Lasseter, "Lost Reef of Gold" country, to investigate the brutal murders. But is it Gold Fever, the twisted mind of a deranged killer protecting that which he believes is his... or something else entirely?
