Red Hot Lies Christopher C. Horner,2008-11-11 Liars Al Gore the United Nations the New York Times The global warming lobby relentless in its push for bigger government more spending and more regulation will use any means necessary to scare you out of your wits as well as your tax dollars and your liberties with threats of rising oceans deadly droughts and unspeakable future consequences of climate change In pursuing their anti energy anti capitalist and pro government agenda the global warming alarmists and unscrupulous scientists who see this scare as their gravy train to federal grants and foundation money resort to dirty tricks smear campaigns and outright lies abandoning scientific standards journalistic integrity and the old fashioned notions of free speech and open debate In *Red Hot Lies* bestselling author Christopher Horner himself the target of Greenpeace dirty tricks and alarmist smears exposes the dark underbelly of the environmental movement Power hungry politicians blacklist scientists who reject global warming alarmism U S senators threaten companies that fund climate change dissenters Mainstream media outlets openly reject the notion of balance The occasional unguarded scientist candidly admits the need to twist the facts to paint an uglier picture in order to keep the faucet of government money flowing In the name of saving the planet anything goes But why the nasty tactics Why the cover ups lies and intimidation Because Al Gore and his ilk want to use big government at the local state federal and global level to

run your life and they can brook no opposition But the actual facts as Red Hot Lies makes clear aren't nearly as scary as their fiction

Spectacle Rachel Vincent, 2017-05-30 There is no crueler cage than the confines of the human mind in this riveting sequel to Menagerie from the New York Times bestselling author When their coup of Metzger's Menagerie is discovered Delilah Marlow and her fellow cryptids find their newly won freedom brutally stripped away as they are sold into The Savage Spectacle a private collection of exotic wildlife Specializing in ruthless cryptid cage matches safari style creature hunts and living party favors the Spectacle's owner Willem Vandekamp caters to the forbidden fetishes of the wealthy and powerful At the Spectacle any wish can be granted for the right price But Vandekamp's closely guarded client list isn't the only secret being kept at the Spectacle Beneath the beauty and brutality of life in the collection lie much darker truths and no one is more determined than Delilah to strip the masks from the human monsters and drag all dark things into the light Oh what a disturbingly dark and haunting world Rachel Vincent has crafted Spectacle is definitely not for the fainthearted However it is the characters who are the heart and soul of Spectacle The world they live in is harsh and brutal but it is the strength love and loyalty we see emerging out of the darkness that makes Spectacle so significant I can't wait to see what unfolds in the third book of the Menagerie series Fresh Fiction A bravura example of fantasy series building Publishers Weekly

"B" is for Burglar Sue Grafton, 2010-04-01 B is for Burglar from Sue Grafton's 1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive carefully wrapped package from a good but conservative shop Only her compulsive chatter hinted at the nervousness beneath her cool surface It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone There was an absent sister A will to be settled a matter of only a few thousand dollars Mrs Danziger did not look as if she needed a few thousand dollars And she didn't seem like someone longing for a family reunion Still business was slow and even a private investigator has bills to pay Millhone took the job It looked routine Elaine Boldt's wrappings were a good deal flashier than her sister's but they signaled the same thing The lady had money A rich widow in her early forties she owned a condo in Boca Raton and another in Santa Teresa According to the manager of the California building she was last seen draped in her 12 000 lynx coat heading for Boca Raton According to the manager of the Florida building she never got there But someone else had and she was camping out illegally in Mrs Boldt's apartment The job was beginning to seem a bit less routine It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced making all kinds of wild accusations about his wife But it only became sinister when Millhone learned that just days before Elaine Boldt went missing her next door neighbor and bridge partner had been murdered and the killer was still at large A house destroyed by arson A brutally murdered woman A missing lynx coat An apartment burgled of valueless papers another ransacked in a melé of mindless destruction And more murder As Millhone digs deeper into the case she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing except danger is quite what it seems A Is for Alibi B Is for Burglar
