**The Hole in Our Holiness** Kevin DeYoung,2014-01-31 The hole in our holiness is that we don t care much about holiness Or at the very least we don t understand it And we all have our reasons too Maybe the pursuit of holiness seems legalistic Maybe it feels like one more thing to worry about in your already overwhelming life Maybe the emphasis on effort in the Christian life appears unspiritual Or maybe you ve been trying really hard to be holy and it s just not working Whatever the case the problem is clear too few Christians look like Christ and too many don t seem all that concerned about it This is a book for those of us who are ready to take holiness seriously ready to be more like Jesus ready to live in light of the grace that produces godliness This is a book about God s power to help us grow in personal holiness and to enjoy the process of transformation

For the Time Being W. H. Auden,2013-05-26 The first critical edition of Auden s only explicitly religious long poem *For the Time Being* is a pivotal book in the career of one of the greatest poets of the twentieth century W H Auden had recently moved to America fallen in love with a young man to whom he considered himself married rethought his entire poetic and intellectual equipment and reclaimed the Christian faith of his childhood Then in short order his relationship fell apart and his mother to whom he was very close died In the midst of this period of personal crisis and intellectual remaking he decided to write a poem about Christmas and to have it set to music by his friend Benjamin Britten Applying for a Guggenheim grant Auden explained that he understood the difficulty of writing something vivid and distinctive about that most clich d of

subjects but welcomed the challenge In the end the poem proved too long and complex to be set by Britten but in it we have a remarkably ambitious and poetically rich attempt to see Christmas in double focus as a moment in the history of the Roman Empire and of Judaism and as an ever new and always contemporary event for the believer For the Time Being is Auden s only explicitly religious long poem a technical tour de force and a revelatory window into the poet s personal and intellectual development This edition provides the most accurate text of the poem a detailed introduction by Alan Jacobs that explains its themes and sets the poem in its proper contexts and thorough annotations of its references and allusions **Cmyk** Justin McRoberts,2013-02-03 Centered on a series of letters written for friends and loved ones Justin McRoberts CMYK is an invitation to see the process of faith and life lived among particular people The gift of this CMYK Project is that it brings the rare combination of Biblical faith and raw life together Any who have known Justin McRoberts would be surprised if it did not do so of course The blend is Justin s life and vocation It has been evident in his music and leadership for many years But here it is exposed vividly So are many relationships and the quest for community through life over time What we are given is an invitation to join Justin in an unfinished honest empathic hurting story of hope That is why the story must be told in many dimensions the letters the lyrics and music the visual art the interviews This is not an invitation into a cartoon encounter with God nor with each other It is a multi dimensional littered vivid living story of being human seeking God and neighbor The reason this invitation can be offered at all is not that Justin is remarkable and eccentric which he is The reason is that the God Justin testifies to in Jesus Christ has made human beings for this courageous awkward journey where the fully divine and the truly human meet This is life s most breath taking possibility and as Justin so movingly illustrates we may find it is like laying hold of the third rail No one should find it comfortable Mark Labberton Author of *The Dangerous Act Of Loving Your Neighbor* *Loving Your Community* Stephen Viars,2020-01-21 Are you and your church making a difference in your community Are you meeting needs in a positive proactive and loving way Too often when churches are presented with a need outside their walls they operate on the principle of Say no unless you have to say yes Don t want that to be your church s legacy in your community Drawing on more than 30 years of service to the community surrounding Faith Church in Indiana pastor Stephen Viars shows you how to develop a dynamic giving relationship with your community one in which your natural response to needs is Yes How can we help No matter the size location demographics or issues in your community the approach found in this practical book will help you improve people s lives draw them into productive conversation about the hope you have in Christ and glorify God *Christ at the Checkpoint* April Alexander,2012-02-01 What does the evangelical church in Palestine think about the land the end times the Holocaust peace in the Middle East loving enemies Christian Zionism the State of Israel and the possibilities of a Palestinian state For the first time ever Palestinian evangelicals along with evangelicals from the United States and Europe have converged to explore these and other crucial topics Although Jews Muslims and Christians from a variety of traditions have participated in discussions and work regarding Israel and Palestine

this book presents theological biblical and political perspectives and arguments from Palestinian evangelicals who are praying hoping and working for a just peace for both Israelis and Palestinians Generous Justice Timothy
