Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black white print Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management This is a traditional approach to management using the leading planning organizing and controlling approach Management is a broad business discipline and the Principles of Management course covers many management areas such as human resource management and strategic management as well as behavioral areas such as motivation No one individual can be an expert in all areas of management so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters

Effective Police Supervision Larry S. Miller, Harry W. More, Michael C. Braswell, 2017-02-17 Outstanding first line supervisors are essential to the success of any law enforcement agency yet many officers lack the supervision training necessary to excel Effective Police Supervision immerses readers in the group behaviors and organizational dynamics supervisors must master in order to lead their teams and to help create an effective police department Combining behavioral theory and updated case studies this core text now in its eighth edition is a vital tool for all college students pursuing criminal justice courses on supervisory practices as well as police officers preparing for promotional exams

TEAMS-GROUPS-TASK FORCES IN LAW ENFORCEMENT Harry W. More, Terry L. More, 2011-11-01 Teams groups and task forces in law enforcement agencies are becoming progressively more significant as a greater number of agencies have gained experience with their use The goal of this text is to bring to reality the importance of teams to police managers operational personnel and members of the community Learning objectives appear at the beginning of each chapter that will allow the reader to grasp the complexity and intricacy of these teams The book contains helpful information to gain essential knowledge about groups in an organization with emphasis on teams groups and task forces in law enforcement This is followed by a chapter on leadership and the leader including the leadership continuum concept Of special interest are chapters that address commitment accountability and team performance which serve as a basis for the behavioral and social skills needed to integrate and foster the creation of a real team This is the glue that holds the team together and guides it in such a way that tasks are accomplished which is an essential ingredient of human resource management Other topics include professional growth developmental skills techniques emphatic team communication motivation and inspiring team members the operating environment logic models and problem solving for teams and the application of the principles of assessment In addition the questions discussion at the end of each chapter provides a concise and up to date integration of the chapter content and brings together a practical and operational approach that is clearly useful and informative Law enforcement professionals policymakers investigators and the general public will find the book to be a significant resource in the development of teams groups and task forces

Journal South African Institute of Mining and Metallurgy, 1912

Effective Police Supervision Harry W. More, Larry S. Miller, 2014-02-13 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager *Effective Police Supervision* is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams This revised and updated edition includes new material throughout on police accountability police involvement with news media dealing with social media and avoiding scandals Each chapter includes important key terms and opens with a case study to illustrate important concepts

Handbook of Research on Management and Organizational History Kyle Bruce, 2020-04-24 Emerging from what was a somewhat staid sub discipline there is currently a battle for the soul of Management and Organizational History MOH at the centre of which is a widespread concern that much recent work has been more about how one should or might do history rather than actually doing historical work If ever there was a time for a new volume on MOH this is certainly it
