Harry Potter K Rowling Joanne,Britanic,2016-01-18 Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series written by J K Rowling The plot follows Harry s second year at Hogwarts School of Witchcraft and Wizardry during which a series of messages on the walls of the school s corridors warn that the Chamber of Secrets has been opened and that the heir of Slytherin would kill all pupils who do not come from all magical families These threats are found after attacks which leave residents of the school petrified frozen like stone Throughout the year Harry and his friends Ron Weasley and Hermione Granger investigate the attacks The book was published in the United Kingdom on 2 July 1998 by Bloomsbury and in the United States on 2 June 1999 by Scholastic Inc Although Rowling found it difficult to finish the book it won high praise and awards from critics young readers and the book industry although some critics thought the story was perhaps too frightening for younger children Much like with other novels in the series Harry Potter and the Chamber of Secrets triggered religious debates some religious authorities have condemned its use of magical themes while others have praised its emphasis on self sacrifice and on the way in which a person s character is the result of the person s choices Several commentators have noted that personal identity is a strong theme in the book and that it addresses issues of racism through the treatment of non magical non human and non living characters Some commentators regard the diary as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked Institutional
