Written with passion, humour, and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel, to look to John le Carr for a lesson in how to advance plot through dialogue, and to Flannery O'Connor for the cunning use of the telling detail. To be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading.

Grounded in Egri's assertion that every type of creative writing depends upon the credibility of a character, here is concise, clear advice on the most important element of good writing: characterization. As practical as it is inspiring, *The Art of Creative Writing* remains a timeless, illuminating guide that teaches every writer and aspiring writer how to create works that are both compelling and enduring.
