Technical Agile Coaching with the Samman Method Emily Bache, 2021-01-25 Samman Technical Coaching is an approach to Agile training that focuses on technical questions concerning how code is written. It is a highly effective way of increasing agility in your software development organization. The first part of the Samman method involves the coach working in an ensemble with development teams programming in their production codebase. This hands-on mentoring is accompanied by daily learning hour sessions for mastering particular techniques. In this book, you will discover how to put Samman into practice, improve your coding procedures, and how you collaborate. It is a practical guide for aspiring and experienced coaches looking for fresh ideas and new ways of teaching Agile. It is both challenging and fun for developers and coaches alike.

Hughie and Paula Christopher Green, Carol Clerk, 2004 In 1997 controversial TV star Paula Yates discovered that her true father was not as she had believed disgraced television personality Jess Yates but the man who had destroyed his career Hughie Green. Devastated she approached Green's son Christopher in an effort to unravel the mystery behind her two fathers. Hughie Green was a huge showbiz figure and probably the first star of British TV. His show *Opportunity Knocks* launched the career of Les Dawson and many others. Christopher Green's investigation, which forms the heart of this extraordinary book, uncovered many of the dark and deeply buried secrets that Paula Yates tragically never lived to hear.

The Soul of Discipline Kim John Payne, 2021-02-02 In this groundbreaking book, parenting expert and acclaimed author of the bestselling book *Simplicity Parenting*, Kim John Payne M.Ed. flips the script on children's challenging or defiant behavior and lays out an elegantly simple plan to support parents in establishing loving, age-sensitive boundaries that help children feel safe and settled. In short, what looks like misbehavior is actually your children's signal that they're feeling lost, that they are trying to find direction and looking to you to guide them back on course. Payne gives parents heartwarming help and encouragement by combining astute observations with sensitive and often funny stories from his long career as a parent educator and a school and family counselor. In accessible language, he explains the relevance of current brain and child development studies to day-to-day parenting. Breaking the continuum of childhood into three stages, Payne says that parents need to play three different roles, each corresponding to one of those stages, to help steer children through their emotional growth and inevitable challenging times: The Governor, who is comfortably and firmly in charge, setting limits and making decisions for the early years up to around the age of eight; The Gardener, who watches for emotional growth and makes decisions based on careful listening, assisting tweens in making plans that take the whole family's needs into account; The Guide, who is both a sounding board and moral compass for emerging adults, helping teens build a sense of their life's direction as a way to influence healthy decision-making. Practical and rooted in common sense, *The Soul of Discipline* gives parents permission to be warm and nurturing but also calm and firm, not overreactive. It gives clear, doable strategies to get

things back on track for parents who sense that their children's behavior has fallen into a troubling pattern. And best of all it provides healthy direction to the entire family so parents can spend less time and energy on outmoded punitive discipline and more on connecting with and enjoying their kids. Advance praise for *The Soul of Discipline*. *The Soul of Discipline* offers practical tools for helping parents implement discipline that's respectful and effective, but the book is so much more. Kim John Payne offers a framework to guide parents in making decisions about why, when, and how to hold tighter reins as we build skills in our children, and why, when, and how to loosen the reins as we scaffold freedom. Tina Payne Bryson, Ph.D., co-author of *No Drama Discipline*. This book gets deep inside the challenge of getting along with children and teens and thinks deeply about what they need from us to become strong and self-managing. It elevates discipline to what it should be: a caring process of helping kids orient to the world and live in it happily and well. Steve Biddulph, author of *The New Manhood*. Kim Payne provides a useful model for choosing our parenting stance: Governor, Gardener, or Guide, depending on the situation. Most powerfully, Payne begins with the radical view that children are not disobedient but rather disoriented. The upshot of this shift in perspective is that discipline is about helping children orient themselves effectively, not about controlling or chastising. Lawrence J. Cohen, Ph.D., author of *Playful Parenting*. **Mediating Dangerously** Kenneth Cloke, 2002-02-28. Sometimes it's necessary to push beyond the usual limits of the mediation process to achieve deeper and more lasting change. *Mediating Dangerously* shows how to reach beyond technical and traditional intervention to the outer edges and dark places of dispute resolution where risk-taking is essential and fundamental change is the desired result. It means opening wounds and looking beneath the surface, challenging comfortable assumptions, and exploring dangerous issues such as dishonesty, denial, apathy, domestic violence, grief, war, and slavery in order to reach a deeper level of transformational change. *Mediating Dangerously* shows conflict resolution professionals how to advance beyond the traditional steps, procedures, and techniques of mediation to unveil its invisible heart and soul and to reveal the subtle and sensitive engine that drives the process of personal and organizational transformation. This book is a major new contribution to the literature of conflict resolution that will inspire and educate professionals in the field for years to come. **Making and Meeting Objections II** Judge Robert Wenke, 1986-01-01.
