Romiette and Julio Sharon M. Draper, 2010-12-07 Do you feel the soul of another calling to you Do you know in your heart that your destiny and his were meant to merge In the cosmos We can help you find him When Romiette Cappelle and her best friend Destiny decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine they're not sure what they're getting into But Destiny a self-proclaimed psychic assures Romi that for 44.99 plus shipping and handling it's the only way they're ever going to find out who their soul mates really are If nothing else maybe Romi will get some insight into that recurring dream she's been having about fire and water But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague a boy she's just met in the cosmos of an Internet chat room It turns out they go to the same high school not to mention having almost the same names as Shakespeare's famous lovers Sweet scented dreams of Julio have almost overtaken Romi's nightmares when suddenly they return but this time in real life It seems the Devildogs a local gang violently oppose the relationship of Romiette and Julio Soon they find themselves haunted by the purple clad shadows of the gang and the fire and water of Romiette's dream merge in ways more terrifying and ultimately more affirming than even Destiny could have foreseen

teachers need to help students of all abilities make the important transition to higher level texts **Blessed Motherhood, Bitter Fruit** Elinor Accampo,2006-09-08 Nelly Roussel 1878 1922 the first feminist spokeswoman for birth control in Europe challenged both the men of early twentieth century France who sought to preserve the status quo and the women who aimed to change it She delivered her messages through public lectures journalism and theater dazzling audiences with her beauty intelligence and disarming wit She did so within the context of a national depopulation crisis caused by the confluence of low birth rates the rise of international tensions and the tragedy of the First World War While her support spread across social classes strong political resistance to her message revealed deeply conservative precepts about gender which were grounded in French identity itself In this thoughtful and provocative study Elinor Accampo follows Roussel s life from her youth marriage speaking career motherhood and political activism to her decline and death from tuberculosis in the years following World War I She tells the story of a woman whose life and work spanned a historical moment when womanhood was being redefined by the acceptance of a woman s sexuality as distinct from her biological reproductive role a development that is still causing controversy today Fire from the Rock Sharon Draper,2008-09-18 Sylvia is shocked and confused when she is

asked to be one of the first black students to attend Central High School which is scheduled to be integrated in the fall of 1957 whether people like it or not Before Sylvia makes her final decision smoldering racial tension in the town ignites into flame When the smoke clears she sees clearly that nothing is going to stop the change from coming It is up to her generation to make it happen in as many different ways as there are colors in the world **Girls Like Us** Gail Giles,2014-05-27 A 2015 Schneider Family Book Award Winner With gentle humor and unflinching realism Gail Giles tells the gritty ultimately hopeful

story of two special ed teenagers entering the adult world We understand stuff We just learn it slow And most of what we understand is that people what ain t Speddies think we too stupid to get out our own way And that makes me mad Quincy and Biddy are both graduates of their high school s special ed program but they couldn t be more different suspicious Quincy faces the world with her fists up while gentle Biddy is frightened to step outside her front door When they re thrown together as roommates in their first real world apartment it initially seems to be an uneasy fit But as Biddy s past resurfaces and Quincy faces a harrowing experience that no one should have to go through alone the two of them realize that they might have more in common than they thought and more important that they might be able to help each other move forward Hard hitting and compassionate *Girls Like Us* is a story about growing up in a world that can be cruel and finding the strength and the support to carry on
