Brimming with God Jun 12 2021 The yearning to be a theologian is widespread. Pastors, students, supervisors, and mentors all wish to think theologically about their ministries but often feel inadequately prepared. This book seeks to respond by showcasing a variety of approaches to theological reflection brought to bear upon actual situations in ministry. It is written by theological field educators. We define theological reflection as reflection upon lived, embodied experiences in ministry that seeks to make sense of practice and form reflectors in habits for competent ministry. An introductory chapter defines theological reflection as practiced within field education and points readers toward a diversity of approaches. Eleven subsequent chapters present two reflections upon the same case, each reflection written by a different author and representing a different reflection method. The book's significance is as a resource for teaching theological reflection in a range of settings. It not only offers a definition of and rationale for theological reflection but models various approaches to it. Its use of cases furthermore models the use of case studies in theological education and pastoral practice more widely.

School of the Prophets Mar 14 2024 The Essential Guide for Prophets Mining from years on the frontlines of prophetic ministry, and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to · discern your calling and grow in your gift · define your divinely appointed sphere of influence and depth of authority · recognize the six different types of prophets--and how to deal with false ones · navigate potential relational difficulties as you step into your gifting · understand the complex ways God communicates · prepare for the common, but dangerous, spiritual attacks prophets face Vallotton offers a balanced view of not only what modern-day prophets are, but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this

treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, The Roar: God's Sound in a Raging World; Future Perspectives, New Haven, Connecticut

**Understanding of the Bible** Sep 15 2021 BIBLICAL STUDIES - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture. PERSONAL NOTES - This workbook is designed for you to work through each

of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections. **SIMPLE WORKBOOK** - What you'll find within this book is a simple template that will allow you to work through each of the book of the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. **ADDITIONAL RESOURCES** - In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper understanding of God, specific books of the Bible, and the whole Bible. **Bible Workbook Vol. 1 Old Testament** Mar 02 2023 A need was felt in many high school Bible classes for a method of giving notes and assignment questions quickly, thereby leaving more of the valuable classroom time for explanations, discussions, and student participation. This workbook was first compiled to meet that need. This workbook has also been used by various age groups in churches and colleges and by individuals desiring a better understanding of God's word. This is in no sense a textbook. It is hoped that no one will make the completion of the workbook a goal in itself but that the questions and notes may stimulate and guide each student in searching and knowing the BIBLE. The workbook is planned for a high school course which meets every day for a semester. The workbook has been effectively used in weekly Adult Bible classes by dividing it into four units of twelve lessons each. Because of this limited time in which to cover the Old Testament the problem of what to assign for reading and what to omit looms large. By the name of each book or by the questions on the book there are listed suggestive chapters for reading. The plan of the course is to study Israel's history chronologically. David's and Solomon's writings are fitted in with their lives and the prophets mentioned as they appear in the history of the nation. The course is so arranged as to be flexible according to the individual teacher's emphasis. Some may wish to end their course without completing the Old Testament history but most teachers feel that a brief glance at the whole is profitable in giving the students a rounded view of God's dealing with His chosen people. This book is not primarily for teachers but for students. It is factual rather than inspirational. The spiritual presentation of the course has been left for each individual teacher to present according to the daily needs of the class. It is hoped that the facts and questions may furnish a basis for making many vital applications of the Old Testament to present-day living. In this second revision the sections on the kingdom period and the poetic books have been enlarged. The place of Christ in the Old Testament, especially in prophecy, has been set forth more clearly. There are additional notes in the material bringing ones attention to the progressive unfolding of God's plan of redemption. The following words from 1 Timothy 4:12-16 were sent to me at the beginning of my work of Bible teaching. May the stimulation this passage must have been years ago to Timothy, and more recently to myself, be yours also. "Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. Till I come, give attendance to reading, to exhortation, to doctrine. Neglect not the gift that is in thee, which was given thee by

prophecy, with the laying on of hands of the presbytery. Meditate upon these things; give thyself wholly to them; that thy profiting may appear to all. Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee.” CATHERINE B. WALKER

**The Best VBS Workbook Ever!** Feb 13 2024 - Enables organizers to envision and implement a VBS program customized for the local church - Practical, comprehensive, from-the-ground-up approach to VBS Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. The Best VBS Workbook Ever offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs, Directors of Christian Education, Directors of Children's Ministry, Camps and Retreat Centers, FORMA, Kanuga Christian Education conference, eFormation network

*The Equipping Ministry, Student Workbook* Aug 07 2023 The ministry of the Word of God lies at the heart of the equipping ministry. Paul tells the Ephesians that God has given the Church apostles, prophets, evangelists, and pastors and teachers in order that they might equip the saints for the work of the ministry, for building up the body of Christ (Eph. 4.11-12). There is no precedent for seeing a church as having a single minister: truly, all believers in Christ are ministers of the grace of God, and pastors are assigned to equip them. As believers we hold to the universal priesthood of believers (1 Pet. 2.8-9), in the universal ministry of the gifts of the Spirit (1 Cor. 12.1-11), and the universal functioning of the members of the body of Christ (Rom. 12.3-8). This module focuses on the role of Christian leaders to equip the saints through the ministry of preaching and teaching. We first consider the ministry of proclamation (kerygma) and then highlight dimensions of the ministry of teaching (didache). In each section, we carefully define the critical distinctiveness of the ministries respectively, noting their differences and similarities in nurturing the body of Christ. We explore both as seen in Jesus' and the apostles' work, and examine the elements involved in the call to preach and to teach. We pay careful attention to the role that character plays in both, and highlight the ministry of the Holy Spirit in the equipping ministries together. We close our study by providing the tried method for effective preaching and teaching, i.e., how to plan, deliver, and follow up the Word preached and taught. As communicators of the Word of God, we must first establish contact with hearers, communicate the content of the Word clearly and boldly, and make connections with the truth of the message and the lives of the audience, proclaiming all in dependence on the Holy Spirit. This is the Student Workbook for TUMI's Capstone Module 15 English course, *The Equipping Ministry*, which is one of 16 modules in the Capstone Curriculum.
