**Investments** Zvi Bodie, Alex Kane, Alan Marcus, 2010-09-17 Bodie Kane and Marcus Investments sets the standard for graduate MBA investments textbooks. It blends practical and theoretical coverage while maintaining an appropriate rigor and a clear writing style. Its unifying theme is that security markets are nearly efficient, meaning that most securities are priced appropriately given their risk and return attributes. The text places greater emphasis on asset allocation and offers a much broader and deeper treatment of futures, options, and other derivative security markets than most investment texts. It is also the only graduate Investments text to offer an online homework management system, McGraw Hill's Connect Finance.

*Essentials of Investments* Zvi Bodie, Alex Kane, Alan J. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.
