Japan At War An Oral History Haruko Taya Cook

Japan at War Haruko Taya Cook, Theodore F. Cook, 2000 Approximately three million Japanese died in a conflict that raged for years over much of the globe from Hawaii to India Alaska to Australia causing death and suffering to untold millions in China southeast Asia and the Pacific Islands as well as pain and anguish to families of soldiers and civilians around the world Yet how much do we know of Japan's war In a sweeping panorama Haruko Taya and Theodore Cook take us from the Japanese attacks on China in the 1930s to the Japanese home front during the devastating raids on Tokyo Hiroshima and Nagasaki offering the first glimpses of how this violent conflict affected the lives of ordinary Japanese people Oral History of a compellingly high order Kirkus Reviews This book seeks out the true feelings of the wartime generation and illuminates the contradictions between official views of the war and living testimony Yomiuri Shimbun **Japan at War: an Oral History, (by) Haruko Taya Cook and Theodore F. Cook** Haruko Taya Cook, 1992 *Japan at War* Haruko Taya Cook, Theodore F. Cook, 1992 An oral history of Japan during World War II recounts this terrible conflict through the eyes of the Japanese soldiers laborers newspapermen artists musicians women who lived through it 20 000 first printing **Japan at War** Haruko Taya Cook, Theodore F. Cook, 1992-01-01 Recounts the conflict and documents the huge range of experiences by Japanese soldiers laborers journalists artists musicians and women who lived through World War II *Japan's Imperial Army* Edward J. Drea, 2016-05-03 Popular impressions of the imperial Japanese army still promote images of suicidal banzai charges and fanatical leaders blindly devoted to their emperor Edward Drea looks well past those stereotypes to unfold the more complex story of how that army came to power and extended its influence at home and abroad to become one of the world's dominant fighting forces This first comprehensive English language history of the Japanese army traces its origins evolution and impact as an engine of the country's regional and global ambitions and as a catalyst for the militarization of the Japanese homeland from mid nineteenth century incursions through the end of World War II Demonstrating his mastery of Japanese language sources Drea explains how the Japanese style of warfare burnished by samurai legends shaped the army narrowed its options influenced its decisions and made it the institution that conquered most of Asia He also tells how the army's intellectual foundations shifted as it reinvented itself to fulfill the changing imperatives of Japanese society and how the army in turn decisively shaped the nation's political social cultural and strategic course Drea recounts how Japan devoted an inordinate amount of its treasury toward modernizing professionalizing and training its army which grew larger more powerful and politically more influential with each passing decade Along the way it produced an efficient military schooling system a well organized active duty and reserve force a professional officer corps that thought in terms of regional threat and well trained soldiers armed with appropriate weapons Encompassing doctrine strategy weaponry and civil military relations Drea's expert study also captures the dominant personalities who shaped the imperial army from Yamagata Aritomo an

incisive geopolitical strategist to Anami Korechika who exhorted the troops to fight to the death during the final days of World War II Summing up Drea also suggests that an army that places itself above its nation s interests is doomed to failure

When Empire Comes Home Lori Watt,2020-03-17 Following the end of World War II in Asia the Allied powers repatriated over six million Japanese nationals from colonies and battlefields throughout Asia and deported more than a million colonial subjects from Japan to their countries of origin Depicted at the time as a postwar measure related to the demobilization of defeated Japanese soldiers this population transfer was a central element in the human dismantling of the Japanese empire that resonates with other post colonial and post imperial migrations in the twentieth century Lori Watt analyzes how the human remnants of empire those who were moved and those who were left behind served as sites of negotiation in the process of the jettisoning of the colonial project and in the creation of new national identities in Japan Through an exploration of the creation and uses of the figure of the repatriate in political social and cultural realms this study addresses the question of what happens when empire comes home

Soldiers of the Sun Meirion Harries,1994-07-05 Soldiers of the Sun traces the origins of the Imperial Japanese Army back to its samurai roots in the nineteenth century to tell the story of the rise and fall of this extraordinary military force Meirion and Susie Harries have written the first full Western account of the Imperial Japanese Army Drawing on Japanese English French and American sources the authors penetrate the lingering wartime enmity and propoganda to lay bare the true character of the Imperial Army

The Pacific War, 1931-1945 Saburo Ienaga,2010-06-16 A portrayal of how and why Japan waged war from 1931 1945 and what life was like for the Japanese people in a society engaged in total war

Sacred War Theodore F. Cook,Haruko Taya Cook,2024-08-06 The first effort to reconstruct the history of the Pacific War exclusively from internal Japanese sources from the renowned historians A magisterial work of political social and military history Sacred War sets a new standard for understanding the events that forever transformed America Japan and the world Celebrated historians Theodore F and Haruko Taya Cook whose oral history of the Pacific war was called one of the essential books about World War II Philadelphia Inquirer now offer a shattering new history of Japan s long war in the Pacific told exclusively from the perspective of the Japanese Sacred War draws on a rich trove of documents much of it first person and almost all of it previously inaccessible to Western scholars Based on painstaking research here is World War II through the eyes of the Japanese themselves ordinary people on the home front soldiers on the front lines and the military and political leadership who drove Japan to near annihilation by 1945 Sacred War reveals both the internal logic of an authoritarian society bent on victory at all costs including in the final twelve months of the war over one million civilian deaths as well as heart rending accounts of the unfolding conflict from the disease ridden beaches on Guadalcanal to the burnt out streets of Hiroshima following the nuclear attacks by the United States that brought the war to its devastating end

Ways of Forgetting, Ways of Remembering John W. Dower,2014-02-04 Historian John W Dower s celebrated investigations into modern Japanese

history World War II and U S Japanese relations have earned him critical accolades and numerous honors including the Pulitzer Prize the National Book Award and the Bancroft Prize Now Dower returns to the major themes of his groundbreaking work examining American and Japanese perceptions of key moments in their shared history Both provocative and probing *Ways of Forgetting Ways of Remembering* delves into a range of subjects including the complex role of racism on both sides of the Pacific War the sophistication of Japanese wartime propaganda the ways in which the nuclear bombing of Hiroshima and Nagasaki is remembered in Japan and the story of how the postwar study of Japan in the United States and the West was influenced by Cold War politics *Ways of Forgetting Ways of Remembering* offers urgent insights by one of our greatest interpreters of the past into how citizens of democracy should deal with their history and as Dower writes the need to constantly ask what is not being asked

The Long Defeat Akiko Hashimoto,2015 In *The Long Defeat* Akiko Hashimoto explores the stakes of war memory in Japan after its catastrophic defeat in World War II showing how and why defeat has become an indelible part of national collective life especially in recent decades Divisive war memories lie at the root of the contentious politics surrounding Japan s pacifist constitution and remilitarization and fuel the escalating frictions in East Asia known collectively as Japan s history problem Drawing on ethnography interviews and a wealth of popular memory data this book identifies three preoccupations national belonging healing and justice in Japan s discourses of defeat Hashimoto uncovers the key war memory narratives that are shaping Japan s choices nationalism pacifism or reconciliation for addressing the rising international tensions and finally overcoming its dark history

Peasants, Rebels, Women, and Outcasts Mikiso Hane,2016-11-14 This compelling social history uses diaries memoirs fiction trial testimony personal recollections and eyewitness accounts to weave a fascinating tale of what ordinary Japanese endured throughout their country s era of economic growth Through vivid often wrenching accounts of peasants miners textile workers rebels and prostitutes Mikiso Hane forces us to see Japan s modern century from the beginnings of contact with the West to World War II through fresh eyes In doing so he mounts a formidable challenge to the success story of Japan s economic miracle Starting with the Meiji restoration of 1868 Hane vividly illustrates how modernization actually widened the gulf economically and socially between rich and poor between the mo bo and mo ga modern boy and modern girl of the cities and their rural counterparts He interlaces his scholarly narrative with sharply etched individual stories that allow us see Japan from the bottom up We feel the back breaking labor of a typical farm family the anguish of poverty stricken parents forced to send their daughters to Japan s new mills factories and brothels the hopelessness in rural areas scourged by famine the proud defiance of women battling against patriarchy and the desperation of being on strike in a company town in revolt in the countryside or conscripted into the army This updated edition is enhanced by a substantive new introduction by Samuel H Yamashita By allowing the underprivileged to speak for themselves Hane and Yamashita present us with a unique people s history of an often hidden world

The World War Two Reader Gordon Martel,2004 This comprehensive reader provides an

overview of research in the study of the Second World War and includes chapters by some of the best known and most innovative scholars working today It gives attention to the fighting of the war throughout the world *Daily Life in Wartime Japan, 1940-1945* Samuel Hideo Yamashita,2017-02-19 The population of wartime Japan 1940 1945 has remained a largely faceless enemy to most Americans thanks to the distortions of US wartime propaganda popular culture and news reports At a time when this country s wartime experiences are slowly and belatedly coming into focus this remarkable book by Samuel Yamashita offers an intimate picture of what life was like for ordinary Japanese during the war Drawing upon diaries and letters written by servicemen kamikaze pilots evacuated children and teenagers and adults mobilized for war work in the big cities provincial towns and rural communities Yamashita lets us hear for the first time the rich mix of voices speaking in every register during the course of the war Here is the housewife struggling to feed her family while supporting the war effort the eager conscript from snow country enduring the harshest most abusive training imaginable in order to learn how to fly the Tokyo teenagers made to work in wartime factories the children taken from cities to live in the countryside away from their families and with little food and no privacy the Kyushu farmers pressured to grow ever more rice and wheat with fewer hands and less fertilizer and the Kyoto octogenarian driven to thoughts of suicide by his inability to contribute to the war How these ordinary Japanese coped with wartime hardships and dangers and how their views changed over time as disillusionment impatience and sometimes despair set in is the story that Yamashita s book brings to the American reader A history of life during war *Daily Life in Wartime Japan 1940 1945* is also a glimpse of a now vanished world **Japan's Orient** Stefan Tanaka,1995-02-08 Stefan Tanaka examines how late nineteenth and early twentieth century Japanese historians created the equivalent of an Orient for their new nation state He argues that the Japanese attempted to use a variety of pasts Chinese Indian and proto historic Japanese to construct an identity that was both modern and Asian *The Geography of Power in Medieval Japan* Thomas Keirstead,2014-07-14 In this reevaluation of the estate system which has long been recognized as the central economic institution of medieval Japan Thomas Keirstead argues that estates or shoen constituted more than a type of landownership Through an examination of rent rolls land registers maps and other data describing individual estates he reveals a cultural framework one that produced and shaped meaning for residents and proprietors Keirstead s discussion of peasant uprisings shows that the system however did not define a stable closed structure but was built upon contested terrain Drawing on the works of Foucault de Certeau and Geertz among others this book illuminates the presuppositions about space and society that underwrote estate holding It traces how the system reordered the social and physical landscape establishing identity for both rulers and subjects Estate holders seeking to counter the fluid movement of populations across estate boundaries pressed into service a social distinction between peasants and wanderers Peasant rebels made use of the fiction that the estate comprised a natural community in order to resist proprietorial exactions In these instances Keirstead contends the estate system reveals its governing logic social and

political divisions were articulated in spatial terms power was exercised and contested through geography Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A Boy Called H Kappa Senoo,2002 This fictionalized autobiography recreates the boyhood years of the eponymous H or Hajime Senoh The Senohs a Kobe family of modest means were distinguished by their Christian faith and their extensive contact with foreigners Precocious inquisitive and irreverent H came of age during the dark years of Japan s descent into the abyss of war World War II and was a middle school student during the conflict The 50 vignettes that comprise this book provide an accessible unforgettable and intimate introduction to the effects of the war upon Japanese family life friendships school and society Libr J

Chinese Foreign Relations Robert G. Sutter,2010 A third edition of this book is now available This comprehensive and thoroughly updated introduction to Chinese foreign relations discerns the opportunities and limits China faces as it seeks increased international influence Tracing the record of twists and turns in Chinese foreign relations since the end of the Cold War Robert G Sutter provides a nuanced analysis that shows that despite popular perceptions of its growing power Beijing is hampered by both domestic and international constraints This text s balanced and meticulous assessment shows China s leaders exerting more influence in world affairs but remaining far from dominant Facing numerous contradictions and tradeoffs they move cautiously as they deal with a complex global environment

The Gift of Good Land Wendell Berry,2018-09-05 The essays in *The Gift of Good Land* are as true today as when they were first published in 1981 the problems addressed here are still true and the solutions no nearer to hand The insistent theme of this book is the interdependence the wholeness the oneness of people land weather animals and family To touch one is to tamper with them all We live in one functioning organism whose separate parts are artificially isolated by our culture Here Berry develops the compelling argument that the gift of good land has strings attached We have it only on loan and only for as long as we practice good stewardship

How to Rule the World André De Guillaume,2005 Simple direct and delightfully unprincipled this is the essential book for the briefcase handbag or knapsack of any aspiring world leader

Japan At War An Oral History Haruko Taya Cook Introduction

In today's digital age, the availability of Japan At War An Oral History Haruko Taya Cook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Japan At War An Oral History Haruko Taya Cook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Japan At War An Oral History Haruko Taya Cook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Japan At War An Oral History Haruko Taya Cook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Japan At War An Oral History Haruko Taya Cook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Japan At War An Oral History Haruko Taya Cook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Japan At

War An Oral History Haruko Taya Cook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Japan At War An Oral History Haruko Taya Cook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Japan At War An Oral History Haruko Taya Cook books and manuals for download and embark on your journey of knowledge?

FAQs About Japan At War An Oral History Haruko Taya Cook Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Japan At War An Oral History Haruko Taya Cook is one of the best book in our library for free trial.
