Principles of Microeconomics Robert H. Frank, Ben Bernanke, 2020-12 Although many millions of dollars are spent each year on introductory economics instruction in American colleges and universities the return on this investment has been disturbingly low Studies have shown for example that several months after having taken a principles of economics course former students are no better able to answer simple economics questions than others who never even took the course Most students it seems leave our introductory courses without having learned even the most important basic economic principles

Macroeconomics Arthur O'Sullivan, Steven M. Sheffrin, Stephen J. Perez, 2012 For Principles of Macroeconomics courses Questions that drive interest applications that illustrate concepts and the tools to test and solidify comprehension Students come into their first Economics course thinking they will gain a better understanding of the economy around them Unfortunately they often leave with many unanswered questions To ensure students actively internalize economics O'Sullivan Sheffrin Perez use chapter opening questions to spark interest on important economic concepts applications that vividly illustrate those concepts and chapter ending tools that test and solidify understanding ISE Issues in Economics Today Robert Guell, 2020 **Economics** Colander, 1995-02
