What if the Ten Commandments were not just a set of ancient rules, but a guide to experiencing the good life today? “Adam Hamilton is a teacher of the highest order, able to bridge the gap between very old divine teaching and very current human reality.”—Barbara Brown Taylor, author of *Always a Guest: Speaking of Faith Far from Home* Nearly everyone has heard of the Ten Commandments, the list of “thou-shalt-nots” found in the Bible. Jesus saw these commandments not as onerous burdens, but as guideposts to help us experience a good and beautiful life. These ten ancient “words” were given to us by a loving God who longed to set safe boundaries, create order out of chaos, help communities live peacefully, and protect us—often from ourselves. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving “thou shalt.” He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. A landmark work from one of our most trusted biblical thinkers, *Words of Life* is an inspiring, thought-provoking read for anyone seeking to live a meaningful and joyful life. Imagine walking through a maximum security prison and seeing the cell keys hanging inside the cells. By choosing not to forgive, we voluntarily sentence ourselves to diminished, pain-filled lives. Why would anyone do such a thing? Because forgiveness seems an inappropriate response to offense. To experience a broken promise, betrayed confidence, personal rejection, false accusation, injury, or abuse, is to be wounded. Such wounds cry out for justice. But what if justice is not possible? Or if it doesn't undo the damage done? What then? In this concise, quickly-read volume, noted pastor and author Erwin Lutzer carefully illustrates how it is possible to right the wrongs of your life. Whether you've been wronged--or have wronged others--he makes it possible to experience the freedom of forgiveness, and the restoration of a clear conscience. What type of leadership is needed in a moment that demands adaptive change? Exploring the qualities of adaptive leadership within churches and nonprofit organizations, Tod Bolsinger deftly examines both the external challenges we face and the internal resistance that holds us back, showing how leaders can become both stronger and more flexible. Paralyzed by anxiety, fear, and uncertainty? In this 40-day interactive journey, discover a step-by-step process that can break that cycle. Offering an action plan and journaling space for turning your thoughts into real change, learn to take back your life. Every person has a mission and a God-given potential to impact the world, whether they recognize it or not. But life presents challenges and traps us in a helpless, hopeless loop of anxiety and fear. In *Take Back Your Life*, a blend of his bestselling books *Through the Eyes of a Lion* and *I Declare War*, join Levi Lusko on an interactive journey to equip yourself to become the best version of yourself. Offering forty daily challenges to help you come to terms with the reality of your internal battle, learn to take up the weapons God has given you and engage in the fight. With biblical truth and perspective, this step-by-step journaling process will help you: Get out of your own way by learning to think right so you can live right Find purpose by discovering that God will do great things with your imperfect progress Learn that your pain is not an obstacle to being used by God but an opportunity to be used like never before This is more than a book. It's an intimate self-analysis tool that will help you recognize what's weighing you down or holding you back. This is a journey to get back the life you know you were born for—to change your thinking so you can change your living and become the difference-maker God sees when he sees you. Bestselling author Robert Morgan offers ten strategies for dealing with hard times and discouragements in order to move from fear to faith—a divine protocol for handling life. *Red Sea Rules* has been updated with new study questions. Life is hard, especially for Christians. It is certain that we will face difficulties and that God will allow them. But just as certain is the fact that the same God who led us in will lead us out. As *The Red Sea Rules* makes comfortingly clear, He is in control. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. In Life Without Lack, Dallas Willard revolutionizes our understanding of Psalm 23 by taking this comfortably familiar passage and revealing its extraordinary promises: "The Lord is my shepherd, I shall not want...Yea, though I walk through the valley of the shadow of death, I will fear no evil." Written with Willard's characteristic gentle wisdom, Life Without Lack helps you experience: God's comforting presence God's abundant generosity Peace and freedom from worry Based on a series of talks by the late author and edited by his friend Larry Burtoft and by his daughter, Rebecca Willard Heatley, Life Without Lack will forever change the way you experience the most well-known passage in all of Scripture. Praise for Life Without Lack: "Dallas Willard helps us to understand that the Twenty-Third Psalm is not meant as a nice sentiment or for kitschy decor, it is for the very thick of our lives, the very moment of crisis. Imagine what our personal lives, families, communities, and politics would look like if we rejected the frantic striving of our day, and instead embraced the life without lack offered to us in Jesus Christ. No one has helped me to imagine and enter into that life more than Dallas Willard. I recommend this book with great joy and hopeful expectation." --Michael Wear, bestselling author of Reclaiming Hope "How did I get here?" Inspiration from the Apostle Paul on how to pray bold, exciting prayers. Inspiration from the Apostle Paul on how to pray bold, exciting prayers. So many of us struggle with prayer. Many books have been written on the subject and there's a reason for that. Prayer comes hard to most of us, in most seasons. And when we do pray, we often don't know what to say. What is it that my Father loves to hear about? What are the best things I could pray for my family, my church, and myself? This short book by renowned Bible teacher Alistair Begg combines warmth, clarity, humour, and practicality as he examines Paul's prayers for his friends in the church in Ephesus. Paul clearly enjoyed prayer, and was excited about it. He expected his Father in heaven to hear what he said, and to act in other people's lives accordingly. The truths that underpin and shape his prayers will motivate us to pray and set us an example. So be inspired by the Apostle Paul to pray bigger and better prayers as we look to our heavenly Father to do more than all we ask or imagine! The teacher's edition for Principles of Life (High School) With its first edition, Principles of Life provided a textbook well aligned with the recommendations proposed in BIO 2010: Transforming Undergraduate Education for Future Research Biologists and Vision and Change in Undergraduate Biology Education. God's code of conduct is as relevant and insistent today as it's always been. The landscape of contemporary society reveals that we neither know nor care much about the Law of God. There is: A general lawlessness in the lives of professing Christians. An absence of the fear of God in public worship and private living. A growing confidence in ourselves and doubt concerning God and His Word. Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope. With dynamic implications for how each of us lives every day, Pathway to Freedom will challenge you to think long and

hard about the significance of God's Law. "We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments." —CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C. ***Includes Practice Test Questions*** Life & Health Exam Secrets helps you ace the Life & Health Insurance Exam, without weeks and months of endless studying. A beautiful invitation to discover your place in God's heart and let him set the pace for your life—from a wife and mother, singer-songwriter, and worship leader for Passion Conferences and IF:Gathering "Christy Nockels is a gentle, strong voice shepherding us into a fuller life with Jesus at the very center. This book will restore your weary soul."—Jennie Allen, New York Times bestselling author of Get Out of Your Head and founder and visionary of IF:Gathering Christy Nockels knows firsthand how easily our desire to serve God—even when using the gifts He has given us—can overshadow our delight in simply being with Him. When God called her to lay down her ministry for a season, Christy was forced to confront how her sense of purpose and worth had become tangled up in her work. God then lovingly invited her to discover true rest in His presence as she learned to live as the Beloved. In The Life You Long For, Christy shows us how to let go of hustle and achievement and instead find our identity in the quiet center of God's love. As we delight in being with Him, we are filled to overflowing with contentment and love that propel us into an entirely new way of being, one in which every act of service and every encounter with the people around us arise from a heart at rest. With irresistible warmth and grace, this book calls you to step fully into the life you didn't even realize you've been seeking, as you find your highest calling not in a duty to uphold but in a beautiful identity to live out. Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author. Jesus is the most important person in the life of the Christian.
