Coach Wooden's Greatest Secret Oct 31 2022 At the first practice of each season, legendary coach John Wooden taught his players how to put on their socks and shoes a very particular way. When asked about this, he replied, "The little things matter. All I need is one little wrinkle in one sock to put a blister on one foot--and it could ruin my whole season. I started teaching about shoes and socks early in my career, and I saw that it really did cut down on blisters during the season. That little detail gave us an edge." Coach Wooden knew the long-term impact of little things done well. Now Pat Williams takes Coach Wooden's lesson, along with stories of people whose lives have exemplified the importance of little things done well, and shows readers how the small things one does or doesn't do drastically affect one's integrity, reputation, health, career, faith, and success. A Little Thing. [A tale.] Mar 16 2024

The Webster Bible Feb 08 2021 The language of the Bible has no inconsiderable influence in forming and

preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology, and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by vulgarisms, nor tricked out with the ornaments of affected elegance. Noah Webster, 1833

Artificial Life Dec 21 2021 Around the age of sixteen, poet Zeinab Arjah fell upon great emotional turmoil. She turned to religion and found comfort in her faith, but she also turned to the written word. She posted many of her verses online in the hopes of reaching other people facing similar troubles in an effort to say, You are not alone.

Artificial Life, written over the course of two years, is a collection of her emotionally charged poetry. Each poem reveals a different level of darkness and sometimes light. Expressing good times or bad, her poems reverberate with the human condition, as we've all felt passion, love, friendship, and even the terrible pain of loss. Her words are lyrical and filled with imagery. She speaks to the difficult reality of life and seeks to find hope even in the darkest of times. She bridges the gap between actuality and the realm of imagination, but even in the most fantastical of phrases, Arjah pursues the path of living a life filled with joy and peace.

Plays 1682–1696: Volume 4, The Plays 1682–1696 Apr 24 2022 Aphra Behn (1640-1689) is renowned as the first professional woman of literature and drama in English. Her career in the Restoration theatre extended over two decades, encompassing remarkable generic range and diversity. Her last five plays, written and performed between 1682 and 1696, include city comedies (*The City-Heiress*, *The Luckey Chance*), a farce (*The Emperor of the Moon*), a tragicomedy (*The Widow Ranter*), and a comedy of family inheritance (*The Younger Brother*). These plays exemplify Behn's skills in writing for individual performers, and exhibit the topical political engagement for which she is renowned. They witness to Behn's popularity with theatre audiences during the politically and financially difficult years of the 1680s and even after her death. Informed by the most up-to-date research in computational attribution, this fully annotated edition draws on recent scholarship to provide a comprehensive guide to Behn's work, and the literary, theatrical and political history of the Restoration.

10 Little Things for a Happier Marriage Jan 02 2023 *10 Little Things for a Happier Marriage* is among the very few books available that contain this much detailed insight, knowledge, and practical advice in short form. This E-book is a thorough and an insightful research work written on the basis of years of practical experiences dealing with overcoming relationship challenges. I hope this book will serve millions of couples to find better alternatives for keeping their relationship healthy & alive, even after suffering pain. Before writing this book, I have tried to talk with couples; I found we should not try to correct anyone else. Love is not keeping track of all the wrongs that your loved ones do. Many couples face traumatic situations in their lives, I am agreeing with that it's not your fault if your life partner is abusive, but it's the responsibility of the couple to figure out how they're going to react to those traumas and try to make a meaningful life out of it. It is very difficult, but possible. Someone has to take the responsibility to figure out how to overcome it to take positive steps to create a good life for yourself & your children. Never fall into the trap of feeling like you're a victim, you are not a victim. With dedication, hard work and firm determination, you can very well overcome any disastrous situation. Have faith in yourself and you will find things that seems hard to achieve is achievable when you work hard to achieve them. Good luck! And Cheers to life!
