messages abound. This is the first book that looks at how the U.S. House of Representatives really works, by drawing on the insights and experiences of former members. Chapters address every aspect of life in the House, from running for Congress to the impact on family life. Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many

new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy

Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional

agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle. Landmark Text Now Revised and Expanded for a New Generation We

all face hard times and obstacles in life--whether physically, emotionally, spiritually, financially, creatively, or relationally. Yet we have a God who is with us and for us. A God who, as Micah 2:13 says, is a "Breaker" who goes before us. Now revised and expanded, this new edition of Barbara Yoder's best-selling book will help you discover that the same God who led Moses and broke open the way for his people is leading the church today--and he will break open any way or route he has ordained for us to go through. Yet he does not do it alone. You are part of the breakthrough.

Every believer filled with the Spirit has access to God's breaker anointing. We can move forward, therefore, with faith, confidence, and bold, courageous action. He is waiting for us to step out and change our lives, cities, and nations. God the Breaker goes before us--and where he goes, nothing can hold us back. Jesus's ministry included not only preaching and teaching, points out British Bible teacher Peter J. Horrobin, but fully one-third of Christ's recorded healings involved deliverance. In this groundbreaking work, Horrobin urges believers to exercise the authority of Jesus in

this often-ignored dimension. Through in-depth Scripture teaching, he demonstrates persuasively that the charge Jesus gave his disciples to heal the sick and cast out demons was a vital part of the Great Commission for the whole church for all time. Formerly two volumes, *Healing through Deliverance* is now available in a single hardcover edition. It lays out the biblical foundation for the ministry of healing and deliverance. It also shows how people can become affected by demonic powers and offers keys for bringing about healing through deliverance. Readers will find

practical guidelines for building and conducting a healing and deliverance ministry through the local church and in ministry and counseling centers. With this complete work, believers will be equipped to respond to all of God's call--to preach the gospel, heal the sick, and cast out demons. *Lesser Feasts and Fasts* had not been updated since 2006. This updated edition, adopted at the 79th General Convention (resolution A065), fills that need. *Biographies* and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely

balance the men and women represented within its pages. This inspiring book describes the Hebrides revival in the mid 20th Century. The prayer labor that preceded the revival and the travailing intercession that birthed it are highlighted. Enduring revival principles are featured.
