Hit Me Lawrence Block, 2013-02-14 The explosive fifth book in the Keller series from the master of classic American crime Keller thought he was done killing people for money He has a new name a new wife a new career and a baby on the way But old habits die hard Business is bad and a phone call is all it takes to draw him back into the old game This time his work takes him to Dallas to settle a domestic dispute to Florida where he joins a government witness on a cruise to Wyoming where a house has burned down and to New York where he lived for so many years And where people might remember him

Hit Man Lawrence Block, 2009-03-17 Keller is your basic urban Lonely Guy He makes a decent wage lives in a nice apartment Works the crossword puzzle Watches a little TV Until the phone rings and he packs a suitcase gets on a plane flies halfway across the country and kills somebody It s a living But is it a life Keller s not sure He goes to a shrink but it doesn t work out the way he planned He gets a dog he gets a girlfriend He gets along

Hit Parade Lawrence Block, 2009-03-17 Keller is friendly Industrious A bit lonely sometimes If it wasn t for the fact that he kills people for a living he d be just your average Joe The inconvenient wife the troublesome sports star the greedy business partner the vicious dog he ll take care of them all quietly and efficiently If the price is right Like the rest of us Keller s starting to worry about his retirement After all he s not getting any younger His victims on the other hand aren t getting any older So he contacts his booking agent Dot up in White Plains and tells her to keep the hits coming He ll take any job anywhere His nest egg needs fattening up Of course being less choosy means taking greater risks and that could buy Keller some big trouble Then again in this game there are plenty of opportunities for some inventive improvisation and a determined self motivator can make a killing

Deadly Honeymoon Lawrence Block,2016-02-07 You may rape the bride David and Jill Wade wanted a properly traditional start to their marriage For openers they decided to delay its consummation until after the ceremony They planned a perfect honeymoon at a secluded lakeside resort in Pennsylvania s Pocono Mountains Joe Carroll the guest in the cabin next door seemed friendly enough They took his dinner suggestion then returned to their cabin and prepared to retire until a noise alerted them and they went to the porch and watched a group of men descend on Joe Carroll s cabin They dragged him out at gunpoint then executed him in cold blood And Jill screamed The men heard her rushed the Wade s cabin They took their turns with Jill Then they left And the newlyweds barely considered reporting the violation to the police Instead with only a name and a few bare clues to steer them they hunted down the men who d done the awful deed and the crime boss who d given them their orders DEADLY HONEYMOON was Lawrence Block s first hardcover novel It s a powerful tale of revenge and of a man and woman far more closely bound by their shared mission than they would have been by a more ordinary honeymoon THE CLASSIC CRIME LIBRARY brings together Lawrence Block s early crime novels reformatted and with new uniform cover art
