Shark Net Robert Drewe

The Shark Net Robert Drewe, 2001-07-01 Robert Drewe has written a moving and unpretentious memoir of a precocious youth a bittersweet tribute to youth's optimism Joyce Carol Oates The New York Review of Books A spiced and savory memoir The New York Times of the dark life hidden in a sunny seaside Australian community Written with the same lyrical intensity and spellbinding prose that has won Robert Drewe's fiction international acclaim The Shark Net is set in a city haunted by the menace of an elusive serial killer Drewe's middle class youth in the seaside suburbs of Perth Australia often described as the most isolated city in the world takes a sinister turn when a social outcast who turns out to be an employee of Drewe's father embarks on a five year murder spree This unusual memoir brilliantly evokes the confluence of adolescent innocence and sexual awakening while a killer who eventually murders eight people including several of Drewe's friends lurks in the shadows

The Shark Net Robert Drewe, 2003-07-08 Written with the same lyrical intensity and spellbinding prose that has won Robert Drewe's fiction international acclaim The Shark Net is set in the 1950s in a city haunted by the menace of an elusive serial killer Drewe's youth in the middle class seaside suburb of Perth Australia often described as the most isolated city in the world takes a sinister turn when a social outcast who turns out to be an employee of Drewe's father embarks on a five year murder spree This unusual memoir brilliantly evokes the confluence of adolescent innocence and sexual awakening while a hare lipped killer who eventually murders eight people including one of Drewe's friends lurks in the shadows

The Drowner Robert Drewe, 2001-09-03 In the warm alkaline waters of the public bath a headstrong young engineer accidentally collides with a beautiful actress From this innocent collision of flesh begins a passion that takes them from the Wiltshire Downs to the most elemental choices of life and death in the Australian desert Their intense romance is but part of the daring story that unfolds Mingling history myth and technology with a modern cinematic and poetic imagination Robert Drewe presents a fable of European ambitions in an alien landscape and a magnificently sustained metaphor of water as the life and death force

Montebello Robert Drewe, 2012 Listen to me my mother says They've let off an atom bomb today Right here in W A Atom bombs worry the blazes out of me and I want you at home In the sleepy and conservative 1950s the British began a series of nuclear tests in the Montebello archipelago off the west coast of Australia Even today few people know about the three huge atom bombs that were detonated there but they lodged in the consciousness of the young Robert Drewe and would linger with him for years to come In this moving sequel to The Shark Net and with his characteristic frankness humour and cinematic imagery Drewe travels to the Montebellos to visit the territory that has held his imagination since childhood He soon finds himself overtaken by memories and reflections on his own isomania In the aftermath of both man made and natural events that have left a permanent mark on the Australian landscape and psyche from nuclear tests and the mining boom to shark attacks along the coast Drewe examines how

comfortable and familiar terrain can quickly become a site of danger and how regeneration and love can emerge from chaos and loss Montebello has this wonderfully novelistic flow that draws you back to another time William Yeoman West Australian Superb writing and skilful interweaving of the different strands in this book make it a pleasure to read Lisa Hill ANZ LitLovers Creating a complex picture out of discrete though related narrative chunks Montebello is a fragmentary book but a perfectly integrated work of art Drewe's literary instincts are as impeccable as his ear for the English language is unfaltering and his latest memoir has all the more force for being set down with such a delicate hand Richard King Weekend Australian This is a splendid memoir with many moods delicate tough ironic compassionate that are beautifully controlled and paced Brian Matthews ABR

Bodysurfers: Popular Penguins Robert Drewe, 2009-06-29 Set among the surf and sandhills of the Australian beach and the tidal changes of three generations of the Lang family *The Bodysurfers* is an Australian classic A short story collection which has become a bestseller and been adapted for film television radio and the theatre *The Bodysurfers* on its first publication marked a major change in Australian literature

A Cry in the Jungle Bar Robert Drewe, 2001-09-03 Big bullish Dick Cullen light sleeper former rugby star and present expert on water buffalo is lumbering through his tour of duty with a UN agency in Asia Totally out of his depth among his small deft knowing colleagues he lurches sweatily from bar to bar across various tropical states of emergency Only in the Nameless Nightclub does he realise it is just a matter of time before his nightmares become reality

The Rip Robert Drewe, 2009-08-31 Internationally acclaimed novelist Robert Drewe returns to the short story territory he has made his own Set against the backdrop of the Australian coast as randomly and imminently violent as it is beautiful *The Rip* reveals the fragility of relationships between husbands and wives children and parents friends and lovers You will find yourself set down in a modern Garden of Eden with a disgraced Adam seeking his Eve sharing the fears of a small boy in a coastal classroom as a tsunami approaches in an English gaol cell with an Australian surfer on drug charges and witnessing a middle aged farmer contemplating murdering the hippie who stole his wife Written in a variety of moods always compassionate wry and razor sharp these dazzling stories are crafted by Drewe's incisive wit and passion You will read the powerful short stories in this collection with your heart in your mouth They are the stories of a writer at the top of his form and they will attach themselves to you Carmel Bird

THE AGE Thirteen exquisitely focused tales all dealt with through a rich yet limpid literary chemistry by what might be called a sumptuous minimalism WEST AUSTRALIAN

The Bay of Contented Men Robert Drewe, 1991-09-03 Witty and seductive inventive and disturbing *The Bay of Contented Men* ranges in location from east to west coast Australia to the United States Japan and Hong Kong This is the neighbourhood of edgy suburbanite Australians whose desires and misadventures are conjured here into intriguing fictions Robert Drewe's characters face the confrontation of gender race and generation with an ironic desperation born of love lust and wistful memory

Sand Robert Drewe, Kinsella John, 2012 Renowned novelist and creative non fiction writer Robert Drewe teams up with internationally acclaimed poet John Kinsella to explore a common

geography in poetry and prose Sand is quintessentially Australian It is a property from which many of our stories assumptions and geographical reckonings are drawn For Drewe and Kinsella it evokes the memories both personal and cultural that inspire the writing in this book

A Death in Belmont Sebastian Junger,2006-04-17 A fatal collision of three lives in the most intriguing and original crime story since *In Cold Blood* In the spring of 1963 the quiet suburb of Belmont Massachusetts is rocked by a shocking sex murder that exactly fits the pattern of the Boston Strangler Sensing a break in the case that has paralyzed the city of Boston the police track down a black man Roy Smith who cleaned the victim s house that day and left a receipt with his name on the kitchen counter Smith is hastily convicted of the Belmont murder but the terror of the Strangler continues On the day of the murder Albert DeSalvo the man who would eventually confess in lurid detail to the Strangler s crimes is also in Belmont working as a carpenter at the Jungers home In this spare powerful narrative Sebastian Junger chronicles three lives that collide and ultimately are destroyed in the vortex of one of the first and most controversial serial murder cases in America

The Beach Robert Drewe,2015-11-01 Robert Drewe internationally acclaimed writer writes here about the quintessential Australian experience Drewe looks at the sunny salty sexiness of the beach that first enticed the crusading Mr William Gocher into the ocean at Manly in 1903 defying authorities in his neck to knee bathing costume We ve come a long way from sunbathing in stockings and pantaloons to the unabashed display of sun kissed bodies of all shapes and sizes at any beach in the country today But the beach also has a dark side as a place of tragedy violence and danger a place where sharks attack prone surfers and prime ministers disappear Drewe s lyrical examination of Australian beach culture combines imagery from some of Australia s most celebrated photographers with his personal anecdotes a favourite boat a capsicum strewn beach a summer holiday with teenagers and an unwelcome great white This is a book for Australians dreaming of the beach that is those of us not there right now

The Shark Net Robert Drewe,2003-07-08 Aged six Robert Drewe moved with his family from Melbourne to Perth the world s most isolated city and proud of it This sun baked coast was innocently proud too of its tranquillity and friendliness Then a man he knew murdered a boy he also knew The murderer randomly killed eight strangers variously shooting strangling stabbing bludgeoning and hacking his victims and running them down with cars an innocent Perth was changed forever In the middle class suburbs which were the killer s main stalking grounds the mysterious murders created widespread anxiety and instant local myth The murders and their aftermath have both intrigued me and weighed heavily on me for three decades To try to make sense of this time and place and of my own childhood and adolescence I had finally to write about it The result is *The Shark Net* a vibrant and haunting memoir that reaches beyond the dark recesses of murder and chaos to encompass their ordinary suburban backdrop

The Savage Crows Robert Drewe,2001 This revelatory story of the most tragic cruel brave and misguided episode in Australia s history the saving of a unique race the Tasmanian Aborigines is seen through the eyes of an obsessive young present day narrator Breathtaking and visionary in its scope *The Savage Crows* breaks new fictional ground in its affecting portrayal of

the collision of worlds generations and mythologies from suburban apathy and cynicism blossoms a wild foolhardy and beautiful hinterland of time and space

Our Sunshine Robert Drewe,2010-06-28 Our Sunshine is the tale of a man whose story outgrew his life Robert Drewe s strikingly imaginative re creation of the inner life of Ned Kelly is written with a brilliant clarity and impressionistic economy It carries the reader into a dreamworld of astonishing and violent revelation an entrancing and frightening landscape of murder sexuality persecution robbery vanity politics and corruption

My Life with Cleopatra Walter Wanger,Joe Hyams,2013-06-04 Cleopatra faced countless problems during its filming and production passionate casting disputes broken contracts a costly re location from London to Rome an emergency tracheotomy for its star Elizabeth Taylor scandal ridden gossip surrounding relationships on set and a budget of 2 million that ballooned to final costs of 44 million Legendary producer Walter Wanger recalls the drama that occurred both on and off the set including the incredible obstacles he had to overcome and the exhilaration of producing a cinematic triumph A revealing story about Elizabeth Taylor and Richard Burton s tempestuous romance and an insightful filmmaker s journal now back in print for the 50th anniversary of Cleopatra s release My Life with Cleopatra shares the true story of the relationship and film that enthralled the world I have been told by responsible journalists that there was more world interest in Cleopatra which I produced and in its stars Elizabeth Taylor Richard Burton and Rex Harrison than in any event of 1962 Walter Wanger

The Local Wildlife Robert Drewe,2013 Welcome to the Northern Rivers where the local wildlife can refer to more than just the exotic native fauna After a decade spent in this picturesque corner of Australia home of chocolate coated women pythons in the ceiling online Russian brides deadly paralysis ticks and the mysterious Mullumbimby Monster Robert Drewe wiped the green zinc cream from his face and set down some of the unusual wildlife experiences that the far north coast of New South Wales home of the world s greatest variety of ants has to offer Drewe s trademark gentle wit acute observational powers and mastery of the English language are all on display in this collection of sketches and anecdotes based on the quirkiness of daily life His sharp eye for human foibles including his own is tempered with a generosity of spirit Tall tales from Australia s master of the short story but this time these short short stories are true Excuse me mate he asked the

fluorescently green bespectacled half submerged man who was trying to put pen to paper while sitting in water flicking ants off his work and wincing as he shifted his buttock position Is that how writers do writing Yep I frowned verdantly over my glasses It s a very complicated job for brilliant description lively simile and a gift for drama and narrative Drewe is hard to match and these small apparently easy pieces have much in common with his more ambitious literary work Dennis Haskell Review **Whipbird** Robert Drewe,2018-07-30 Kungadgee Victoria Australia A weekend in late November 2014 At Hugh and Christine Cleary s new vineyard Whipbird six generations of the Cleary family are coming together from far and wide to celebrate the 160th anniversary of the arrival of their ancestor Conor Cleary from Ireland Hugh has been meticulously planning the event for months a chance to proudly showcase Whipbird to the extended clan Some of these family members know each other some don t As the wine flows it promises to be an eventful couple of days Comic topical honest sharply intelligent and above all sympathetic Robert Drewe s exhilarating new novel tells a classic Australian family saga as it has never been told before **The Word Enfleshed** Oliver D. Crisp,2016-09-20 A Fresh Theological Account of the Person and Work of Christ The literature on Christology is large and ever expanding The same is true for work on the atonement which has blossomed in the last decade Few studies attempt to connect the dots between these two theological topics however In this volume respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ focusing on the theme of union with God Incarnate Along the way he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions Wide ranging and carefully argued this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology [The Race Beat](#) Gene Roberts,Hank Klibanoff,2008-06-17 An unprecedented examination of how news stories editorials and photographs in the American press and the journalists responsible for them profoundly changed the nation s thinking about civil rights in the South during the 1950s and 60s Roberts and Klibanoff draw on private correspondence notes from secret meetings unpublished articles and interviews to show how a dedicated cadre of newsmen black and white revealed to a nation its most shameful shortcomings that compelled its citizens to act Meticulously researched and vividly rendered The Race Beat is an extraordinary account of one of the most calamitous periods in our nation s history as told by those who covered it
