Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown

to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams! Newly updated, Peterson's Master the ASVAB is a comprehensive guide that provides

extensive review and practice tests, top-notch study tips and strategies, along with updated information on changes to the AFQT exam. This guide provides: Four full-length ASVAB practice tests (3 in the book and access to 1 additional test online) A diagnostic test to help determine strengths and weaknesses Over 1,300 practice questions to score high on the exam Coverage of all ASVAB test subjects, with dedicated sections for each subtest. Extensive detail on the AFQT sections (Armed Forces Qualification Test, comprising two verbal and two math sections)

Comprehensive information about the ASVAB and military occupations, including: - updated information about test changes - review and practice exams for every subject test - updated information on enlisting, military training, duty assignment, pay scales and grades, and benefits - profiles of more than 125 military careers Own the ASVAB test with the #1 guide on the market! Passing the ASVAB test is the essential ticket to getting into your dream branch of the military—and a good score can determine the shape of your career. A stellar performance can

also help you get grants and bonuses for school, so—no pressure! But don't be daunted: like any military operation, having the right plan of attack and equipment are key—and as the number-one-selling guide year after year that's packed with all the information you need to win, the latest edition ASVAB For Dummies takes care of both of these in one! In a friendly, straightforward style, Angie Papple Johnston—who passed the test herself in 2006 to join the Army—provides in-depth reviews of all nine test subjects. Don't worry if you slept through some

of this material in school; you'll find a complete refresher on everything you'll be expected to know—plus full explanations for every answer, drill exercises, and strategy cheat sheets for verbal, math, and general sciences. You'll also get tips on how to pinpoint areas where you need to develop mental muscle and to strengthen your test-taking skills. And if this weren't already giving you some pretty awesome firepower, you can also go online to reinforce your game using flashcards and customizable practice tests calibrated to address areas where you need help the most.

Match your skills against practice problems Drill your math, science, and English knowledge to perfection Master test strategy and tactics Get one-year access to additional practice tests, flashcards, and videos online Whatever your aim for your military career, this book provides the perfect training ground for you to be the very best you can be on the day of the test! practice test has  
questions on: -  
understanding the  
main idea of the  
paragraph - finding  
the best title for a  
passage - locating  
key details and  
specific information  
from the passage -  
comprehending  
unknown  
vocabulary in a  
passage -  
understanding the  
author's purpose,  
tone, and attitude -

making inferences and drawing conclusions from a passage Like the actual exam, there are questions on both short and longer passages. Exam SAM's unique study system gives you in-depth focus on just the paragraph comprehension part of the ASVAB exam, letting you perfect the skills in the areas that students find the most troublesome on this part of the test.
