Off Sides Sawyer Bennett, 2013-02-21 I'm not sure what possessed me to do it. Maybe it was the impossible expectations I faced, maybe it was my own self-loathing. But I just knew I needed something different to happen. I needed someone something to derail me from my current path. Otherwise I would become lost, a hollowed-out shell of a man. So I did it. I approached her, then I pursued her, then I made her mine. And my life was saved. Ryan Burnham is the privileged son of a U.S. Congressman and captain of his university's hockey team. While he is on the verge of fulfilling his dreams to play in the NHL, his parents want him on a different course. One he is expected to accept for the sake of his family's public image. Forced to abandon her music career after the heart-breaking death of her parents, Danny Cross exists on the opposite side of the tracks from Ryan. She is struggling to make her own way, working two jobs, attending college part-time, and volunteering in a homeless shelter. She is on a mission to build her own success. With a chance meeting, their vastly different worlds collide, causing each to evaluate whether they are truly on the correct path to self-fulfillment and happiness. Can their relationship survive, particularly when others are against them every step of the way? A lot can happen in just ten short days. Note: From Sawyer Bennett. This book is part of the Off Series, but it can be read as a stand-alone book. Nothing in the prior or subsequent books will diminish your understanding of this novel. This is a New Adult Contemporary Romance. Off Sides Book 1: Off Limits, Book 2: Off The Record, Book 3: Off Course, Book 4: Off Chance, Book 5: **Code Name: Tiara**. Sawyer Bennett, 2021-09-07 I joined Jameson Force Security for three reasons: the missions, the danger, and the money. I definitely didn't join the team to be an overpriced babysitter for a spoiled princess. Ask anyone who knows me, and they'll tell you Jackson Gale is an adventurer through and through. Yet here I am, halfway across the world, watching over Princess Camille of the House Winterbourne. Even her name sounds stuck up. After arriving in Bretaria, I realize that Princess Camille is nothing that I expected. Beautiful, smart, and sophisticated, Camille is the very picture of elegance and grace. But under her perfect facade, she is funny, adventurous, sexy as hell, and impossible to resist. And that is a dangerous combination. The closer Camille and I become, the more obvious it is that while she and I are compatible in many ways, our destinies are not. She has a duty to the monarchy, and I'm just an average American who's fallen for a princess. Everyone says we can't be together, but how does one walk away from the other half of their heart?

Wicked Favor Sawyer Bennett, 2017-06-05 New York Times bestselling author Sawyer Bennett is happy to introduce a new Wicked Horse club in Las Vegas, and you're cordially invited to attend the grand opening. As the owner of The Wicked Horse, an elite sex club located along the Vegas Strip, I never spend the night alone. I don't grant favors and will rarely give you the time of day unless I want you in my bed. So when the sister of my sworn enemy shows up asking for help, saying no should be easy. But all I see is the opportunity to help this beautiful woman while exacting revenge on her brother, and I am not about to pass that up. Beaten and bruised, Trista Barnes is running out of

options and unfortunately for her I'm her last chance to get out of the mess she's in. She doesn't know why I despise her brother so much but as long as I can help her she doesn't care. And while I am more than happy to keep her safe I intend to do so while opening her up to a sinful world she never knew existed. As Trista falls into the wicked world of guilt-free pleasure with no regrets my feelings of possessiveness begin to grow. But when she finds out I used her as my pawn for revenge my wicked favor may cost me everything.

Sugar Daddy Sawyer Bennett, 2016

Sela Halstead lost her innocence in a way that no sixteen-year-old should ever have to endure. She's spent years trying to forget that night even while wondering about the identities of the monsters who brutalized her until a telltale tattoo flashes across Sela's TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend's world only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner.

Riggs Sawyer Bennett, 2021-10-26

Known as the team loner, Riggs Nadeau gives his all on the ice but nothing extra off it. A beautiful stranger is about to cause chaos in his very structured world. As a professional hockey player, people think I live a charmed life. On the surface, I do. But they don't know the horrors of my childhood or the real reason that I have custody of my seventeen-year-old sister, Janelle. And that's exactly the way I like it. They may think I'm a prick because I don't like to share, but that's fine. They don't know me and they don't need to. In an effort to help Janelle get settled in Phoenix and stay out of trouble at school, I set her up with a job at Clarke's Corner, the local bookstore owned by the girlfriend of a teammate. It's there that she makes friends with Veronica Woodley, the extremely annoying, arrogant, money-hungry divorcee who I don't want anywhere near my sister. Janelle insists I'm completely wrong about Veronica, but I refuse to accept that. I have to keep reminding myself that that gorgeous blond with legs for days is off-limits. Through a series of events, I start to see Veronica for what she really is: an amazing woman who has survived her own hell to come out even stronger. I have to admit we're more alike than not, and the attraction between us burns hot. Maybe I was all wrong about my ability to love and commit, but when the past comes back to haunt me, can I be the man that Veronica and Janelle deserve?

Wicked Knight Sawyer Bennett, 2019-01-01

He never wanted to be anyone's hero. Some would call me irrevocably broken. I submerge myself in long work hours by day and debauchery at The Wicked Horse by night, using those things to numb the pain and guilt I feel over the death of my wife. What isn't satisfied by one will surely be resolved by the other. At least that's how I've survived the last few years. But things change when Hannah Madigan shows up at my door, the newest employee sent by the company that cleans my apartment. Beat down by life, not to mention a cheating husband who was unfairly awarded custody of their daughter, Hannah is determined to make a better life for herself and get her kid back, even if it means working three jobs to do so. One costly mistake puts Hannah in my debt, and I'm not about to let the chance to have this dark-haired beauty pass me by. She's given a golden opportunity. Determined to stay the course by any means necessary, Hannah accepts my less than

professional offer I'll give her a job She'll give me her body Sounds easy right Until the scales tip and I find myself needing her in ways I'm not ready to admit Until I find that saving someone else may just mean allowing myself to be saved in return
