The Delilah Complex M. J. Rose, 2014-10-20 As one of New York's top sex therapists Dr Morgan Snow sees everything from the abused to the depraved The Butterfield Institute is the sanctuary where she tries to heal these battered souls The Scarlet Society is a secret club of twelve powerful and sexually adventurous women But when a photograph of the body of one of the men they recruited to dominate strapped to a gurney the number 1 inked on the sole of his foot is sent to the New York Times they are shocked and frightened Unable to cope with the tragedy the women turn to Dr Morgan Snow But what starts out as grief counseling quickly becomes a murder investigation with any one of the twelve women a potential suspect The case leads Detective Noah Jordan a man with whom Morgan has shared a brief intense connection to her office He fears the number on the man's foot hints that the killings have just begun With her hands tied by her professional duty Morgan is dangerously close to the demons in her own mind and the flesh and blood killer

The Halo Effect M. J. Rose, 2014-10-20 Dr Morgan Snow is a well known sex therapist with a prestigious clinic devoted to the psychology of sex One of her patients Cleo is a beautiful cultured prostitute who runs her own call girl business Cleo has been coming to Dr Snow because she's fallen in love but is unable to have a healthy sexual relationship One day Cleo arrives with a manuscript for a tell all book and then disappears A serial killer has been at work in the city and Detective Noah Jordan turns to Morgan Snow to find out more about the psychology of a sexual murderer Both Morgan and Noah suspect there is a link between the serial killer and Cleo's sudden disappearance and work together to find her before it is too late

Lip Service M. J. Rose, 2013-05-02 On the surface Julia Sterling's life is enviable She lives on Manhattan's East Side is married to a renowned psychiatrist deeply loves her stepson and is forging a career as a journalist When a writing assignment exposes Julia to telephone sex she glimpses a world that stirs her erotic fantasies but threatens her carefully constructed reality As she probes her emotional and sexual connections to the men she knows and several she will never meet she confronts evil perversity and her own passions

Paradoxes of Gender Judith Lorber, 1994-01-01 In this pathbreaking book a well known feminist and sociologist who is also the Founding Editor of *Gender* why transvestites transsexuals and hermaphrodites do not affect the conceptualization of two genders and two sexes in Western societies why most of our cultural images of women are the way men see them and not the way women see themselves why all women in modern society are expected to have children and be the primary caretaker why domestic work is almost always the sole responsibility of wives even when they earn more than half the family income why there are so few women in positions of authority when women can be found in substantial numbers in many occupations and professions why women have not benefited from major social revolutions Lorber argues that the whole point of the gender system today is to maintain structured gender inequality to produce a subordinate class women that can be exploited as workers sexual partners childbearers and emotional nurturers Calling into

question the inevitability and necessity of gender she envisions a society structured for equality where no gender racial ethnic or social class group is allowed to monopolize economic educational and cultural resources or the positions of power
