Breast Cancer Questions and Journal Jul 25 2022 YOUR PRIVATE COMPANION AND GUIDE! Breast Cancer is the leading cancer diagnosis in women with over two hundred thousand (200,000) new diagnosis each year in the USA. Chances are, if you know someone diagnosed with cancer, and if they are a woman, it is likely breast cancer. A cancer diagnosis is scary. Knowledge is a key factor for optimal preparation for the journey and to help combat the associated fear. Wondering what to say to a neighbor, or co-worker recently diagnosed with breast cancer? This resource book is a great gift that shows concern, while respecting privacy. It provides questions to ask the cancer doctors (surgeons, medical oncologists and radiation oncologist) as well as provide space to write down responses and start a "mini-journal" - all in one easy to carry book. Whether you are dealing with a breast cancer diagnosis yourself, a caregiver, or know

someone who was recently diagnosed, this private companion and guide for cancer appointments is priceless! Trust the breast cancer survivors on our team. They have walked the journey!

Breast Cancer: Real Questions, Real Answers Jan 31 2023 Breast Cancer: Real Questions, Real Answers is an outgrowth of Dr. David Chan's more than 20 years in private oncology practice. Inspired by his patients—who courageously face their illness but often feel fearful, confused about their options, and full of questions—Dr. Chan's book is uniquely structured as a Question and Answer between patient and doctor. It provides readers with an easily navigated, completely current resource for all of their queries. Poised to become the new must-read for breast cancer patients, this book offers easily digestible information by reviewing and exploring the causes of breast cancer, outlining the core basics of breast cancer therapy, explaining how breast cancer survival is influenced by lifestyle, and much more. Dr. Chan's surefooted, compassionate tone offers reassurance throughout, as do the stories of his many patients, which give readers a firsthand glimpse at what they may face down the road, all from a survivor's point of view. Complete with a glossary of important terms and an appendix of useful resources, Breast Cancer: Real Questions, Real Answers is a must for every breast cancer patient seeking information that will guide her through her struggle toward a triumphant recovery.

100 Questions & Answers About Kidney Cancer Nov 16 2021 Offering both doctor and patient perspectives, 100 Questions & Answers About Kidney Cancer, Third Edition provides authoritative and practical answers to the most commonly asked questions by patients and their loved ones.

The 10 Best Questions for Surviving Breast Cancer May 23 2022 A good mind knows the right answers...but a great mind knows the right questions. And never are the Best Questions more important than after a diagnosis of breast cancer. Drawing on cutting-edge research and original interviews -- including with former surgeon general C. Everett Koop, bestselling author Dr. Susan Love, well-known breast cancer survivors like Betty Rollin, and experts at the top cancer-care centers in the world -- The 10 Best Questions™ for Surviving Breast Cancer is a guide you'll take with you into your doctor's office and keep close to you through every step of your treatment and recovery. In addition to the medical questions, you'll also learn what you need to ask your friends, colleagues, and loved ones so that the rest of your life doesn't take a backseat to your diagnosis: "How many days I can afford to be out?" (p. 211) "What questions are my children likely to ask?" (p. 261) "When will I be comfortable being intimate again with my partner?" (p. 234) With a wealth of resources and up-to-the-minute information, The 10 Best Questions™ for Surviving Breast Cancer shows you how to move past a scary diagnosis and use the power of questions to become your own best advocate for your emotional, mental, physical, and financial health.

Questions for Cancer Doctors - a Cancer Journal Mar 09 2021 THE CANCER DIAGNOSIS Wondering what to say to a neighbor or co-worker recently diagnosed with cancer? Unsure what cancer they may have? Questions for Cancer Doctors - A Cancer Journal is a gift from the heart that speaks volumes. A resource book that shows concern, while respecting privacy. Most patients are unsure of what questions to ask about cancer treatments. This book provides simple, but specific questions on breast cancer, prostate cancer, lung cancer and even spaces to write doctors responses for later review. There is also a chapter with "generic" cancer questions to ask medical oncologist, radiation oncologist and surgical oncologist, if the diagnosis is not prostate, breast, or lung cancer. Simple, to the point, yet comprehensive. BENEFITS OF THIS RESOURCE This journal is a valuable resource to patients newly diagnosed with cancer and to family members, friend, or those who may play a supportive role as a caregiver. It allows documentation of physician's names, specialty, dates, stage of cancer and so on, for each encounter. These journal entries, along with the questions asked, will enhance understanding of the cancer process and assist with keeping track of all initial appointments. The second edition also includes a mini-starter journal and survivor follow-up plan template for up to 18 months after treatment. Be sure to see other titles in the series (Breast Cancer and Prostate Cancer), if cancer type is known. Trust the cancer survivors on our team. Do not go to an appointment without this book. They have walked the journey!

100 Questions & Answers About Ovarian Cancer Nov 28 2022 100 questions and answers about ovarian cancer gives practical answers to questions about treatment options, including information and advances in chemotherapy post-treatment quality of life, sources of support, and much more.

100 Questions and Answers about Prostate Cancer Mar 21 2022 100 Q&A

Breast Cancer and the Environment: Questions and Answers Feb 05 2021 Throughout their lives, women have experiences and make decisions that can influence their chances of getting breast cancer. While we have little control over some of these risk factors, we can sometimes make choices - good or bad - that affect our risk of getting breast cancer. In a 2011 Institute of Medicine (IOM) report, obesity, alcohol consumption, and some medical treatments were found to raise these risks at least a little. For other factors, the evidence wasn't as clear. Look through this question and answer booklet to learn more.

100 Questions & Answers About Uterine Cancer Aug 26 2022 Whether you are a newly diagnosed

uterine cancer patient, a survivor, or a friend or relative of either, this book offers help. **100 Questions and Answers About Uterine Cancer** addresses the issues that are specific to the woman with uterine cancer.
