Teachers Journal and Abstract

Bloomsbury Class 3 Semester 2 Teacher Resource Book (Academic Year 2023-24) Altogether 1-5 is a semester series consisting of a total of ten books (two semester books per class). Each book is divided into segments of: English, Mathematics, Social Science (for classes 1-2), Social Studies (for classes 3-5), Environmental Studies (for classes 1-2), Science (for classes 3-5), General Knowledge and Computer Science. All the subjects have been designed to develop comprehensive understanding in learners and are essential for an interactive and participative atmosphere. A progressive vision providing graded topics in all subjects has been ensured. This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. This Workbook provides extra language and skills practice for use both in the classroom or at home. It also includes extra vocabulary exercises corresponding to the expanded lexical sets in the Student's Book 'Vocabulary bank'. 'Study Help' and 'Skills Tips' sections give learners extra support and guidance. The audio content to accompany the workbook is included on the Student's Book DVD-ROM and on the Audio CDs.

The miraculous story of a loving couple, their never-to-be-forgotten friend, a little girl, and a very special teddy bear.... Retired from his long, successful career as an agent to many of the most famous and dynamic motivational speakers in the world, Bart Manning was happily enjoying his newfound freedom with his lovely wife, Mary. So why, one morning, did he find himself headed back to the little office that he had never given up? He didn't know. But as he sat at his dusty desk, he decided to go back into business. If God had sent him there, Bart told himself, he would wait for His plan to unfold. Then, at a crowded convention, he found his answer in the person of a handsome young man named Patrick Donne, whose deep, commanding voice spoke words of profound wisdom that electrified

the audience. With the thrill of discovery, Bart recognized Donne's short speech as the best inspirational talk he had ever heard. Bart was soon caught up in the extraordinary realm that was Patrick's ordinary world, where even tragedy and sorrow became transforming experiences and remarkable things happened.

ENGLISH The content for English is a perfect blend of the best of

both worlds—past and present. The selections are based on the learners’ interests, and, therefore, will not only easily arrest their attention but also facilitate longer retention. The graded exercises lay appropriate emphasis on learning the four basic language skills of Listening, Speaking, Reading and Writing. Grammar Section in each book offers simple and clear conceptual understanding.

MATHEMATICS The Mathematical concepts have been dealt with in an interesting and comprehensive manner. This way even an average child will have no difficulty in grasping the fundamentals. The series follows a graded and spiral approach, keeping in mind the age and level of understanding of the learner.

ENVIRONMENTAL STUDIES NEP 2020 lays emphasis on promoting the spirit of analysis and questioning because it has been increasingly felt that children learn more through talking, observing and discussing with others. This approach has been adopted in EVS content.

SCIENCE The content in this section emphasises meaningful learning of science for the overall development of learners. It focuses on helping children understand their natural environment and correlate science with their everyday experiences in an interesting and comprehensive manner.

SOCIAL STUDIES A totally new and innovative approach to teaching social studies has been adopted in this section. The lessons enhance the learners’ life skills and equip them with a high civic sense and arm them with an ability to face the challenges in life with confidence, and as responsible citizens.

GENERAL KNOWLEDGE The main objective of the General Knowledge section is to create a sense of wonder in the learners and arouse in them a desire to learn and find out more about the world around them. We look forward for feedback and constructive criticism from the students, teachers and parents, which will be given due consideration in the future reprints and editions of the books.
