**My Soul Looks Back** James H. Cone,1986 What is the relationship James Cone asks between my training as a theologian and the black struggle for freedom For what reason has God allowed a poor black boy from Bearden to become a professional systematic theologian As I struggled with these questions I could not escape the overwhelming conviction that God s spirit was calling me to do what I could for the enhancement of justice in the world especially on behalf of my people My Soul Looks Back chronicles the author s grappling with these questions as well as his formulation of an answer an answer that would lead to the development of a black theology of liberation Firmly rooted in the black church tradition James Cone relates the formative features of his faith journey from his childhood experience in Bearden Arkansas and his father s steadfast resistance to racism through racial discrimination in graduate school to his controversial articulation of a faith that seeks to break the shackles of racial oppression In describing his more recent encounters with feminist Marxist and Third World thinkers James Cone provides a compelling description of liberation theology and a vivid portrayal of what it means to profess a faith that does justice Back cover

**The Cross and the Lynching Tree** James H. Cone,2011 A landmark in the conversation about race and religion in America They put him to death by hanging him on a tree Acts 10 39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community In this powerful new work theologian James H Cone explores these symbols and their interconnection in the history and souls of black folk Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning While the lynching tree symbolized white power and black death the cross symbolizes divine power and black life God overcoming the power of sin and death For African Americans the image of Jesus hung on a tree to die powerfully grounded their faith that God was with them even in the suffering of the lynching era In a work that spans social history theology and cultural studies Cone explores the message of the spirituals and the power of the blues the passion and of Emmet Till and the engaged vision of Martin Luther King Jr he invokes the spirits of Billie Holliday and Langston Hughes Fannie Lou Hamer and Ida B Well and the witness of black artists writers preachers and fighters for justice And he remembers the victims especially the 5 000 who perished during the lynching period Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice

**Black Theology and Ideology** Harry H. Singleton, 2002 In this work Harry H Singleton III uniquely combines the theological methods of Juan Luis Segundo and James H Cone Segundo s method of deideologization is appropriated to argue that relevant theological reflection must depart from the exposing of religio political ideologies that justify human oppression in the name of God and their need to be effectively countered by the creation of new theological presuppositions rooted in liberation Singleton then contextualizes Segundo s method by offering Cone s theological perspective as the best example of such an approach in America insofar as it is able to discern the link between religio political ideologies and black oppression

**The Divided Mind of the Black Church** Raphael G. Warnock,2020-11-03 A revealing look at the identity and mission of the Black church What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community s fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm s length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced In *The Divided Mind of the Black Church* Raphael G Warnock Senior Pastor of the historic Ebenezer Baptist Church the spiritual home of the Rev Dr Martin Luther King Jr traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church s essential mission
