women's inherent inferiority and advocates for their rights to autonomy, education, and independence. Her writing also sheds light on the damaging effects of patriarchal norms and expectations on women's mental health, a topic that was often ignored or dismissed in her time. *The Yellow Wallpaper* and *Herland* remain relevant and powerful texts in today's society, shedding light on the ongoing struggle for gender equality and the importance of empowering women. They continue to inspire feminist discourse and serve as a reminder of the progress that still needs to be made in achieving true gender equality. Overall, this collection of books is a must-read for anyone interested in feminist literature and the societal implications of gender roles.

In this collection of stories, Dostoevsky showcases his remarkable ability to delve into the depths of the human experience. Through his rich character development, unflinching social commentary, and nuanced exploration of themes such as love, isolation, and the inherent contradictions within humanity, the author masterfully captures the essence of what it means to be human. These seven short stories are a testament to Dostoevsky's timeless brilliance and continue to enthrall readers with their piercing insights into the human condition.

Literature and Gender Lizbeth Goodman, 2013-04-15. *Literature and Gender* combines an introduction to and an anthology of literary texts which powerfully demonstrate the relevance of gender issues to the study of literature. The volume covers all three major literary genres: poetry, fiction, and drama, and closely examines a wide range of themes including femininity versus creativity in women's lives and writing, the construction of female characters, autobiography and fiction, the gendering of language, the interaction of race, class, and gender within writing, reading, and interpretation. *Literature and Gender* is also a superb resource of primary texts and includes writing by Sappho, Emily Dickinson, Sylvia Plath, Tennyson, Elizabeth Bishop, Louisa May Alcott, Virginia Woolf, Jamaica Kincaid, Charlotte Perkins Gilman, Susan Glaspell. Also reproduced are essential essays by, among others, Maya Angelou, Sandra Gilbert, and Susan Gubar, Toni Morrison, Elaine Showalter, and Alice Walker. No other book on this subject provides an anthology, introduction, and critical reader in one volume. *Literature and Gender* is the ideal guide for any student new to this field.

Running as a Woman Linda Witt, Glenna Matthews, Karen M. Paget, 1995-08-01. Women have become a strong force in electoral politics as candidates, office holders, and vocal constituents. In *Running as a Woman*, Linda Witt, Karen Paget, and Glenna Matthews explore the significant issues for women in public life: their marital status, the threat of sexual innuendo, what's involved in becoming a credible candidate, and raising enough money to run. They also explain how

voters are mobilized to vote for women how the media cover them how they get their campaign message out what it's like to lose and what difference women make once elected In addition *Running as a Woman* includes a compelling history of women in politics that both records the political role women have played throughout the last two centuries and explains how and why women have continually been stifled in their attempts to enter political life While the 1992 elections were hailed as a giant leap forward for women the 1994 elections created a skepticism that real permanent changes occurred In *Running as a Woman* the authors set the record straight with a chapter that analyzes the results of the 1994 elections and their relevance for women today

Wallpaper ,1932 **The Yellow Wallpaper Illustrated** Charlotte Perkins Gilman,2019-07-03 The story details the descent of a young woman into madness Her supportive though misunderstanding husband John believes it is in her best interests to go on a rest cure after experiencing symptoms of temporary nervous depression The family spends the summer at a colonial mansion that has in the narrator's words something queer about it

She and her husband move into an upstairs room that she assumes was once a nursery Her husband chooses for them to sleep there due to its multitude of windows which provide the air so needed in her recovery In addition to the couple John s sister Jennie is present she serves as their housekeeper Like most nurseries at the time the windows are barred the wallpaper has been torn and the floor is scratched The narrator attributes all these to children as most of the damage is isolated to their reach Ultimately though readers are left unsure as to the source of the room s state leading them to see the ambiguities in the unreliability of the narrator The narrator devotes many journal entries to describing the wallpaper in the room its yellow smell its breakneck pattern the missing patches and the way it leaves yellow smears on the skin and clothing of anyone who touches it She describes how the longer one stays in the bedroom the more the wallpaper appears to mutate especially in the moonlight With no stimulus other than the wallpaper the pattern and designs become increasingly intriguing to the narrator She soon begins to see a figure in the design and eventually comes to believe that a woman is creeping on all fours behind the pattern Believing she must try to free the woman in the wallpaper the woman begins to strip the remaining paper off the wall After many moments of tension between John and his sister the story climaxes with the final day in the house On the last day of summer she locks herself in her room to strip the remains of the wallpaper When John arrives home she refuses to unlock the door When he returns with the key he finds her creeping around the room circling the walls and touching the wallpaper She excitedly exclaims I ve got out at last in spite of you and Jane causing her husband to faint as she continues to circle the room creeping over his inert body each time she passes it believing herself to have become the personification of the woman trapped behind the yellow wallpaper
