Spread over fifteen of the country's twenty-eight states, India's Maoist movement is now one of the world's biggest and most sophisticated extreme-left movements. Hardly a week passes without people dying in strikes and counter-strikes by the Maoists—interchangeably known as the Naxalites—and the police and paramilitary forces. In this brilliant and sobering examination of the 'Other India', Sudeep Chakravarti combines reportage, political analysis and individual case histories as he takes us to the heart of Maoist zones in the country—areas of extreme destitution, bad governance and perpetual war. 25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*. Medieval England springs to life in a romance that “transcends its basic formula with a convincing setting integral to the tale and believable characters” (Publishers Weekly). Fulk de Jobourgh is a knight of the court of King William, commanded to oversee the lands of a noble who was hanged for treason. He is also instructed to marry the dead traitor's rebellious

daughter and ensure her loyalty to the king. He brings her to the altar, and to his bed, before galloping off once again to command in the King's war. Although Alwyn, his unwilling bride, is barely able to remember the face of Fulk, she cannot forget her response to his touch. At every turn, she thwarts his efforts to take control of her father's estate and finds herself enslaved by her passion for him. Will she be able to resist the sensual pleasure of his touch in order to save her rightful legacy and family honor? A stunning blend of romance, horror and magic. All the beauty is yours now, Mab, all the beauty of the world. Take it. For Mab, blood magic is as natural as breathing. Wild and confident, she uses magic to understand her whole world. Will tries to dismiss all he sees and feels around Mab, but cannot prevent the strangeness and beauty of her craft from drawing him closer. When one of Mab's spells taps into a powerful curse, a terrifying foe is unleashed. Hiding in the shadows of the forest, it seeks to manipulate Will and gain Mab's power - threatening to destroy everything they love. From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, *Red Storm Rising* is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you will never forget. Hard-hitting. Suspenseful. And frighteningly real. "Harrowing...tense...a chilling ring of truth."—TIME *Finalist for the Pulitzer Prize and the National Book Critics Circle Award* *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find

the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history. "Red Sky at Morning is a minor marvel: it is a novel of paradox, of identity, of an overwhelming YES to life that embraces with wonder what we are pleased to call the human condition. In short, a work of art." – Harper Lee Hailed by the Washington Post Book World as "a sort of Catcher in the Rye out West," Richard Bradford's Red Sky at Morning is the classic coming-of-age story set during World War II about the enduring spirit of youth and the values in life that count. In the summer of 1944, Frank Arnold, a wealthy shipbuilder in Mobile, Alabama, receives his volunteer commission in the U.S. Navy and moves his wife, Ann, and seventeen-year-old son, Josh, to the family's summer home in the village of Corazon Sagrado, high in the New Mexico mountains. A true daughter of the Confederacy, Ann finds it impossible to cope with the quality of life in the largely Hispanic village and, in the company of Jimbob Buel—an insufferable, South-proud, professional houseguest—takes to bridge and sherry. Josh, on the other hand, becomes an integral member of the Sagrado community, forging friendships with his new classmates, with the town's disreputable resident artist, and with Amadeo and Excilda Montoya, the couple hired by his father to care for their house. Josh narrates the story of his fateful year in Sagrado and, with irresistibly deadpan, irreverent humor, describes the events and people who influence his progress to maturity. Unhindered by his mother's disdain for these "tacky, dusty little Westerners," Josh comes into his own and into a young man's finely formed understanding of duty, responsibility, and love.

Adalia Marquez was a police reporter living in Manila under the Japanese Occupation during World War 2 when her husband was arrested by the Japanese Military Police for aiding the resistance. Following his escape, suspicion falls upon Adalia and she is detained in his place, along with her two children, and imprisoned in Fort Santiago. Facing torture and starvation, Adalia contacts the Filipino underground and agrees to help them from inside the prison in return for much-needed food and medicine. With a talent for manipulating her captors, Adalia is able to evade detection long enough to provide for herself and her children, as well as other

detainees in urgent need of sustenance, until the deliverance of V-J Day. A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as *Life and Death in Shanghai*, *Wild Swans* and *A Chinese Odyssey* First banned in its native land, this earthy, unflinching memoir has become one of the biggest bestsellers in the history of China. In 1968, a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution. After gaining a reputation as a brutal abuser of the local herd owners and nomads, Ma Bo casually criticized a Party Leader. Denounced as an "active counterrevolutionary" and betrayed by his friends, the idealistic youth was brutally beaten and imprisoned. Charged with passion, never doctrinaire, *Blood Red Sunset* is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide. This is a tale of ideology and disillusionment, a powerful work of political and literary importance. "A deceptively straightforward story carried forward by deep currents of insight." –The Washington Post "A genuine, no-holds-barred, unadorned piece of writing...echoing the realities of contemporary China." –Liu Binyan, The New York Times Book Review The author of *Into the Dark Water* "balances scholarly research with accessible storytelling" to tell the heroic WWII account of Torpedo Boat Squadron 3 (Midwest Book Review). During the opening days of World War II in the Pacific, a small group of American sailors in the Philippines were propelled into the forefront of the fighting against the navy and air power of Imperial Japan. They were manned with six small, wooden PT-boats and led by a courageous, larger-than-life character in Lt. John D. Bulkeley. As America's defense of the Philippines crumbled under the weight of a massive Japanese assault, the courageous activities of Bulkeley's Torpedo Boat Squadron 3 made headlines across the United States—often as the only good news coming from the bleak Pacific front. The unit achieved everlasting fame by evacuating Gen. Douglas MacArthur from the front. Then, the squadron continued to fight on until all six of its torpedo boats were lost under fire. The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942. The exploits of the unit were immortalized in the blockbuster 1945 movie *They Were Expendable*, starring John Wayne and Robert Montgomery, but since then, the saga of Bulkeley and his men has slipped into history. Under a Blood Red Sun revives the story of the Philippine PT-boats through the intertwined accounts of Bulkeley and his subordinate officers and men. It is a story of the courage and sacrifice of men thousands of miles from their homeland, representing American gallantry and fighting prowess, giving the Japanese a taste of what was to come their way. This fast-paced YA debut novel

has it all: smart, savvy characters making their way through an eerily dystopian society, with all the requisite action, adventure and romance characteristic of the genre vividly and at times, chillingly, portrayed. In a wild and lawless future, where life is cheap and survival is hard, eighteen-year-old Saba lives with her father, her twin brother Lugh, her young sister Emmi and her pet crow Nero. Theirs is a hard and lonely life. The family resides in a secluded shed, their nearest neighbour living many miles away and the lake, their only source of water and main provider of food, gradually dying from the lack of rain. But Saba's father refuses to leave the place where he buried his beloved wife, Allis, nine years ago. Allis died giving birth to Emmi, and Saba has never forgiven her sister for their mother's death. But while she despises Emmi, Saba adores her twin brother Lugh. Golden-haired and blue-eyed, loving and good, he seems the complete opposite to dark-haired Saba, who is full of anger and driven by a ruthless survival instinct. To Saba, Lugh is her light and she is his shadow, he is the day, she is the nighttime, he is beautiful, she is ugly, he is good, she is bad. So Saba's small world is brutally torn apart, when a group of armed riders arrives five days after the twin's eighteenth birthday snatch Lugh away. Saba's rage is so wild, that she manages to drive the men away, but not before they have captured Lugh and killed their father. And here begins Saba's epic quest to rescue Lugh, during which she is tested by trials she could not have imagined, and one that takes the reader on a breathtaking ride full of romance, physical adventure and unforgettable vivid characters, making this a truly sensational YA debut novel.

1943, one year after the end of *Under the Blood-Red Sun*, Tomi's Papa and Grandpa are still under arrest, and the paradise of Hawaii now lives in fear—waiting for another attack, while trying to recover from Pearl Harbor. As a Japanese American, Tomi and his family have new enemies everywhere, vigilantes who suspect all Japanese. Tomi finds hope in his goal of raising Papa's fishing boat, sunk in the canal by the Army on the day of the attack. To Tomi, raising Papa's boat is a sign of faith that Papa and Grandpa will return. It's an impossible task, but Tomi is determined. For just as he now has new enemies, his struggle to raise the boat brings unexpected allies and friends. Words mean nothing in a land where bullets fly and red blood flows. And even bullets don't kill like the red sun does.

Ben Dauber continues to fight his way through the west as a reporter, taking on injustice and evil from all sides. The sinister machinations of the railroad combine, Dauber finds, extend to the highest levels of American government. Fortunately, Naud Dauber, Ben's wealthy mother, can help when powerful figures try to silence the young reporter on the fast track to modernize the frontier press. Gunfights, fistfights, ambushes, bushwhacks, skirmishes and intrigue erupt on both sides of the Indian Wars. Action rides hard from Mexico to the Rocky

Mountains across the west in Desert Sun, Red Blood Volume Two by author E. W. Farnsworth. From Pro Se Productions. NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of The Hunger Games by Suzanne Collins and Ender's Game by Orson Scott Card. "Red Rising ascends above a crowded dystopian field." –USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become meteoric." –Entertainment Weekly "Ender, Katniss, and now Darrow." –Scott Sigler "Red Rising is a sophisticated vision. . . . This darkly thrilling series, set in a destroyed, near-future world, will captivate fans of the Divergent, Hunger Games and Maze Runner series. VENGEANCE WILL BE HERS Allison Sekemoto once struggled with the question: human or monster? With the death of her love, Zeke, she has her answer. MONSTER Allie will embrace her cold vampire side to hunt down and end Sarren, the psychopathic vampire who murdered Zeke. But the trail is bloody and long, and Sarren has left many surprises for Allie and her companions—her creator, Kanin, and her blood

brother, Jackal. The trail is leading straight to the one place they must protect at any cost—the last vampire-free zone on Earth, Eden. And Sarren has one final, brutal shock in store for Allie. In a ruined world where no life is sacred and former allies can turn on you in one heartbeat, Allie will face her darkest days. And if she succeeds, triumph is short-lived in the face of surviving forever alone. Originally published in April 2014.

When Valleys Turned Blood Red tells the story of colonial policies and their tragic impact on local communities. The Ta-pa-ni Incident of 1915 was the largest single act of Han Chinese armed resistance during the fifty years of Taiwan's colonial era. More than a thousand villagers and Japanese were killed during the fierce fighting and thousands more were later arrested and made to stand trial. Based on detailed archival research, interviews with survivors, painstaking demographic analysis, and a thorough reading of secondary scholarship in all of the relevant languages, Paul Katz examines the significance of the Ta-pa-ni Incident by focusing on what Paul Cohen terms history's "three keys": event, experience, and myth. Katz provides a vivid description of events surrounding the uprising as well as the ways in which it has been mythologized over time. His primary emphasis, however, is on the experiences of the men and women who were caught up in the flow of history.

A teenage boy in 1940s Italy becomes part of an underground railroad that helps Jews escape through the Alps, but when he is recruited to be the personal driver for a powerful Third Reich commander, he begins to spy for the Allies. Günter Koschorrek wrote his illicit diary on any scraps of paper he could lay his hands on, storing them with his mother on infrequent trips home on leave. The diary went missing, and it was not until he was reunited with his daughter in America some forty years later that it came to light and became Blood Red Snow. The author's excitement at the first encounter with the enemy in the Russian Steppe is obvious. Later, the horror and confusion of fighting in the streets of Stalingrad are brought to life by his descriptions of the others in his unit—their differing manners and techniques for dealing with the squalor and death. He is also posted to Romania and Italy, assignments he remembers fondly compared to his time on the Eastern Front. This book stands as a memorial to the huge numbers on both sides who did not survive and is, some six decades later, the fulfilment of a responsibility the author feels to honour the memory of those who perished.

Eddy Okubo lies about his age and joins the army in his hometown of Honolulu only weeks before the Japanese bomb Pearl Harbor. Suddenly Americans see him as the enemy—even the U.S. Army doubts the loyalty of Japanese American soldiers. Then the army sends Eddy and a small band of Japanese American soldiers on a secret mission to a small island off the coast of Mississippi. Here they are given a special job, one that only they can do. Eddy's going to help train

attack dogs. He 's going to be the bait. *** THE Sunday Times TOP TEN BESTSELLING AUTHOR *** 'Historical, epic fiction - it doesn't get much better than this' The Bookseller Discover a brilliant story of love, danger, courage and betrayal, from the internationally bestselling author of The Betrayal. ***** Davinsky Labour Camp, Siberia, 1933 Sofia Morozova knows she has to escape. Only two things have sustained her through the bitter cold, aching hunger and hard labour: the prospect of one day walking free; and the stories told by her friend Anna, beguiling tales of a charmed upbringing in Petrograd - and of Anna's fervent love for a passionate revolutionary, Vasily. So when Anna falls gravely ill, Sofia makes a promise to escape the camp and find Vasily: to chase the memory that has for so long spun hope in both their hearts. But Sofia knows that times have changed. Russia, gripped by the iron fist of Communism, is no longer the country of her friend's childhood. Her perilous search takes her from industrial factories to remote villages, where she discovers a web of secrecy and lies, but also bonds of courage and loyalty - and an overwhelming love that threatens her promise to Anna. Further praise for Kate Furnivall: 'Wonderful . . . hugely ambitious and atmospheric' Kate Mosse 'Superb storytelling' Dinah Jefferies 'A thrilling plot ... Fast-paced with a sinister edge' Times 'A thrilling, compelling read. Wonderful!' Lesley Pearce 'Gripping . . . poignant, beautifully written ...will capture the reader to the last' Sun 'Truly captivating' Elle 'Perfect escapist reading' Marie Claire 'An achingly beautiful epic' New Woman 'A rollicking good read' Daily Telegraph Tomi was born in Hawaii. His grandfather and parents were born in Japan, and came to America to escape poverty. World War II seems far away from Tomi and his friends, who are too busy playing ball on their eighth-grade team, the Rats. But then Pearl Harbor is attacked by the Japanese, and the United States declares war on Japan. Japanese men are rounded up, and Tomi 's father and grandfather are arrested. It 's a terrifying time to be Japanese in America. But one thing doesn 't change: the loyalty of Tomi 's buddies, the Rats. DYLAN'S SCOUT TROOP goes camping in Halape, a remote spot below the volcano on the Big Island of Hawaii. The only thing wrong with the weekend on a beautiful, peaceful beach is Louie, a tough older boy. Louie and Dylan just can't get along. That night an earthquake rocks the camp, and then a wave rushes in, sweeping everyone and everything before it. Dylan and Louie must team up on a dangerous rescue mission. The next hours are an amazing story of survival and the true meaning of leadership. A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a

demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love. You need three things to become a brave and noble knight: A warhorse. A fair maiden. A just cause. Will has a horse-a small chestnut stallion with a white blaze in his brow. Ellie is a fair maiden, but she's supposed to marry Will's older brother, Gavin. And as for the cause, King Richard is calling for a Crusade. The Knights of England must go to the Holy Land to fight. Will and Gavin will go. Blood will be shed. Lives will be taken. But through it all, two things will be constant-Ellie, and a blood-red horse called Hosanna. . . . "A gripping saga of wartime survival." –Kirkus Reviews, Starred Based on a true story, this World War II novel by Scott O' Dell Award winner Graham Salisbury tells how Zenji, 17, is sent from Hawaii to the Philippines to spy on the Japanese. Zenji Watanabe was born in Hawaii. He's an American, but the Japanese wouldn't know it by the look of him. And that's exactly what the US government is counting on. Because he speaks both English and Japanese perfectly, the army recruits Zenji for a top-secret mission to spy on the Japanese. If they discover his true identity, he'll be treated as a traitor and executed on the spot. As World War II boils over in the Pacific, Zenji is caught behind enemy lines. But even though his Japanese heritage is his death warrant, it's also his key to outwitting the enemy and finding the strength to face the terrors of battle, the savagery of the jungle, and the unspeakable cruelty of war. The riveting Hunt for the Bamboo Rat is based on a true story and follows in the path of author Graham Salisbury's other highly acclaimed Prisoners of the Empire titles, which began with the award-winning Under the Blood-Red Sun. Finalist for: Nebraska Golden Sower Award South Carolina Book Awards "Salisbury has once again crafted a fine novel, based on an actual person, about first-generation Americans of Japanese descent and the clash of culture and national identity that World War II

accentuated. . . . The story will leave readers spellbound." –Kirkus Reviews, Starred "Fast-paced and compelling, this title will be enjoyed by voracious and reluctant readers." –SLJ "The history is fascinating, and Zenji is a fictional hero readers will long remember." –The Horn Book NEW YORK TIMES BESTSELLER • Once in a great while, a book comes along that changes our view of the world. This magnificent novel from the Nobel laureate and author of *Never Let Me Go* is "an intriguing take on how artificial intelligence might play a role in our futures ... a poignant meditation on love and loneliness" (The Associated Press). • A GOOD MORNING AMERICA Book Club Pick! Here is the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. *Klara and the Sun* is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love? Eleven interlinked stories tell the tale of a boy coming of age in Kailua-Kona, a Hawaiian fishing village. *Sonny Mendoza* is a little different from the rest of the men in his family. *Salisbury* explores characters like Aunt Pearl, a full-blooded Hawaiian as regal as the queens of old; cool Jack, from L.A., who starts a gang and dares Sonny to be brave enough, cruel enough, to join; mysterious Melanie, who steals his heart; and Deeps, the shark hunter. But the most memorable character is the sea itself: inviting, unpredictable, deadly. *Mendoza men* are brave men, but Sonny's courage is of a different kind. Why can't he love and trust the water as the men of his family are meant to do? There never was a story that was happy through and through. When writer Arthur Ransome leaves his unhappy marriage in England and moves to Russia to work as a journalist, he has little idea of the violent revolution about to erupt. Unwittingly, he finds himself at its center, tapped by the British to report back on the Bolsheviks even as he becomes dangerously, romantically entangled with Trotsky's personal secretary. Both sides seek to use Arthur to gather and relay information for their own purposes . . . and both grow to suspect him of being a double agent. Arthur wants only to elope far from conflict with his beloved, but her Russian ties make leaving the country nearly impossible. And the more Arthur resists becoming a pawn, the more entrenched in the game he seems to become. *Blood Red Snow White*, a Soviet-era thriller from renowned author Marcus Sedgwick, is sure to keep readers on the edge of their seats. This title has Common Core connections. Working as a code breaker for U.S. Army Intelligence in the Pacific during World War II, the vampire Desidra unwisely falls in love with a Japanese mortal and faces a choice between her loyalty and her love. Original. "...There will be signs in the sun, in the moon, and

in the stars...Now when these things begin to happen, look up and lift up your heads, because your redemption draws near." Luke 21:25a, 28 It is rare that Scripture, science, and history align with each other, yet the last three series of Four Blood Moons have done exactly that. Are these the "signs" that God refers to in His Word? If they are, what do they mean? What is their prophetic significance? The staggering story of the most important Chinese political dissident of the Mao era, a devout Christian who was imprisoned, tortured, and executed by the regime Blood Letters tells the astonishing tale of Lin Zhao, a poet and journalist arrested by the authorities in 1960 and executed eight years later, at the height of the Cultural Revolution. The only Chinese citizen known to have openly and steadfastly opposed communism under Mao, she rooted her dissent in her Christian faith -- and expressed it in long, prophetic writings done in her own blood, and at times on her clothes and on cloth torn from her bedsheets. Miraculously, Lin Zhao's prison writings survived, though they have only recently come to light. Drawing on these works and others from the years before her arrest, as well as interviews with her friends, her classmates, and other former political prisoners, Lian Xi paints an indelible portrait of courage and faith in the face of unrelenting evil. After just been released from jail, Leo is re-hired at the paper to write a popular column about crime. Called to the scene of an apparent overdose of a young native man, Leo witnesses some rocks falling out of the body bag, at first he believes they are crack but discovers that the rocks are really diamonds and Leo gets dragged into a deadly conflict between the mining companies and a murderous native street gang. In a technologically suppressed future, information demands to be free in the debut novel from Hugo Award-winning author Charlie Stross. In the twenty-first century, life as we know it changed. Faster-than-light travel was perfected, and the Eschaton, a superhuman artificial intelligence, was born. Four hundred years later, the far-flung colonies that arose as a result of these events--scattered over three thousand years of time and a thousand parsecs of space--are beginning to rediscover their origins. The New Republic is one such colony. It has existed for centuries in self-imposed isolation, rejecting all but the most basic technology. Now, under attack by a devastating information plague, the colony must reach out to Earth for help. A battle fleet is dispatched, streaking across the stars to the rescue. But things are not what they seem--secret agendas and ulterior motives abound, both aboard the ship and on the ground. And watching over it all is the Eschaton, which has its own very definite ideas about the outcome... Many regard this work as the definitive account of a controversial conflict of the war in the Pacific, the June 1944 battle known as the "Great Marianas Turkey Shoot." Drawing on ten years of research and told from the viewpoint of the fliers and

sailors who were on the firing line, William T. Y'Blood leads the reader through every stage of the battle, from the dogfights to the persistent attacks on the Japanese carriers to the frantic efforts of the returning fliers to land on friendly carriers. He takes the battle from the initial planning through the invasion of the Marianas and the recriminations that followed, describing Admiral Spruance's decision to allow U.S. forces to remain on the defensive and giving blow-by-blow details of the action. This intensive study of what many believe to be a major turning point in the Pacific War has remained an important reference since it was first published in 1981.
