In the Company of the Poor Michael Griffin, Jennie Weiss Block, 2013 This book reflects intersection between the lives commitments and strategies of two highly respected figures Dr Paul Farmer and Fr Gustavo Gutierrez joined in their option for the poor their defense of life and their commitment to liberation Farmer has credited liberation theology as the inspiration for his effort to do social justice medicine while Gutierrez has recognized Farmer s work as particularly compelling example of the option for the poor and the impact that theology can have outside the church Draws on their respective writings major addresses by both at Notre Dame and a transcript of a dialogue between them Paul Farmer Jennie Weiss Block, 2018-10-22 Bill Gates has called Paul Farmer one of the most amazing people he has ever met CNN medical correspondent Dr Sanjay Gupta says that if pure altruism exists in humans it probably looks a lot like Dr Paul Farmer In Paul Farmer Servant to the Poor Jennie Weiss Block introduces readers to this physician and medical anthropologist of international stature whose Catholic faith has driven him to work untiringly to make a preferential option for the poor in health care Farmer with his colleagues at Harvard University and Partners in Health have been instrumental in bringing the fruits of modern medicine to millions of the poorest people in the world in places like Haiti Rwanda Peru Russia Malawi and West Africa during the recent Ebola crisis Challenging the conventional wisdom of global health experts Dr Farmer has shown it is possible to deliver high quality medical care on a large scale in settings of great poverty and to build communities around the globe where good health and hope prevail **To Repair the World** Paul Farmer, 2019-11-19 Doctor and social activist Paul Farmer shares a collection of charismatic short speeches that aims to inspire the next generation One of the most passionate and influential voices for global health equity and social justice Farmer encourages young people to tackle the greatest challenges of our times Engaging often humorous and always inspiring these speeches bring to light the brilliance and force of Farmer s vision in a single accessible volume A must read for graduates students and everyone seeking to help bend the arc of history toward justice To Repair the World challenges readers to counter failures of imagination that keep billions of people without access to health care safe drinking water decent schools and other basic human rights champions the power of partnership against global poverty climate change and other pressing problems today overturns common assumptions about health disparities around the globe by considering the large scale social forces that determine who gets sick and who has access to health care discusses how hope solidarity faith and hardbitten analysis have animated Farmer s service to the poor in Haiti Peru Rwanda Russia and elsewhere leaves the reader with an uplifting vision that with creativity passion teamwork and determination the next generations can make the world a safer and more humane

place **African American Religious Thought** Cornel West, Eddie S. Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads Cornel West and Eddie Glaude seek in this landmark anthology to steer the discipline into the future Arguing that the complexity of beliefs choices and actions of African Americans need not be reduced to expressions of black religion West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class gender sexual orientation race empire and other values that continue to challenge our democratic ideals

Haiti After the Earthquake Paul Farmer, 2012-07-10 The celebrated physician and anthropologist offers a vivid on the ground account of the relief effort in the aftermath of Haiti's earthquake and issues a powerful call to action Reprint

*AIDS and Accusation* Paul Farmer, 1992 In this book ethnographic historical and epidemiologic data are brought to bear on the subject of the Acquired Immune Deficiency Syndrome AIDS in Haiti The forces that have helped to determine rates and pattern of spread of Human Immunodeficiency Virus HIV are examined as are social responses to AIDS in rural and urban Haiti and in parts of North America History and its calculus of economic and symbolic power also help to explain why residents of a small village in rural Haiti came to understand AIDS in the manner that they did Drawing on several years of fieldwork the evolution of a cultural model of AIDS is traced In a small village in rural Haiti it was possible to document first the lack of such a model and then the elaboration over time of a widely shared representation of AIDS The experience of three villagers who died of complications of AIDS is examined in detail and the importance of their suffering to the evolution of a cultural model is demonstrated Epidemiologic and ethnographic studies are prefaced by a geographically broad historical analysis which suggests the outlines of relations between a powerful center the United States and a peripheral client state Haiti These relations constitute an important part of a political economic network termed the West Atlantic system The epidemiology of HIV and AIDS in Haiti and elsewhere in the Caribbean is reviewed and the relation between the degree of involvement in the West Atlantic system and the prevalence of HIV is suggested It is further suggested that the history of HIV in the Dominican Republic Jamaica Trinidad and Tobago and the Bahamas is similar to that documented here for Haiti

Reimagining Global Health Paul Farmer, Arthur Kleinman, Jim Kim, Matthew Basilio, 2013-09-07 Bringing together the experience perspective and expertise of Paul Farmer Jim Yong Kim and Arthur Kleinman Reimagining Global Health provides an original compelling introduction to the field of global health Drawn from a Harvard course developed by their student Matthew Basilio this work provides an accessible and engaging framework for the study of global health Insisting on an approach that is historically deep and geographically broad the authors underline the importance of a transdisciplinary approach and offer a highly readable distillation of several historical and ethnographic perspectives of contemporary global health problems The case studies presented throughout Reimagining Global Health bring together ethnographic theoretical and historical perspectives into a wholly new and exciting investigation of global health The

interdisciplinary approach outlined in this text should prove useful not only in schools of public health nursing and medicine but also in undergraduate and graduate classes in anthropology sociology political economy and history among others

*Fevers, Feuds, and Diamonds* Paul Farmer, 2020-11-17 Paul Farmer brings his considerable intellect empathy and expertise to bear in this powerful and deeply researched account of the Ebola outbreak that struck West Africa in 2014 It is hard to imagine a more timely or important book Bill and Melinda Gates The history is as powerfully conveyed as it is tragic Illuminating Invaluable Steven Johnson The New York Times Book Review In 2014 Sierra Leone Liberia and Guinea suffered the worst epidemic of Ebola in history The brutal virus spread rapidly through a clinical desert where basic health care facilities were few and far between Causing severe loss of life and economic disruption the Ebola crisis was a major tragedy of modern medicine But why did it happen and what can we learn from it Paul Farmer the internationally renowned doctor and anthropologist experienced the Ebola outbreak firsthand Partners in Health the organization he founded was among the international responders In *Fevers Feuds and Diamonds* he offers the first substantive account of this frightening fast moving episode and its implications In vibrant prose Farmer tells the harrowing stories of Ebola victims while showing why the medical response was slow and insufficient Rebutting misleading claims about the origins of Ebola and why it spread so rapidly he traces West Africa s chronic health failures back to centuries of exploitation and injustice Under formal colonial rule disease containment was a priority but care was not and the region s health care woes worsened with devastating consequences that Farmer traces up to the present This thorough and hopeful narrative is a definitive work of reportage history and advocacy and a crucial intervention in public health discussions around the world [Catholic Peacebuilding and Mining](#) Caesar A. Montevicchio, Gerard F. Powers, 2022-01-31 This book explores the role of Catholic peacebuilding in addressing the global mining industry Mining is intimately linked to issues of conflict human rights sustainable development governance and environmental justice As an institution of significant scope and scale with a large network of actors at all levels and substantial theoretical and ethical resources the Catholic Church is well positioned to acknowledge the essential role of mining while challenging unethical and harmful practices and promoting integral peace development and ecology Drawing together theology ethics and praxis the volume reflects the diversity of Catholic action on mining and the importance of an integrated approach It includes contributions by an international and interdisciplinary range of scholars and practitioners They examine Catholic action on mining in El Salvador Peru Colombia the Democratic Republic of the Congo and the Philippines They also address general issues of corporate social responsibility human rights development ecology and peacebuilding The book will be of interest to scholars of theology social ethics and Catholic studies as well as those specializing in development ecology human rights and peace studies [The Politics of Penance](#) Michael Griffin, 2016 Bless me Father for I have sinned says the penitent to open the dialogue in Catholic confessionals across the globe and throughout the ages Along with the priest s words For your penance this encounter is an icon of Catholic life But does the

script and the practices it signifies have any relevance beyond the confessional In *The Politics of Penance* Michael Griffin responds yes He explores great figures of the Christian tradition the early Irish monks St Thomas Aquinas and Pope St John Paul II to offer surprising insights for social repair The result is a new ethic which Griffin applies to contemporary crises in criminal justice truth and reconciliation and the treatment of soldiers returning from war In *Politics of Penance* far from foisting a facile application of age old terms to current problems Griffin develops a robust method whose penetrating grasp of the dynamics of penitential actions enables him to make real contributions to contemporary problems *Politics* is a work of reconciliation between fractured parties action theory and social justice liturgy and ethics retribution and rehabilitation This expertly yet accessibly written book will reward scholars and general audiences alike Bill Mattison Associate Professor of Theology The Catholic University of America Drawing from Celtic monasticism Thomas Aquinas and John Paul II Griffin shows how Catholic penitential theology and practice can inform the present day tasks of social repair ranging from reforming the criminal justice system to working with truth and reconciliation commissions to accompanying returning soldiers from Iraq This is spirited insightful hopeful reading and crucial reading for anyone interested in understanding how the church s healing wisdom regarding penance remains both ever ancient and ever new Michael Baxter Department of Religious Studies Regis University *The Politics of Penance* is a well written and highly informative book Griffin not only carefully retrieves the theological and historical tradition of the Catholic practice of penance he masterfully displays its rich possibilities for repairing our broken political and judicial systems A must read for theologians political theorists as well as public policy advocates Emmanuel Katongole Associate Professor Theology and Peace Studies The Kroc Institute University of Notre Dame Michael Griffin PhD is Associate Professor of Theology at Holy Cross College in Notre Dame Indiana He is the coeditor of *In the Company of the Poor* Conversations with Dr Paul Farmer and Fr Gustavo Gutierrez 2013

**The Preferential Option for the Poor Beyond Theology** Daniel G. Groody, Gustavo A. Gutierrez, 2022-09-30 The *Preferential Option for the Poor* beyond Theology draws on an interdisciplinary group of contributors to explore how to practice a commitment to the preferential option for the poor

**Open Veins of Latin America** Eduardo Galeano, 1997-01-01 Since its U S debut a quarter century ago this brilliant text has set a new standard for historical scholarship of Latin America It is also an outstanding political economy a social and cultural narrative of the highest quality and perhaps the finest description of primitive capital accumulation since Marx Rather than chronology geography or political successions Eduardo Galeano has organized the various facets of Latin American history according to the patterns of five centuries of exploitation Thus he is concerned with gold and silver cacao and cotton rubber and coffee fruit hides and wool petroleum iron nickel manganese copper aluminum ore nitrates and tin These are the veins which he traces through the body of the entire continent up to the Rio Grande and throughout the Caribbean and all the way to their open ends where they empty into the coffers of wealth in the United States and Europe Weaving fact and imagery into a rich tapestry Galeano fuses scientific analysis with the

passions of a plundered and suffering people An immense gathering of materials is framed with a vigorous style that never falters in its command of themes All readers interested in great historical economic political and social writing will find a singular analytical achievement and an overwhelming narrative that makes history speak unforgettably This classic is now further honored by Isabel Allende s inspiring introduction Universally recognized as one of the most important writers of our time Allende once again contributes her talents to literature to political principles and to enlightenment

**Pathologies of Power** Paul Farmer,2005 Pathologies of Power uses harrowing stories of life and death to argue thatthe promotion of social and economic rights of the poor is the most important human rights struggle of our times

**A Community Guide to Environmental Health** Jeff Conant,Pam Fadem,2008 Covers topics community mobilization water source protection purification and borne diseases sanitation mosquito borne diseases deforestation and reforestation farming pesticides and toxics solid waste and health care waste harm from mining and oil extraction Includes group activities and appropriate technology instructions

**Ethical Challenges in Global Public Health** Philip J. Landrigan,Andrea Vicini,2021 The Global Theological Ethics book series focuses on works that feature authors from around the world draw on resources from the traditions of Catholic Theological Ethics and attend to concrete issues facing the world today Provided by publisher

[A Theology of Liberation](#) Gustavo Guti errez,1988-01-01 This is the credo and seminal text of the movement which was later characterized as liberation theology The book burst upon the scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor placing the exploited the alienated and the economically wretched at the centre of a programme where the oppressed and maimed and blind and lame were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends This powerful compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give good news to the poor and redeem God s people from bondage

*The God of Life* Gustavo Guti errez,1991-01-01 My desire is that this book may help readers to know more fully the God of biblical revelation and as a result to proclaim God as the God of life Who is God Where is God How are we to speak of God Guti errez looks at these classic questions through a review of the Bible and his answers challenge all Christians to a deepening of faith

[Enfleshing Freedom](#) M. Shawn Copeland,2023-11-28 The achievement of our humanity comes about only through immersion in concrete visceral embodied relational experience yet for many human beings that achievement is stamped by the struggle against oppression in history society and religion In this incisive and important work distinguished theologian M Shawn Copeland demonstrates with rare insight and conviction how Black women s historical experience and oppression cast a completely different light on our theological ideas about being human Copeland argues that race embodiment and relations of power reframe not only theological anthropology but also our notions of discipleship church Eucharist and Christ Enfleshing Freedom is a work of

deep moral seriousness rigorous speculative skill and sharp theological reasoning This new edition incorporates recent theological philosophical historical political and sociological scholarship engages with current social movements like BlackLivesMatter and MeToo and presents a new chapter on the body [Santiago's Children](#) Steve Reifenberg, 2012-11-29 Runner up Bronze Medal Independent Publishers Book Awards Memoir Autobiography Category 2009 Unclear about his future career path Steve Reifenberg found himself in the early 1980s working at a small orphanage in a poor neighborhood in Santiago Chile where a determined single woman was trying to create a stable home for a dozen or so children who had been abandoned or abused With little more than good intentions and very limited Spanish the 23 year old Reifenberg plunged into the life of the Hogar Domingo Savio becoming a foster father to kids who stretched his capacities for compassion and understanding in ways he never could have imagined back in the United States In this beautifully written memoir Reifenberg recalls his two years at the Hogar Domingo Savio His vivid descriptions create indelible portraits of a dozen remarkable kids mature beyond her years Ver nica sullen unresponsive Marcelo and irrepressible toddler Andr s among them As Reifenberg learns more about the children s circumstances he begins to see the bigger picture of life in Chile at a crucial moment in its history The early 1980s were a time of economic crisis and political uprising against the brutal military dictatorship of Augusto Pinochet Reifenberg skillfully interweaves the story of the orphanage with the broader national and international forces that dramatically impact the lives of the kids By the end of Santiago s Children Reifenberg has told an engrossing story not only of his own coming of age but also of the courage and resilience of the poorest and most vulnerable residents of Latin America
