The Mirror Empire Kameron Hurley, 2014-08-26 An ambitious tale of magic war and parallel worlds that pushes the boundaries of epic fantasy from a two time Hugo Award winner On the eve of a recurring catastrophic event known to extinguish nations and reshape continents a troubled orphan evades death and slavery to uncover her own bloody past while a world goes to war with itself In the frozen kingdom of Saiduan invaders from another realm are decimating whole cities leaving behind nothing but ash and ruin At the heart of this war lie the pacifistic Dhai people once enslaved by the Saiduan and now courted by their former masters to provide aid against the encroaching enemy As the dark star of the cataclysm rises an illegitimate ruler is tasked with holding together a country fractured by civil war a precocious young fighter is asked to betray his family to save his skin and a half Dhai general must choose between the eradication of her father's people or loyalty to her alien Empress Through tense alliances and devastating betrayal the Dhai and their allies attempt to hold against a seemingly unstoppable force as enemy nations prepare for a coming together of worlds as old as the universe itself In the end one world will rise and many will perish Stretching from desolate tundras to steamy semi tropical climes seething with sentient plant life this is an epic tale of blood mages and mercenaries emperors and priestly assassins who must unite to save a world on the brink of ruin File Under Fantasy Orphaned Child World at War Blood Magic The Fluidity of Gender

Empire Ascendant Kameron Hurley, 2015-10-06 A completely original and inventive epic fantasy set in a land of blood mages and sentient plants dark magic and warfare on a scale that spans worlds Locus Loyalties are tested when worlds collide Every two thousand years the dark star Oma appears in the sky bringing with it a tide of death and destruction And those who survive must contend with friends and enemies newly imbued with violent powers The kingdom of Saiduan already lies in ruin decimated by invaders from another world who share the faces of those they seek to destroy Now the nation of Dhai is under siege by the same force Their only hope for survival lies in the hands of an illegitimate ruler and a scullery maid with a powerful but unpredictable magic As the foreign Empire spreads across the world like a disease one of their former allies takes up her Empress's sword again to unseat them and two enslaved scholars begin a treacherous journey home with a long lost secret that they hope is the key to the Empire's undoing But when the enemy shares your own face who can be trusted As the convergence between the two worlds strengthens alliances are made and broken magic and mayhem abound and before it's all done at least one world will be shattered and broken The Broken Heavens Kameron

Hurley, 2020-01-14 The bloodsoaked conclusion to Kameron Hurley's epic fantasy masterpiece the Worldbreaker Saga is unleashed The Dhai nation has broken apart under the onslaught of the Tai Kao invaders from a parallel world With the Dhai in retreat Kirana leader of the Tai Kao establishes a base in Oma's temple and instructs her astrologers to discover how they can use the ancient holy place to close the way between worlds With all the connected worlds ravaged by war and Oma
