The IB Diploma Programme is a two-year pre-university high school programme. Schools wishing to introduce the Diploma Programme are faced with a major investment in terms of time, effort and money in order to become IB-authorized. This hands-on manual helps prospective schools to navigate the process by providing comprehensive information on the Diploma Programme and a clear roadmap for successful IB implementation. A visually-striking and thought-provoking resource to support Visual Arts for the IB diploma. Visual Arts for the IB Diploma student book is tailored to the IB subject guide for first exam 2016. This student book covers each of the core areas of the Visual Arts course and links them to theoretical, art-making and

curatorial practices. It includes activities to give students practical ways to learn and reflect on their work, as well as a wealth of case studies and examples of students' work to aid understanding of visual arts in the real world. Due to the unprecedented success of his previous IB guidebook, 45 Tips, Tricks, and Secrets for the Successful International Baccalaureate [IB] Student, Alexander Zouev has returned to compile a book that reveals more secrets to succeeding in the rigorous academic program. This is a book aimed at students struggling in the IB Diploma program who wish to maximise their potential with minimal hassle. In this to-the-point manual, students will uncover all of the secrets that will allow them to gain 35+ points with relative ease. This book is filled with practical hints, tips, and suggestions that most IB students ignore. Developed in cooperation with the International Baccalaureate® Ensure full coverage of the new syllabus with this comprehensive guide written by highly experienced authors, that explores all topics through inquiry, concepts, content and contexts and their interrelationships with each other. - Explore economics through the nine key concepts in the new course with our newly developed acronym for a deeper and more integrated understanding of the subject. - Includes new integrated subtopics of Economics of the environment and Economics of inequality and poverty which helps bring to light the global challenges facing the planet today and how these can be addressed using an Economics lens. - Apply new skills and knowledge to everyday life with examples and case studies. - Foster the attributes of the IB learner profile with explicit reference made throughout, as well as TOK links for every topic. - Prepare for the new assessment model with exam-style questions and review questions. - Avoid common mistakes and aim for the best grades with expert tips and hints. Comprehensive books to support study of History for the IB Diploma Paper 3, revised for first assessment in 2017. This coursebook covers Paper 3, HL option 2: History of the Americas, Topic 17: Civil Rights and Social Movements in the Americas Post-1945 of the History for the International Baccalaureate (IB) Diploma syllabus for first assessment in 2017. Tailored to the requirements of the IB syllabus, and written by experienced examiners and teachers, it offers an authoritative and engaging guidance through the origins, nature and achievements of civil rights and social movements in the Americas after 1945. Confidently navigate the new syllabus with a variety of teaching resources to help you plan engaging lessons that are directly aligned with the Student Book. - Confidently teach the new course with a clear overview of the TOK course and your responsibilities as a TOK teacher. - Ensure full coverage of the syllabus with specific guidance relating to the core theme, the optional themes and the areas of knowledge. - Easily navigate the new course with lesson plans, activities and extension material. - Help guide students through the assessment process with advice relating to the exhibition and essay. Exam board: International Baccalaureate Level: IB Diploma Subject: English First teaching: September 2019 First exams: Summer 2021 Develop competent communicators who can demonstrate a sound conceptual understanding of the language with a flexible course that ensures thorough coverage of the updated English B Guide and is designed to meet the needs of all IB students at Standard and Higher Level. - Empower students to communicate confidently by exploring the five prescribed themes through authentic texts and skills practice at the right level, delivered in clear learning pathways. - Ensure students are able to produce coherent written texts and deliver proficient presentations with grammar and vocabulary introduced in context and in relation to appropriate spoken and written registers. - Improve receptive skills with authentic written texts, audio recordings spoken at a natural pace, and carefully crafted reading and listening tasks. - Promote global citizenship, intercultural understanding and an appreciation of English cultures through a wide range of text types and cultural material from around the world. - Deliver effective practice with a range of structured tasks within each unit that build reading, listening, speaking and writing skills. - Establish meaningful links to TOK and CAS, and identify learner profile attributes in action. The audio for the Student Book is FREE to download from [www.hoddereducation.com/ibextras](http://www.hoddereducation.com/ibextras) A guide to planning and writing the extended essay for the International Baccalaureate diploma programme. Comprehensive second editions of History for the IB Diploma Paper 1, revised for first teaching in 2015. This concise guide provides the content needed for the Chemistry IB diploma at both Standard and Higher Level. It follows the structure of the IB Programme exactly and includes all the options. Each topic is presented on its own page for clarity, Higher Level material is clearly indicated, and there are plenty of practice questions. The text is written with an awareness that English might not be the reader's first language Arranged in four sections, provides review exercises and past examination questions for topics in microeconomics, macroeconomics, international economics, and development economics. This book, a blend of practice and theory, shows how the school library can contribute to the success of the International Baccalaureate Diploma Program. Written for librarians in schools that are applying to offer the program as well as those who already work with it, The International Baccalaureate Diploma Program and the School Library: Inquiry-Based Education provides information and strategies specifically relating libraries to the IBDP. The guide includes information about the IBDP ranging from the subject matrix to unique aspects of the program, such as the Theory of Knowledge course, the Extended Essay requirement, and the Learner Profile. The book also discusses other important features of IB programs, such as internationalism and academic honesty. Finally, it blends theory and practice by providing details and findings from the only two-year research study to follow students and teachers through the IBDP. The study demonstrates the role of the school library in the program, showing how both students and teachers used and valued it. Each chapter concludes with a series of points or strategies for the librarian to reflect upon and/or use as the basis of action. For students studying the revised Language A Literature syllabus in English for the IB Diploma. Written by experienced, practising IB English teachers, this new title is a clear and concise guide to studying the revised Language A Literature syllabus in English for the IB Diploma. Available in print and e-book formats it covers all parts of the Language A Literature programme at both Standard and Higher Levels, and contains a wide variety of text extracts including works originally written in English and World literature in translation. Integrated into the coursebook are information and guidance on assessment, Theory of Knowledge opportunities, Extended Essay suggestions, and activities to help students read, think, discuss, write and present ideas.
